Leisure Research In Europe

A.J. Veal

Leisure Research In Europe:

Leisure Research in Europe Hans Mommaas, 1996 There is a growing interest in comparative research in leisure studies and in cross national ways of undertaking such research In Europe in particular it is recognized that the different academic and disciplinary traditions within which leisure research has been generated provide a fertile ground for analysis The strengths and weaknesses of particular national traditions and schools of thought their methodologies and their historical developments provide the key focus of this book By recognizing the historically nation state bound nature of social analysis in this field the book seeks to provide a platform for analysis which goes beyond such bounds in examining the global local relations which are so evident in contemporary leisure It includes six chapters on individual countries UK Netherlands France Belgium Spain and Poland as well as one on cross national contacts and comparisons plus introductory and concluding chapters Trends in Leisure Research in Europe , 1982-01-01 **Routledge Handbook of Leisure Studies** Tony Blackshaw, 2020-07-26 This landmark publication brings together some of the most perceptive commentators of the present moment to explore core ideas and cutting edge developments in the field of Leisure Studies It offers important new insights into the dynamics of the transformation of leisure in contemporary societies tracing the emergent issues at stake in the discipline and examining Leisure Studies fundamental connections with cognate disciplines such as Sociology Cultural Studies History Sport Studies and Tourism This book contains original work from key scholars across the globe including those working outside the Leisure Studies mainstream It showcases the state of the art of contemporary Leisure Studies covering key topics and key thinkers from the psychology of leisure to leisure policy from Bourdieu to Baudrillard and suggests that leisure in the 21st century should be understood as centring on a new Big Seven holidays drink drugs sex gambling TV and shopping No other book has gone as far in redefining the identity of the discipline of Leisure Studies or in suggesting how the substantive ideas of Leisure Studies need to be rethought The Routledge Handbook of Leisure Studies should therefore be the intellectual guide of first choice for all scholars academics researchers and students working in this subject area A Handbook of Leisure Studies C. Rojek, S. Shaw, A. Veal, 2006-06-20 A unique international resource for Leisure Studies in one volume the history organization and central debates in the field of Leisure Studies are defined providing a one stop shop for students and an agenda for future debate and research academics **Cities in the Eighties. Trends in Leisure Research in Europe** , *Leisure in Urban Africa* Paul Tiyambe Zeleza, Cassandra Rachel Veney, 2003 Bringing together often unconnected modes of analysis research and debate on leisure in African studies an interdisciplinary team of scholars reflects on the complex conceptions creation and consumption of leisure in African cities from the nineteenth century to the present drawing intriguing comparisons with leisure studies in Western Europe and North America Covering leisure activities from football to music and dance to films and television in cities from Cairo to Cape Town this book opens a new chapter in African cultural studies **Cultural Tourism in Europe** Greg Richards, 1996 Because few

comparative data existed on European cultural tourism when the European commission designated cultural tourism as a key area of tourism development in Europe the European association for tourism and leisure education undertook a transnational study of European cultural tourism The first five chapters address general themes the scope and significance the social context the economic context and the political context of cultural tourism They are followed by eleven chapters on individual countries from the European Union Re issued in 2005 in electronic format by ATLAS the Association for Tourism and Leisure Education

European Journal of Tourism Research ,2017-06-01 The European Journal of Tourism Research is an interdisciplinary scientific journal in the field of tourism published by Varna University of Management Bulgaria Its aim is to provide a platform for discussion of theoretical and empirical problems in tourism Publications from all fields connected with tourism such as management marketing sociology psychology geography political sciences mathematics statistics anthropology culture information technologies and others are invited The journal is open to all researchers Young researchers and authors from Central and Eastern Europe are encouraged to submit their contributions Regular Articles in the European Journal of Tourism Research should normally be between 4 000 and 20 000 words Major research articles of between 10 000 and 20 000 are highly welcome Longer or shorter papers will also be considered The journal publishes also Research Notes of 1 500 2 000 words Submitted papers must combine theoretical concepts with practical applications or empirical testing The European Journal of Tourism Research includes also the following sections Book Reviews announcements for Conferences and Seminars abstracts of successfully defended Doctoral Dissertations in Tourism case studies of Tourism Best Practices The European Journal of Tourism Research is published in three Volumes per year The full text of the European Journal of Tourism Research is available in the following databases EBSCO Hospitality and Tourism CompleteCABI Leisure Recreation and TourismProQuest Research Library Individual articles can be rented via journal s page at DeepDyve The journal is indexed in Scopus and Thomson Reuters Emerging Sources Citation Index The editorial team welcomes your submissions to the European Journal of Tourism Research

