Leninism A Sociological Interpretation:

Leninism: A Sociological Interpretation David Lane, 1981-04-02 David Lane provides a contextual understanding of Lenin's writings and their relevance to contemporary political action

Leninism: A Sociological Interpretation David Lane, 1981-04-02 It is now well over a hundred years since the birth of Lenin. If his writings are to have the relevance for contemporary political action, it is necessary that they be understood within the specific historical context in which they arose. It is such an understanding that David Lane provides in this book. Dr Lane addresses four distinct though related topics: Lenin's analysis of revolution; Leninism as an ideology legitimating the Russian Revolution; a detached analysis of the revolutionary process and the relevance of Lenin and the Russian Revolution for social and political change. He begins by showing that, studied thematically, the various parts of Lenin's thinking are complementary in providing an analysis of capitalism and the justification for socialist revolution. The book is a short, concise, detached yet sympathetic account of Lenin's thinking on revolution, its implications for the rise of Stalinism, and its significance for the model of socialism as developed in the USSR. It will appeal to sociologists, political scientists, and historians interested in Leninism, Stalinism, and revolutionary theory, as well as to others concerned with the theories and processes of social change.

Revolution, a Sociological Interpretation Michael S. Kimmel, 1990 Examines why the study of revolution has attained such importance and provides a systematic historical analysis of key ideas and theories. The book surveys the classical perspectives on revolution offered by nineteenth-century and early twentieth-century theorists such as Marx, Weber, Durkheim, Tocqueville, and Freud. Kimmel argues that their perspectives on revolution were affected by the reality of living through the revolutions of 1848-1917, a reality that raised crucial issues of class, state, bureaucracy, and motivation.

back cover *Leninism* Neil Harding, 1996 In this volume Neil Harding presents the first comprehensive reinterpretation of Leninism to be produced in many years. Challenging much of the conventional wisdom regarding Leninism's effectiveness as a mobilizing body of ideas, its substance, and its origins and evolution, Harding offers both a controversial exposition of this ideology and a critical engagement with its consequences for the politics of contemporary communism. Rather than tracing the roots of Leninism to the details of Lenin's biography, Harding shows how it emerged as a revolutionary Marxist response to the First World War and to the perceived treachery, the support of that war by social democratic leaders. The economics, politics, and philosophy of Leninism, he argues, were rapidly theorized between 1914 and 1918 and deeply imprinted with the peculiarities of the wartime experience. Its complementary metaphysics of history and science was as intrinsic to its confidence and sureness of purpose as it was to its contempt for democratic practice and tolerance. But as Harding also shows, although Leninism articulated a complex and coherent critique of capitalist civilization and held a powerful appeal to a variety of constituencies, it was itself caught in a timewarp that fatally limited its capacity to adapt. This book will engage not only Russian and Soviet specialists but also readers concerned with the varieties of twentieth-century socialism.

Lenin's Electoral Strategy from Marx and Engels

through the Revolution of 1905 August H. Nimtz, 2016-04-30 This book explores the time in which Lenin initiated his use of the electorate beginning with the Marxist roots of his politics from his leadership of Russian Social Democratic Labor Party in the First and Second State Dumas to Russia's first experiment in representative democracy from 1906 to 1907 **Lenin's Electoral Strategy from 1907 to the October Revolution of 1917** August H. Nimtz, 2014-03-13 This book is the first full length study of Lenin's party building project and writings on elections looking in detail at his leadership of the Bolshevik wing of the Russian Social Democratic Labor Party in the four state Dumas from 1906 to the beginning of the First World War **The Philosophical Heritage of V. I. Lenin and Problems of Contemporary War** Arsenii Stepanovich Milovidov, Vladimir Georgievich Kozlov, 1974 **Social Inequality and Class Radicalism in France and Britain** Duncan Gallie, 1984-01-26 This book first published in 1983 examines in depth the nature and sources of class radicalism in France and Britain and takes issue with some of the major theories of class consciousness and class action Drawing on data both from detailed case studies and from wider national surveys it shows that the conflict of class interests within capitalist societies can lead to sharply diverging attitudes to class inequality It argues that the explanation of such differences cannot be found in some general law of the evolution of social conflict in capitalist society It must be sought in the profound institutional differences that exist between the two societies In particular the study argues for a reassessment of the importance of the experience of war and of the way in which the business and political elite handled the social crises generated by war in accounting for the long term structural divergence of capitalist societies The Origins of the Stalinist Political System Graeme Gill, Graeme J. Gill, 2002-07-18 New and challenging perspectives on Soviet political development from 1917 to 1941 **Lenin and the End of Politics** A. J. Polan, 2017-04-21 Originally published in 1984 this book reconsiders the effect of Lenin on the politics and culture of the 20th Century In a detailed examination of Lenin's famous text *The State and Revolution* the author argues that the peculiar status of this work presents readers with major problems of interpretation and shows how a failure to identify these problems has prevented an adequate understanding of important issues in modern politics history and social theory The book compares Lenin's radical utopia with the ideas of politics offered by other theorists centrally Weber and Sartre but also writers such as Jefferson and Habermas This original approach shows the impact of Lenin's text on political history and theory and leads to a new understanding of the connection between revolution and violence social change and authoritarianism Leninism, a Study in the Sociology of Political Alienation Samuel Lieberstein, 1967 **The A to Z of Marxism** David Walker, Daniel Gray, 2009-08-13 Marxism one of the few philosophies that turned into an effective movement not so long ago was the official ideology in one form or another of much of humanity It was promulgated initially by the Soviet Union then imposed on much of Central and Eastern Europe later emerged in the People's Republic of China and gradually spread to other parts of Asia and even bits of Africa and Latin America Although declining in its initial popularity it still remains strong in several countries and is supported by numerous

