Language Poetry of South Asians Mitali Pati Wong, Syed Khwaja Moinul Hassan, 2013-01-24 In this study ten independent critical essays and a coda explore the English language poetry of South Asians in terms of time place themes and poetic methodologies The transnational perspective taken establishes connections between colonial and postcolonial South Asian poetry in English as well as the poetry of the old and new diaspora and the Subcontinent The poetry analysis covers the relevance of historical allusions as well as underlying concerns of gender ethnicity and class Comparisons are offered between poets of different places and time periods yielding numerous sociopolitical paradigms that surface in the poetry

Feminism, Literature and Rape Narratives Sorcha Gunne, Zoe Brigley Thompson, 2012-08-06 The essays in this volume discuss narrative strategies employed by international writers when dealing with rape and sexual violence whether in fiction poetry memoir or drama In developing these new feminist readings of rape narratives the contributors aim to incorporate arguments about trauma and resistance in order to establish new dimensions of healing This book makes a vital contribution to the fields of literary studies and feminism since while other volumes have focused on retroactive portrayals of rape in literature to date none has focused entirely on the subversive work that is being done to retheorize sexual violence Split into four sections the volume considers sexual violence from a number of different angles Subverting the Story considers how the characters of the victim and rapist might be subverted in narratives of sexual violence In Metaphors for Resistance the essays explore how writers approach the subject of rape obliquely using metaphors to represent their suffering and pain The controversy of not speaking about sexual violence is the focus of The Protest of Silence while The Question of the Visual considers the problems of making sexual violence visible in the poetic image in film and on stage These four sections cover an impressive range of world writing which includes curriculum staples like Toni Morrison Sarah Kane Sandra Cisneros Yvonne Vera and Sharon Olds **The Oxford Companion to Modern Poetry in English** Jeremy Noel-Tod, Ian

Hamilton, 2013-05-23 This impressive volume provides over 1 700 biographical entries on poets writing in English from 1910 to the present day including T S Eliot Dylan Thomas and Carol Ann Duffy Authoritative and accessible it is a must have for

students of English and creative writing as well as for anyone with an interest in poetry

The Cambridge History of Black and Asian British Writing Susheila Nasta, Mark U. Stein, 2020-01-16 The Cambridge History of Black and Asian British Writing provides a comprehensive historical overview of the diverse literary traditions impacting on this field's evolution from the eighteenth century to the present. Drawing on the expertise of over forty international experts, this book gathers innovative scholarship to look forward to new readings and perspectives while also focusing on undervalued writers, texts, and research areas. Creating new pathways to engage with the naming of a field that has often been contested, readings of literary texts are interwoven throughout with key political, social, and material contexts. In making visible the diverse influences constituting past and contemporary British literary culture, this Cambridge History makes a unique contribution to British Commonwealth, postcolonial, transnational, diasporic, and global literary studies, serving both as one of the first major reference works to cover four centuries of black and Asian British literary history and as a compass for future scholarship.

The Changing World of Contemporary South Asian Poetry in English Mitali P. Wong, M. Yousuf Saeed, 2019-07-02 This collection uses a transnational approach to study contemporary English language poetry composed by poets of South Asian origin. The poetry contains themes, motifs, and critiques of social changes, and the contributors seek to encapsulate the continually changing environments that these contemporary poets write about. The contributors show that English language poetry in South Asia is hybridized with imagery and figurative language adapted from the vernacular languages of South Asia. The chapters examine women's issues, concerns of marginalized groups such as the Dalit community, and the people of Northeastern India, social changes in Sri Lanka, the changing society of Pakistan, and the formation of the identity in the several nation-states that resulted from the British colony of India.

The Broadview Anthology of British Literature Volume 6A: The Twentieth Century and Beyond: From 1900 to Mid-Century Joseph Black, Leonard Conolly, Kate Flint, Isobel Grundy, Don LePan, Roy Liuzza, Jerome J. The Language of Ruins Patricia A. Rosenmeyer, 2018-04-03 A colossal statue originally built to honor an ancient pharaoh still stands today in Egyptian Thebes with more than a hundred Greek and Latin inscriptions covering its lower surfaces Partially damaged by an earthquake and later re-identified as the Homeric hero Memnon it was believed to speak regularly at daybreak By the middle of the first century CE tourists flocked to the colossus of Memnon to hear the miraculous sound and left behind their marks of devotion proskynemata brief acknowledgments of having heard Memnon's cry longer lists by Roman administrators and more elaborate elegiac verses by both amateur and professional poets The inscribed names left behind reveal the presence of emperors and soldiers provincial governors and businessmen elite women and military wives and families with children While recent studies of imperial literature acknowledge the colossus few address the inscriptions themselves This book is the first critical assessment of all the inscriptions considered in their social cultural and historical context The Memnon colossus functioned as a powerful site of engagement with the Greek past and appealed to a broad segment of society The inscriptions shed light on contemporary attitudes toward sacred tourism the role of Egypt in the Greco-Roman imagination and the cultural legacy of Homeric epic Memnon is a ghost from the Homeric past anchored in the Egyptian present and visitors yearned for a close encounter that would connect them with that distant past The inscriptions thus idealize Greece by echoing archaic literature in their verses at the same time as they reflect their own historical horizon These and other subjects are expertly explored in the book including a fascinating chapter on the colossus's post-classical life when the statue finds new worshippers among Romantic artists and poets in nineteenth century Europe

