Guide Book of How to Obtain Pureness of Heart Required to Enter Heaven J. Phillips Crute,2022-05-04 Even if you think you don t need any help with your life I am sure there is someone in your orbit that you love that does By understanding the principles and information in this book you can help them And I believe almost everyone has someone they wish to help It is frustrating when you want to help but don t know how That might not be enough reason for you to want to buy this book So let s go into what you learn from it We all are governed by the rules of the spirit world I call these rules AVP the Alternate Viewpoint System You will not only learn

how the spirit world operates but what to expect when you get there I think that piece of information would be valuable since fear of death is really fear of the unknown This book was my task from before my previous life as Elizabeth Reilly Yes my veil was lifted in 1989 I had a need to know you see So that brings us to the most important obstacle to using AVP The entire system is predicated on the FACT that we have all lived before That s why I couldn t proceed until Sharon Holt did her job Yes that was a planned event When you accept the fact that you have lived before you can also accept that you are in the proper place to learn lessons the real reason we are here That means you don t need to be jealous envious covetous or do anything harmful against anyone If you read this book you will know how to fight temptation and desire You will learn to purge you past of negative traits Then of course you will learn how to purge the negative out of your heart and replace it with love kindness humility and forgiveness vital for a pure heart and required to get into heaven
