Treatment of Child and Adult Survivors Byrgen P. Finkelmann,2013-08-06 First published in 1995 This is Volume five of a series that looks at the developmental stages in addressing the complex and social problem of child abuse The articles in this volume address the treatment of child victims and adult survivors of childhood sexual physical and emotional abuse and neglect Where physical abuse is concerned treatment of victims and survivors lagged far behind the treatment of sexual abuse victims and survivors This may be due in part to the fact that in cases of physical abuse with its physical manifestations that heal more attention is paid to the immediate physical safety of children than to their short and long term emotional needs Thereafter the focus of treatment tended to be on parents in hopes of preventing further abuse rather than on the abused children Library of Congress Subject Headings Library of Congress,2011 Rape Cultures and Survivors Tuba Inal,Merril D. Smith,2018-07-11 An in depth treatment in two volumes of the historical and cultural contexts of rape and rape culture this set discusses both victims and perpetrators internationally during war and peace times and examines the treatment of survivors Historically women men and children have all suffered sexual violence during wartime and peacetime as well as inside and outside their homes This two volume title focuses on survivors of rape in a variety of social and cultural contexts It examines different people who are victimized in a variety of situations including in war and prisons and studies the particularities of rape cultures that are intertwined with ethnic cultures and hatreds and other forms of conflictual social political and economic relations In the introduction the editors define rape and rape culture and provide historical and

cultural context for the information presented throughout the volumes the first of which primarily focuses on the causes and manifestations of rape cultures the second considers the consequences of rape cultures for survivors of sexual assault In both volumes contributors provide case studies elucidating the experiences of a variety of victims young old male female straight and LGBT in diverse locations around the world to help readers understand how truly pervasive and portentous rape culture is
