Collins, 2022-08-16 Are you in need of a miracle Do you want to operate in the miraculous to see others healed delivered and transformed If so then this is the book for you There are key elements of the prophetic that create a supernatural environment in which miracles become normal But many believers do not realize the vital connection between these gifts

□□□ □□□ □□ J. Hershy Worch, 2010 Sefer Yetzira is a sacred book of great antiquity and power and one of Judaism's oldest texts after the Bible In this new translation and commentary Rabbi Worch leads us step by step through innermost chambers of Jewish mysticism We are allowed to listen in to the arguments between Moses and God to the whispered dialogue between Rabbis Akiba and Ishmael and to those fervid and passionate practitioners of whose ecstasies these pages remain redolent In the beginning was God's desire for us Sefer Yetzira describes the process whereby desire materializes in the Breath of God and thence into the Ten Sephirot and twenty two letters of the Hebrew alphabet Commentaries to the Sefer Yetzira through the ages have reflected the spirit and yearning of those times the genius and romance of the zeitgeist be it philosophical

mathematical or contemplative This commentary reflects the strikingly mystical qualities of Hasidism and the post modern approach to text In this book we read how to listen for the breath of the Living God how to hear it and breathe it back in the mystery of our sacred kisses      **Wow, I Want What They Have!** Pastor K. Bruce Brown,2022-12-22 We cannot relate to a spirit God a spirit Savior a spirit Uncle and a spirit enemy without embracing the spirit world This book coined the phrase Earth life Bias ELB to identify the enemy s work in our daily lives and illustrate how most believers just add our Abba Father as an accessory to this life instead of becoming citizens of Heaven and members of his Family This book illustrates how pervasive ELB is in every aspect of our lives without criticizing any person organization or denomination They all serve our Abba Father s purpose and all have Romans 10 in their Holy Bibles which shows us how to avoid the fiery pit The rest of the Scripture is about our relationships Esoteric knowledge of the Scripture is for scholars we need to apply it to our lives After revealing the ELB in our lives we explain how to escape it by embracing the supernatural divine spirit world and how the godly control system the heart mind spirit soul connection with the Holy Spirit Jesus and our Abba Father works With that foundation we show how build our faith relationships and marriages converting for better or worse to sanctified marriage with vows to our Abba Father to do it his way There is also a section on Daniel which brings our Abba Father into modern times explains what is taking Jesus so long to get here and answers a lot of questions about end times This section is work but it is a giant faith builder as you will see But regardless of where we worship we are individually responsible for own relationship with our Abba Father and this book will help any believer grow their faith and experience the full joy peace and glory our Abba Father created for us      *New Era* ,1903      *Angels* Michael S. Heiser,2018-09-19 What does the Bible really tell us about the heavenly host Everyone knows that angels have wings usually carry harps and that each of us has our own personal guardian angel right We all have some preconceptions about angels from movies television shows and other media but you might be surprised to know that a lot of those notions aren t based on anything from the Bible If you read Luke 1 26 38 and imagine the angel Gabriel standing before Mary with neatly folded white wings you re not getting that picture from anything the Bible itself says What the Bible really says about angels is overlooked or filtered through popular myths This book was written to help change that It s a book about the loyal members of God s heavenly host and while most people associate them with the word angel that s just one of many terms the Bible uses for supernatural beings In The Unseen Realm Michael Heiser opened the eyes of thousands to seeing the Bible through the supernatural worldview of the ancient world it was written in In his latest book *Angels* Dr Heiser reveals what the Bible really says about God s supernatural servants Heiser focuses on loyal holy heavenly beings because the Bible has a lot more to say about them than most people suspect Most people presume all there is to know about angels is what has been passed on in Christian tradition but in reality that tradition is quite incomplete and often inaccurate *Angels* is not guided by traditions stories speculations or myths about angels Heiser s study is grounded in the terms the Bible itself uses to describe members of God s heavenly host he examines

the terms in their biblical context while drawing on insights from the wider context of the ancient Near Eastern world The Bible's view on heavenly beings begins with Old Testament terms but then moves into literature from the Second Temple period Jewish writings from around the fifth century BC to the first century AD This literature from the time between the Old Testament and the New Testament influenced the New Testament writers in significant ways With that important background established the book focuses on what the New Testament tells us about God's holy ones Finally the book reflects on common misconceptions about angels and addresses why the topic is still important and relevant for Christians today