Poltergeist Over Scotland Geoff Holder, 2013-01-14 In 1945 the celebrated psi researcher Harry Price published Poltergeist over England popularising the word poltergeist German for noisy ghost and making famous the kind of physical haunting characterised by thrown objects mysterious noises and damage by fire or water Now for the first time an astonishing array of historical Scottish poltergeist cases are gathered together from

the Middle Ages to the modern period unearthing many episodes that have remained neglected for centuries Some were no doubt hoaxes but in others multiple witnesses testified to disturbing events enacted over months Whatever the true cause of the events the historical evidence from Scotland suggests that poltergeist phenomena is undoubtedly real The Dragon's Lament Sebastian Hale,2025-04-11 In the heart of a world blanketed by eternal winter where snow laden trees whisper secrets of a time long past lies the mythical realm of Eldoria Here the ancient temples stand as solemn sentinels to a forgotten age their stone facades etched with the tales of gods and creatures that once danced through the skies But now the land is suffocated under the weight of a curse a curse that binds a once great bard Lyra to a fate intertwined with that of the last dragon The Dragon s Lament unfolds as a hauntingly beautiful tale of redemption as Lyra cursed to wander the frostbitten highlands discovers that her only hope lies in a song This song capable of awakening the mighty Arion the last of his kind holds the key to breaking the icy grip of despair that has ensnared her world Yet the path to salvation is fraught with danger as Lyra grapples with the echoes of her past mistakes mistakes that led to the dragon s sorrow and the land s unending chill Arion the majestic dragon is a creature of both rage and vulnerability his scales shimmering like the northern lights beneath the oppressive gloom Once a guardian of balance he now embodies the tempest of nature s wrath bound in grief for the world he once knew As Lyra seeks to soothe his tormented spirit with her melodic gifts she must confront the shadows of her own heart learning that redemption often requires confronting one s deepest fears Accompanied by Cael a stoic warrior with secrets of his own Lyra embarks on a perilous journey through the frostbitten wilderness where each step echoes with the weight of ancient prophecies and the lingering songs of the past Together they unravel the threads of betrayal and hope discovering that the balance of nature hangs by a fragile thread one that can only be mended through the power of music and the courage to face the truth As Lyra s voice rises against the howling winds The Dragon s Lament invites readers into a world where every note carries the possibility of rebirth and every heartbeat resonates with the pulse of a land yearning for warmth Will Lyra s song be enough to awaken the dragon and restore the harmony of Eldoria or will the winter consume them all In a realm where despair and hope intertwine the answer lies within the melody of the heart

Red Tide Marc Turner,2016-09-20 *Red Tide* the third volume in Marc Turner s *The Chronicles of the Exile* following *When the Heavens Fall* and *Dragon Hunters* The Augerans are coming And their ships are sailing in on a red tide The Rubyholt Isles are a shattered nation of pirate infested islands and treacherous waterways shielding the seaboard of Erin Elal and the Sabian League a region even dragons fear to trespass The Augerans beseech the Warlord of the Isles seeking passage for their invasion fleet through Rubyholt territory But they are sailing into troubled waters Their enemies have sent agents to sabotage the negotiations and to destroy the Augeran fleet by any means necessary The emperor of Erin Elal seeks to forge an alliance with the Storm Lords hoping to repulse the Augerans with a united front But the battle lines for the struggle are not as clearly drawn as it first appears for the Emira of the Storm Isles mistrusts the Erin Elalese as much as she

does their common enemy And the Augerans might just be planning a little sabotage of their own But nothing in the realm of mortals escapes the notice of their meddling gods every step they take is shadowed and every choice they make ensnared in a web so subtle and vast its true shape may be fathomed only when it is far far too late A new epic adventure in the fantastic world of When the Heavens Fall and Dragon Hunters **The Ladies' Repository** ,1871 **The Whispers of Fushimi**

Inari Kiara Lawson,2024-12-05 In the whispering shadows of Kyoto s ancient Fushimi Inari Shrine where a thousand vermilion gates wind through sacred bamboo forests two souls adrift find an unexpected harmony Maya Salgado a blind violinist experiences the world through a kaleidoscope of sound her fingertips dancing across the strings painting melodies on the canvas of silence Drawn to Kyoto s resonant echoes she seeks not sights but a cultural symphony she can feel vibrating through the very ground beneath her feet Takumi Sasaki a sound engineer haunted by his divided Korean Japanese heritage finds solace in the precise architecture of sound yet the weight of his family s crumbling tea house and fading traditions stifles his artistic yearning Their paths converge under the watchful gaze of Inari s fox messengers Maya s vibrant music infused with the fiery passion of her Mexican American roots captivates Takumi He becomes her eyes his voice painting the landscapes she cannot see the electric energy of Gion the vibrant hues of Nishiki Market the serene elegance of a centuries old tea ceremony He introduces her to the koto s whispers the shakuhachi s sighs the taiko drums primal heartbeat awakening a new dimension to her musical understanding Within the depths of Takumi s tea house they stumble upon a forgotten score a musical ghost story whispering of forbidden love and a melody lost to time As they resurrect its haunting notes they begin to heal the fractures within themselves Maya confronts the vulnerability intertwined with her blindness while Takumi grapples with honoring his family s legacy or pursuing his artistic passions Their burgeoning love a melody woven from shared vulnerabilities and artistic passion blossoms amidst ancient cedar trees and echoing temple bells But their newfound harmony is threatened Maya is offered a coveted solo performance at Carnegie Hall a dream intertwined with a secret fear of exposure Simultaneously Takumi s family delivers an ultimatum abandon his music to save the tea house or lose his inheritance and his connection to the past Caught between cultural expectations and personal sacrifices their love becomes entangled in a web of difficult choices Will Maya choose a dream that could shatter her carefully constructed world or the man who has shown her the true meaning of seeing Will Takumi sacrifice his artistic soul to preserve the fading echoes of his heritage or forge a new path with Maya A chance encounter with a biwa
