How I Beat The Traffic Jam And Found Love:

How I Beat the Traffic Jam and Found Love Howard Jarmy, 2000-03 Brief stories of whimsy folly and the far fetched But are they really Jarmy strides out boldly on day hikes of the imagination conjuring human experiences that maybe are more like the world as it should be These tales bid that we let their author hold us captive to his musings The only risk is to our entrenched views of life as it is as it s been drummed into us to only be Love, Lucy April Lindner, 2015-01-27 While backpacking through Florence Italy during the summer before she heads off to college Lucy Sommersworth finds herself falling in love with the culture the architecture the food and Jesse Palladino a handsome street musician After a whirlwind romance Lucy returns home determined to move on from her vacation flirtation But just because summer is over doesn t mean Lucy and Jesse have to be does it In this stunning novel April Lindner perfectly captures the highs and lows of a summer love that might just be meant to last beyond the season A Love Beyond Time, in a World on a Timer Michael Centuori, 2022-10-14 He had to save the world to redeem his sins But the world had already ended So he lurched along through his pointless corporeal existence awaiting an overdue reunion with his perished family Bereft of purpose in a man made apocalypse Nobl worked in the most suicidal profession one known to expedite a longed for reunion with his wife and daughter They called it couriering the simple act of escorting people usually climate refugees escaping famine and drought from one place to another Desperate to leverage favor with the fates he eschewed all material attachments and compensation for his deeds As he dawdled over the years playing at living while his mind was lost in the afterlife a creeping and overwhelming feeling of failure to fulfill his destiny with his family took hold The contagion of this intractable depression drove him toward suicide On his way to die he happens upon a benign unremarkable young woman who unknowingly holds the key to saving a once thought to be unstoppable global warming feedback loop She possesses the one thing humanity needs to repent for its ancestors ecocide and more important to Nobl the one thing he needs to atone to get back to his family His mind is mired in the afterlife with his loved ones and the black hole pull of such a longing has him losing his earthly sanity more every minute But fate it seems is not finished with him yet **The Scent of Love** Lily Monadjemi, 2024-09-30 For Mohammed Amitri recently graduated as a Doctor of Physics his return home from France in 1938 should be a time of limitless promise wanting only an enduring love to make it complete But when Mohammed and Shamsi are brought together the future arrives still born in a match of two hearts that can never unite In 2009 no one answers the door of a flat in an apartment block in Fifth Avenue off Ghandi Street from this one event Lily Monadjemi crafts a tale of love and darkness of the soul that alternates between crime thriller and the tragedy the consequences of when The Scent of Love is lost **Love Is** Kim Sorrelle, 2021-12-07 Engage with a love that transcends social experiments and leads to a radically transformed life Even non Christians are familiar with the Love Chapter of 1 Corinthians read at weddings painted on decorative signs and preached regularly from the pulpit Love is patient love is kind love is The words are so familiar they

almost lack meaning a Christianese version of live laugh love But what happens when these verses are taken seriously What would it take for someone to live out the Love Chapter as literally as possible That was the question Kim Sorrelle set out to answer during her yearlong experiment Using 1 Corinthians 13 as a road map she focused on one phrase at a time seeking to understand its true meaning and how it could motivate every daily action And she didn't just look at the best known parts of the passage but also the parts we don't think too deeply about love does not boast does not dishonor others doesn't keep a record of wrongs and more In her attempts to live the Love Chapter to the letter Kim journeyed all the way to Haiti where she met people who both tested and displayed love to its limits From irritating employees to sexist short term missionaries to curse wielding women to the profoundly kind nuns her encounters are filled with rueful self reflection and comical commentary as well as a new understanding of the nuances and power of true love in action Kim's transformation into someone who truly loves like Jesus will challenge readers to think more deeply about how they can manifest love in their own lives and will reveal the power of Christlike devotion that is unwearied and humble contented and forgiving Above all her exploration is an incredible encounter with the filling strengthening love of God a love that truly never fails *Love, H* Hettie Jones, 2016-09-22 It works we're in business yeah Babe So begins this remarkable selection from a forty year correspondence between two artists who survived their time as wives in the Beat bohemia of the 1960s and went on to successful artistic careers of their own From their first meeting in 1960 writer Hettie Jones then married to LeRoi Jones Amiri Baraka and painter and sculptor Helene Dorn 1927-2004 wife of poet Ed Dorn found in each other more than friendship They were each other's confidant emotional support and unflagging partner through difficulties defeats and victories from surviving divorce and struggling as single mothers to finding artistic success in their own right Revealing the intimacy of lifelong friends these letters tell two stories from the shared point of view of women who refused to go along with society's expectations Jones frames her and Helene's story adding details and explanations while filling in gaps in the narrative As she writes we defied the norm for women then because to live it would have been a kind of death Apart from these two personal stories there are as well reports from the battlegrounds of women's rights and tenant's rights reflections on marriage and motherhood and contemplation of the past to which these two had remained irrevocably connected Prominent figures such as Allen Ginsberg and Timothy Leary appear as well making *Love, H* an important addition to literature on the Beats Above all this book is a record of the changing lives of women artists as the twentieth century became the twenty first and what it has meant for women considering such a life today It's worth a try Jones and Dorn show us offering their lives as proof that it can be done Real Love Homer M Sargent, 2016-01-11 This is a Romeo and Juliet West Side love story set in the South A story of forbidden love between black and white In the early 1970s the color of a person's skin was the first and most recognizable physical characteristic of an individual living in the Deep South and it was understood in the society that black and white did not mix How this young couple managed to survive the explosive racist

emotions of those violent days is a tale that must be told You cannot miss this Indeed these two young people never really expected to live to see this story to conclusion What is truly amazing is the single fact that they managed to survive The bullets missed their mark The knives went awry And the gangs could not discourage this warrior on a mission of love It is a critical examination of American life and society in Texas This is an inspiring tale This story chronicles the history of how two people in love came to be together and stay together against all odds The raw emotions of love are exposed as these two young people journeyed through triumphs and tragedies There was violent opposition at every turn It was a test of will and fortitude It is also a comedy that can only be appreciated now in this day and age It s a tale of overcoming the odds and winning Moreover we are the richer for it for now we have this amazing story This story is truly unbelievable and yet it happened
