**Helicopters, Drill Sergeants, and Consultants** Jim Fay, 1994 Describes three different parenting styles helicopters drill sergeants and consultants and presents various illustrated parenting situations for each type and offers advice and solutions based on a foundation of love and logic Helicopters, Drill Sergeants and Consultants Jim Fay, Paule Niedrach Botkin, 1988 Raising Mentally Strong Kids Daniel G. Amen, MD, Charles Fay, PhD, 2024-03-26 Instant national bestseller Parenting is about to get easier and a whole lot more effective In a time when so many children and young adults seem to be struggling parents are looking for help in bringing up mentally healthy kids who are equipped to thrive Finally evidence based help is now available for overwhelmed parents who are trying their best but feel like they're falling short 1 New York Times bestselling author and neuropsychiatrist Dr Daniel Amen and child psychologist Dr Charles Fay have teamed up to reveal what's missing from most parenting books It's the fact that you need to address both the brain and the mind of your child and yourself in order to effectively raise good and strong humans In this groundbreaking book where neuroscience meets love and logic parents are given practical tools to help children of all ages go from behavioral problems like defiance meltdowns and power struggles to being Responsible confident kind and resilient Better prepared to make good decisions More focused and motivated Better able to have healthy relationships and more Let Dr Amen and Dr Fay help you learn how to be the parent you've always dreamed you could be and raise great kids who are on their way to reaching their full potential including their best possible mental health **The Parent App** Lynn Schofield Clark, 2013 New technologies offer new ways for families to connect access ideas and entertainment and manage the risks faced by children and teens but they also bring more responsibilities choices and challenges Clark argues that families experience digital and mobile technologies in their children's lives especially during the preteen and teen years quite differently depending on whether they are middle class or less advantaged Based on over ten years of interviews hundreds of parents and children The Parent App explores these differences and provides the kind of guidance backed by thorough research that parents today desperately need

**The Problem with Parenting** Nancy A. McDermott, 2020-08-24 The Problem with Parenting serves as an essential guide to the recent origins and current excesses of American parenting for students parents and policy makers interested in the changing role of the family in childrearing Family scholarship focuses predominately on the evolution of family structure and function with only passing references to parenting Researchers who study parenting however invariably regard it as a sociological phenomenon with complex motivations rooted in such factors as class economic instability and new technologies This book examines the relationship between changes to the family and the emergence of parenting defined here as a specific mode of childrearing It shows how beginning in the 1970s the family was transformed from a social unit that functioned as the primary institution for raising children into a vehicle for the nurturing and fulfillment of the self The book pays special attention to socialization and describes how the change in our understanding of parenthood from a state of being into the

distinct activity of parenting is indicative of a disruption of our ability to transfer key cultural values and norms from one generation to the next      **Dear Zelda** Carol Gardner, Shane Young, 2007-04 This doggy diva is queen of the catwalk Oprah Winfrey The Oprah Winfrey Show Zelda is the official spokesdog for Delta Society Pet Partners an international program dedicated to the human animal healing bond With a full line of Zelda Wisdom cards calendars gift kits other licensed products and seven previous books under her collar Zelda now dispenses her advice on her popular weekly Dear Zelda column on [www.zeldawisdom.com](http://www.zeldawisdom.com) At the core of Zelda's wisdom is a focus on humor and healing As owner Carol Gardner explains Zelda always makes me laugh She's proof that you don't have to be thin rich young or wrinkle free to be successful More important you don't have to be perfect to be happy From peer pressure to retirement and from sibling rivalry to toxic relationships and much more Zelda's advice allows us to laugh at ourselves and realize that in life's ups and downs we are never alone Tough when necessary and tender when needed there is a little Zelda in all of us      **Being Torah Student**

**Commentary, 2** Joel Lurie Grishaver, 1998-10-01 A practical guide for classroom teachers which includes specific examples of materials coupled with anecdotal material which helps personalize these issues Topics covered communication one time and ongoing special needs students and parents family homework management strategies shared problem solving family education days and an annotated list of commercial materials      **Try and Make Me!** Ray Levy, Bill O'Hanlon, 2002-02-09