communist and other parties and countless individuals around the world The A to Z of Marxism covers the history of Marxism and all its thinkers and schools of thought in a comprehensive manner This is done through a chronology an introductory essay a bibliography and hundreds of cross reference dictionary entries on basic terms and concepts significant thinkers and doers and also the parties and countries that followed it *Historical Dictionary of Marxism* Elliott Johnson,David Walker,Daniel Gray,2014-09-09 The second edition of the Historical Dictionary of Marxism covers of the basics of Karl Marx s thought the philosophical contributions of later Marxist theorists and the extensive real world political organizations and structures his work inspired that is the myriad political parties organizations countries and leaders who subscribed to Marxism as a creed This text includes a chronology an introductory essay and an extensive bibliography The dictionary section has over 500 cross referenced entries on important personalities both thinkers and doers political parties and movements and major communist or ex communist countries This book is an excellent access point for students researchers and anyone wanting to know more about Marxism **Stalinism** Graeme Gill,2016-01-07 Drawing on research based on access to the recently opened Soviet archives this new edition provides a valuable thematic account of the nature of Stalinism The author surveys the arguments about the origins of the Stalinist phenomenon and discusses the way in which the different faces of Stalinism economic social cultural and political changed over time Gill concludes that the dramatic fall of the USSR was connected to the nature of Stalinism *Ideology in a Socialist State* Ray Taras,1984-12-13 Analyzes the changes in ideology of Poland s rule from the October events of 1956 to the lifting of martial law in 1983 to suggest that ideological change has represented the regime s chief means of responding to a postwar cycle of crises Lenin Beryl Williams,2014-06-17 Drawing on the flood of new material to emerge from Russian and Western sources in recent years Beryl Williams focuses on Lenin s years in power and provides first rate introduction to the life ideology and impact of one of the formative figures of the 20th century Within an overall chronological framework Williams examines topics such as cultural revolution foreign policy and expansion As well as being an examination of Lenin s life and work this is an up to date evaluation of recent historiographical debates and literature in the context of the period *Lenin Rediscovered* Lars T. Lih,2006 This commentary to Lenin s landmark What is to be Done 1902 provides hitherto unavailable contextual information about Lenin s outlook and aims that undermines previous interpretations It challenges established views about Marxism revolutionary Social Democracy and Bolshevism **Socialism in Russia** J. Gooding,2001-12-03 This book asks three fundamental questions about the socialist experiment in twentieth century Russia How did Marxist ideas come to be implemented in Russia a country entirely unsuited to them Why did the experiment lead to such suffering and upheaval and prove so fruitless And why did the attempt to return to a proper Marxism Leninism bring about the rapid collapse of the experiment In its answers this book pays special attention to the shadow cast by Lenin throughout the entire Soviet era *The Russian Revolution* Russell Trenton,2015-07-15 This gripping historical narrative relates the circumstances that led

to the end of the Romanov Dynasty and the Russian aristocracy the heartrending struggles of the peasants the violence and bloodshed of the revolution and the rise of the new social order and its far reaching consequences that continue to be felt in Russia today In addition to the causes of the Russian revolution and the events that led to civil war the narrative delves into the mindset of the Bolshevik leadership and recounts the profound transformation and industrialization of the economy in the Soviet era

Soviet Politics Richard Sakwa, 2012-11-12 Soviet Politics in Perspective is a new edition of Richard Sakwa's successful textbook Soviet Politics an introduction Thoroughly revised and updated it builds on the previous editions comprehensive and accessible exploration of the Soviet system from its rise in 1919 to its collapse in 1991 The book is divided into five parts which focus on key aspects of Soviet politics They are historical perspectives beginning with the Tsarist regime on the eve of Revolution the rise and development of Stalinism through to the decline of the regime under Brezhnev and his successors and Gorbachev's attempts to revive the system institutions of Government such as the Communist Party security apparatus the military the justice system local government and participation theoretical approaches to Soviet politics including class and gender politics the role of ideology and the shift from dissent to pluralism key policy areas the command economy and reform nationality politics and foreign and defence policy an evaluation of Soviet rule and reasons for its collapse Providing key texts and bibliographies this book offers the complete history and politics of the Soviet period in a single volume It will be indispensable to students of Soviet and post Soviet politics as well as the interested general reader

Yeah, reviewing a book **Leninism A Sociological Interpretation** could accumulate your close contacts listings. This is just one of the solutions for you to be successful. As understood, completion does not recommend that you have astounding points.

Leninism A Sociological Interpretation Introduction

Leninism A Sociological Interpretation Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Leninism A Sociological Interpretation Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Leninism A Sociological Interpretation : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Leninism A Sociological Interpretation : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Leninism A Sociological Interpretation Offers a diverse range of free eBooks across various genres. Leninism A Sociological Interpretation Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Leninism A Sociological Interpretation Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Leninism A Sociological Interpretation, especially related to Leninism A Sociological Interpretation, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Leninism A Sociological Interpretation, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Leninism A Sociological Interpretation books or magazines might include. Look for these in online stores or libraries. Remember that while Leninism A Sociological Interpretation, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Leninism A Sociological Interpretation eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Leninism A Sociological Interpretation full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Leninism A Sociological Interpretation eBooks, including some popular titles.

FAQs About Leninism A Sociological Interpretation Books

1. Where can I buy Leninism A Sociological Interpretation books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Leninism A Sociological Interpretation book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Leninism A Sociological Interpretation books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Leninism A Sociological Interpretation audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Leninism A Sociological Interpretation books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
