fear and insecurity A single thought turned into a momentary flair of passion that sparks the journey Desperation and confusion awakens clarity once living life in a box desiring to live up to others expectations and demands Exhausted and drained an emotional break opens the door in which Jannie walks through Mentally checking out from her current situation clears a path for her to welcome new experiences Jannie s a woman that is deeply conflicted She loves with all her heart and her emotions run extremely deep After all her giving to the people that she loves she starts to realize how empty she feels The love she s given to her family has been wonderful but it hasn t been enough to fill up the emptiness inside herself With all the love she s given to the people around her she s forgotten to live and build something for herself She spent her whole life taking care of her children and trying to build a life for them taking care of her husband and her father as well Sustaining life by a thread she neglected to carve out a place where she felt whole Slipping into a depression when she finds herself broken down alone and misunderstood Jannie has an epiphany feeling like she s in an emotional crossroads Jannie makes the wrenching decision to choose herself it s time to put herself first She decides to make her escape plan In the midst of her elaborate extensive journey she stumbles into an unexpected but very welcome romance with a gentleman named Samuel Savage Samuel is a soul Jannie never even dreamed about encountering this dapper debonair earth angel She felt attracted to him not just physically feeling an instant emotional connection with him Chills and thrills ran through her body the second she met him as if she was a teenager and their began the romance that breathed life back into her soul Journal of the Scatterbrain Joshua Valdez,2024-08-26 In the dim light of a forgotten attic the long lost diaries of the scatterbrained have been unearthed their weathered pages a testament to the dark and twisted tales they contain Each entry is a portal to a world of horror where reality bends and twists like a serpent coiling in the shadows Within the pages of Journal of the Scatterbrain readers embark on a journey through the depths of terror where every twist and turn brings forth a new revelation a new nightmare waiting to unfold The journey begins with a deadly game of tag where innocence is shattered against the jagged edges of fear What starts as a harmless childhood pastime quickly descends into a harrowing struggle for survival as the rules of the game become twisted and sinister Next readers are drawn into a wizard s duel where magic crackles in the air like electricity and destinies are forged in the fires of conflict Spells collide with a thunderous roar casting eerie shadows against the walls as the battle rages on But the horrors of the scatterbrained are not confined to the realm of fantasy In a chilling twist a horror movie date takes a sinister turn as the screen becomes a window into the abyss and the boundaries of reality blur with each passing scene What was meant to be a night of popcorn and thrills becomes a descent into madness as the characters find themselves trapped in a nightmare from which there is no escape And yet the horrors do not end there Indulge in a delicious dinner with the devil where temptation dances on the edge of damnation and every bite brings one step closer to oblivion Lose yourself in the pulsating rhythm of a night out at the club where the beat of the music masks the whispers of darkness lurking in the shadows But perhaps the most chilling tale of all is that of a teacher pushed to

the brink willing to go to any lengths to impart a lesson In the halls of academia a game of survival unfolds where the boundaries between student and teacher predator and prey blur into a maelstrom of madness and despair These are but a few of the twisted tales ripped from the entries of the scatterbrained each one a thread in the tapestry of horror that awaits Join us as the clock ticks down to the witching hour where every story holds a secret and every turn of the page brings us closer to the heart of darkness      The Doll Blogs Debbie Behan Garrett,2010-12-31 To serve the doll collecting community particularly avid Black doll enthusiasts Ms Garrett continues to write about the dolls she loves In this her third doll publication dolls both old and new blog their experiences over a two year period as chosen dolls in Garrett s extensive and quite eclectic Black doll collection If you love dolls possess a vivid imagination and enjoy combining the two you will derive great pleasure reading The Doll Blogs another first for Debbie Behan Garrett Garrett takes the reader on an imaginative voyage in doll collecting world where she meets and greets new dolls reacquaints herself with old ones and continues the passion for all as a doll whisperer allowing the dolls to speak through her The dolls some more vocal than others with personalities all their own find delight in telling their unique stories sharing their experiences and relaying how they entered Garrett s collection This first book devoted to dolls that speak in blog form is masterfully engaging a sure delight      **Hey, Joey Journal** Colleen June Glatzel,2017-09-14 After the psychologically scarring death of her father wild child Rosie Dwyer is introduced to journal keeping She initially considers this writing form to be cliché Before the death Rosie valued chaos and rebellion from protest peeing in class to shoving a Twinkie in a classmate s eye However once Rosie gives into this mode of writing a cathartic obsession begins Her entries often focus on her childhood enemy Logan Fields after he becomes Rosie s permanent peer editor in creative writing class While Rosie loses touch with both loved ones and reality an unlikely friendship builds between her and Logan Together they must try to find the meaning behind insanity in the school theatre in the public library and in the middle of a false Apocalypse      The Journal Shannon Ratzlaff,2020-09-02 Book Delisted      **The Everything Baby Names Book** June Rifkin,2011-11-18 Choosing your baby s name is one of the most important decisions you will ever make Fortunately The Everything Baby Names Book 3rd Edition is here to help Featuring 50 000 of today s best names the scoop on how your child s name can affect his sense of self and how to choose a name that can honor your heritage and your child this guide is the ultimate resource for making this momentous choice The new edition features Brand new information on the impact that different names have on a child Complete separate sections for boys and girls names Meanings and origins of names explained Interesting and unique variations from around the globe Packed with engaging lists of popular and traditional names fun facts and important scientific data this book gives you a plethora of possibilities so you can make the perfect choice for your new bundle of joy      **Jamaica Journal** April E.