Older Women in Europe Isabella Paoletti,2022-09-30 This book is about older women s strength freedom tenacity determination resilience independence social and political involvement and in particular it is about re imagining ageing Older women represent the great majority of older people The book describes instances of age and gender discrimination and examples of social inclusion and protagonism of older women in Europe It solicits a change in perspective focusing on the necessary societal changes to make space to older people and older women in particular How is society going to address age and gender discrimination in social and institutional settings How should work settings change to effectively make space to older workers and in particular older women How should the pension system change How could public health systems could provide effective care to older people and be sustainable This edited collection focuses on older women s rights rather than their needs adopting a human rights based approach Preservation of older women s dignity autonomy and security is its central topic that is ensuring that their

rights are recognised This collection offers insights valuable to a wide array of human rights activists professionals policymakers and social scientists and older women themselves **Research Methods for Leisure and Tourism** A.J. Veal,2017-12-19 Now in its fifth edition Research Methods for Leisure and Tourism has become the ultimate reference text for both students enrolled in undergraduate and postgraduate degrees and practising managers This book combines comprehensive coverage of a wide variety of qualitative and quantitative research methods with step by step guidance through research software including Excel SPSS and NVivo Key features Coverage of both qualitative and quantitative research methods ensuring a balanced approach to data collection and analysis Practical guidance on conducting research and writing reports showing the how as well as the what Detailed coverage of the development of conceptual frameworks for research research design analytical methods and the composition of research reports providing everything required to conduct a research project International case studies and extensive examples from the leisure and tourism literature Questions exercises and further reading for each chapter Extensive web based support materials New to this edition The fifth edition has been fully updated throughout and includes additional material on Management and policy related research methods EndNote bibliographic referencing software Notes on additional methods including big data discourse analysis multiple correspondence analysis netnography web based research people meters For the analysis of quantitative data SPSS is updated to version 23 For qualitative data analysis the guide to NVivo software is updated to version 11 **An Introduction to Leisure Studies** Peter Bramham,Stephen Wagg,2014-10-27 There are textbooks galore but there aren t many crafted as intelligently as this one This book will change the way that students understand leisure It will give them an easier entry to that place where difficult ideas fuse into something intelligible where real understanding sits and the educated imagination is stirred Tony Blackshaw Sheffield Hallam University Peter Bramham and Stephen Wagg provide a foundation for those studying within the broad field of leisure studies The book gives students an accessible and engaging introduction to leisure studies and leisure research encouraging students to engage in reflexive analysis of their common sense understandings of everyday life and enabling them to develop an understanding of contemporary leisure studies and changing leisure practices **European Forest Recreation and Tourism** Simon Bell,Murray Simpson,2009-05-07 In an increasingly urbanised world more and more people are turning to our forests and woodland for recreation and tourism Based on a study of forest recreation from across Europe the editors bring together the expertise of more than 80 leading professionals and academics to provide a clear and concise guide to best practice **Cultural Attractions and European Tourism** Greg Richards,2001-01-01 This book reviews the cultural tourism market in Europe from a survey carried out in 1997 It analyzes the way in which cultural attractions are produced for and used by cultural tourists and how such cultural attractions as museums art galleries monuments and heritage attractions are marketed **Encyclopedia of Leisure and Outdoor Recreation** John Jenkins,John Pigram,2004-08-02 Edited by leading authorities this key reference reflects the

multidisciplinary nature of its subject It is an essential resource for teaching an invaluable companion to independent study and a solid starting point for wider subject exploration

Trends in Outdoor Recreation, Leisure, and Tourism William C. Gartner, David W. Lime, 2000 This book focuses on the issues and trends in outdoor nature based recreation leisure and tourism and explores the implications for public policy planning management and marketing It is intended as supplementary reading for advanced students and is a useful reference tool

An International Handbook of Tourism Education David Airey, John Tribe, 2006-08-11 As tourism matures as an academic subject and the number of tourism higher education providers continues to expand world wide there is an increasing interest in its educational aspects At the same time the development of research into education issues related to tourism means that there is now a developing literature on the subject This international handbook offers a timely evaluation of the state of the art of tourism higher education The book brings together expert contributors from around the world to present current thinking and practice about what is now a major element of education provision world wide It is structured round four key themes Curriculum International perspective Teaching learning and assessment Resources progression and quality Its global survey of tourism education offers a comprehensive basis for comparative review In addition to setting out the development and current provision of tourism education it also addresses cutting edge issues such as PhD education non formal education cultural issues in learning research and teaching e learning and e assessment It offers practical advice for the design delivery evaluation and resourcing of courses and concludes with a reflective agenda of issues for the future

