Levine and Joyce Munsch take students on an active journey toward understanding children and their development. Active Learning activities integrated throughout the text capture student interest and turn reading into an engaged learning process. Through the authors' active learning philosophy, students are challenged to test their knowledge, confront common misconceptions, relate the material to their own experiences, and participate in real-world activities independently and with children. Because consuming research is equally important in the study of child development, Journey of Research features provide both historical context and its links to today's cutting-edge research studies. Students will discover the excitement of studying child development while gaining skills they can use long after course completion. This title is accompanied by a complete teaching and learning package.

**Candid Science II: Conversations With Famous Biomedical Scientists** Istvan Hargittai, 2002-03-15 This invaluable book contains 36 interviews, including 26 with Nobel laureates. It presents a cross-section of biomedical science, a field that has been dominant in science for the past half-century. The in-depth conversations cover important research areas and discoveries as well as the roads to these discoveries, including aspects of the scientists' work that never saw publication. They also bring out the humanness of the famous scientists; the reader learns about their backgrounds, aspirations, failings, and triumphs. The book is illustrated with snapshots of the conversations and photos provided by the interviewees. It is a follow-up to the critically acclaimed *Candid Science: Conversations with Famous Chemists* by the same author.      **The New Genetics** National Institute of General Medical Sciences (U.S.), 2006      *Congressional Record* United States Congress, 1992 The *Congressional Record* is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The *Congressional Record* began publication in 1873. Debates for sessions prior to 1873 are recorded in *The Debates and Proceedings in the Congress of the United States* 1789-1824, the *Register of Debates in Congress* 1824-1837, and the *Congressional Globe* 1833-1873.
