James L. Meagher, 2019-09-26 Reverend James L Meagher examines how Jesus Christ and the twelve apostles undertook the first Mass and what His example of Mass means to Christian churches and worshippers Meagher begins by debunking a common misconception the idea that the Mass tradition originates from the Last Supper whereby the eating of bread and wine is symbolic of God s flesh and blood This singular event while important in the life of Christ and hence Christian history was not the origin of Mass rather the traditions that constitute the ceremony stretch back centuries with Jewish texts mentioning for instance the importance of bread during holy gatherings What functions the Mass had and how it sheds light upon the procedures of temple and church life during the time of Christ is amply discussed Meagher s work is filled with annotations referencing Biblical lore and passages of the Old and New Testaments together with other investigations of the subject Through his incisive narration of temple traditions we gain an accurate history of the Jewish temple the services that took place in the synagogue and how these formed the basis of the Mass undertaken by Christ and his followers Rev James Meagher 1848 1920 was a noted author of books on Catholic and Christian topics publishing several works which helped explain and clarify aspects of the Bible for believers *How Christ Said the First Mass* Rev James L Meagher DD, 2013-11-16 Anyone who truly wishes to appreciate the Latin Mass and its origin in the Mass Jesus said at the Last Supper should read this book It also becomes clear that the Jews of Jesus time had every reason to convert when one sees how the Mass fulfills prophecy so well We are extremely happy to bring this excellent book back into print WORLDLY people look with wonder at the Mass and often say what is the meaning of this form of divine worship Where did these ceremonies come from Why are candles lighted during daytime Why do the priests wear such peculiar robes Why don t they say the service in a language the people can understand The Catholic sometimes says to himself The Mass came from the Last Supper But did Christ or the apostles say Mass as priest or bishop of our time Did Christ that night follow any form of worship If he did where is it found From ancient days the Church used the Ordinary of the Mass but we do not know its origin Many questions rise in people s minds to which they find no answer A common opinion holds that Christ said the First Mass at the Last Supper according to a short form of blessing and prayer then consecrated the bread and wine gave the apostles Communion and preached the sermon John s Gospel gives When the

apostles said Mass they recited some Psalms read the Scriptures preached a sermon consecrated the bread and wine recited the Lord's Prayer and then gave Communion In the apostolic age the saints added other prayers and ceremonies Afterwards Popes and councils still more developed the rites composed new prayers and that during the Middle Ages the Mass grew and expanded into the elaborate Liturgy and Ceremonial of our day But these opinions are wrong From the beginning the Mass was said according to a long Liturgy and with ceremonies differing little from those of our time No substantial addition was made after the apostolic age what the early Popes did was of minor importance revisions and corrections Little addition was made to the Ordinary of the Mass handed down from the days of Peter founder of our Latin Liturgy **How Christ Said the**