Nature Sports Ricardo Melo, Derek Van Rheenen, Sean Gammon, 2023-11-07 This book represents the first international collection that challenges current thinking and research in the emerging field of nature sport Owing to its inherent connections with fields such as business leisure health tourism and education this emerging field has attracted perspectives from a wide range of theoretical viewpoints much of which are discussed within this collection In simple terms nature sports refer to a group of sporting activities that predominantly take place in natural and rural areas Participation can be both competitive and recreational with the primary aim to work in relation to nature where participants seek harmony rather than the quest to conquer it Within this book experts from around the globe consider the very essence of nature sports including numerous practical examples of it in action offering invaluable insights to those both familiar and new to the field Driven by an increase in non traditional sports coupled with growing concerns about the environment nature sports have experienced significant expansion and interest in both participation and academic debate This book is a valuable resource for students and academics in fields such as alternative sports alternative sport subcultures sport philosophy sport and social issues ethics and phenomenology It is also a fascinating read for outdoor educators and practitioners The chapters in this book were originally published as special issues in *Annals of Leisure Research*

Critical Event Studies Karl Spracklen, Ian R. Lamond, 2016-05-26 Within events management events are commonly categorised within two axes size and content Along the size axis events range between the

small scale and local through major events which garner greater media interest to internationally significant hallmark and mega events such as the Edinburgh Festival and the Tour de France Content is frequently divided into three forms culture sport or business However such frameworks overlook and depoliticise a significant variety of events those more accurately construed as protest This book brings together new research and theories from around the world and across sociology leisure studies politics and cultural studies to develop a new critical pedagogy and critical theory of events It is the first research monograph that deals explicitly with the concept of critical event studies CES the idea that it is impossible to explore and understand events without understanding the wider social cultural and political contexts It addresses questions such as can the occupation and reclamation of specific spaces by activists be understood as events within its framework And is the activity of activists in these spaces a leisure activity If those and other similar activities can be read as events and leisure what does admitting them into the scope of events management and leisure studies mean for our understanding of them and how the study of events management is to be conceptualised This title will be of interest to undergraduate and postgraduate students on events management and related courses and scholars interested in understanding the ways in which events are constructed by the social the cultural and the political

Sport and Social Exclusion Michael Collins, Tess Kay, Mike Collins, 2014-06-20 Tackling social exclusion should be a central aim of any civilised social policy In this meticulously revised and updated new edition of his groundbreaking study Sport and Social Exclusion Mike Collins has assembled a vast array of new evidence from a range of global sources to demonstrate how the effects of social exclusion are as evident in sport as they are in any area of society The book uses sport as an important sphere for critical reflection on existing social policy and explores sport's role as a source of initiatives for tackling exclusion It examines key topics such as What is meant by social exclusion How social exclusion affects citizenship and the chance to play sport How exclusion from sport is linked to poverty class age gender ethnicity disability and involvement in youth delinquency and living in towns or countryside How exclusion is linked to concepts of personal and communal social capital It uses four revised and five new major case studies as detailed illustrations notably Be Active Birmingham the national PE and Youth School Sport strategy Positive Futures and Street Games Sport and Social Exclusion features a wealth of original research data including new and previously unpublished material as well as important new studies of social exclusion policy and practice in the UK and elsewhere This revised edition surveys all the most important changes in the policy landscape since first publication in 2002 and explores the likely impact of the London Olympic Games on sport policy in the UK The book concludes with some typically forthright commendations and critiques from the author regarding the success of existing policies and the best way to tackle exclusion from sport and society in the future By relating current policy to new research the book provides an essential guidebook for students academics and policy makers working in sport policy and development

Cultural Policy and Urban Regeneration Franco Bianchini, Michael Parkinson, 1993 The material in this book is based upon an academic conference held in Liverpool

in 1990 which explored West European urban development and strategies by looking at commissioned studies of cities in six EC countries Britain The Netherlands France Spain Germany and Italy

Leisure Research In Europe Introduction

In today's digital age, the availability of Leisure Research In Europe books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Leisure Research In Europe books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Leisure Research In Europe books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Leisure Research In Europe versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Leisure Research In Europe books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Leisure Research In Europe books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Leisure Research In Europe books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a nonprofit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of

certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Leisure Research In Europe books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Leisure Research In Europe books and manuals for download and embark on your journey of knowledge?

FAQs About Leisure Research In Europe Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Leisure Research In Europe is one of the best book in our library for free trial. We provide copy of Leisure Research In Europe in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Leisure Research In Europe. Where to download Leisure Research In Europe online for free? Are you looking for Leisure Research In Europe PDF? This is definitely going to save you time and cash in something you should think about.
