Intelligible and Responsible Talk about God Evans, 2023-09-20 **How Does God Talk to Us?** Frank Hofmann, 2021-12-17 How does God talk to us The image of the speaking God offers a profound insight into the nature of communication The idea of the God s Word runs like a red thread through the entire Bible Few theologians however have interpreted the concept Word of God as a linguistic phenomenon but Augustine Luther and Barth are among those who have What sets this study apart from others is its emphasis on the aspects of semiotics Augustine semantics Luther and pragmatics Barth Hofmann then places these three theologians in the context of the linguistic analytical philosophy of Ludwig Wittgenstein Ian Ramsey and John L Austin This work carries forward the dialogue between

theology and modern philosophy of language while at the same time opening up the Word of God for human reality It also touches on the fields of the doctrine of God and Christology attempting nothing less than a comprehensive language theory of the Word of God *When We Talk about God, Let's Be Honest* R. Kirby Godsey, 2006 This is a thought provoking book that deals with practical issues of the Christian faith It illuminates a number of misconceptions based on social customs or traditions regarding grace faith salvation judgment and other basics of the Christian religion *A Little Talk With God* Jackie Caldwell, 2020-07-08 A Little Talk with God is about taking some Psalms out of the Bible and applying them to your life You can pray certain Psalms at night to God and praise him I picked out some that could be applied to your life When you pray at night take some of these Psalms and use them for your daily life Praise the Lord for he is good I have had some experiences with God and I included them in this book Sing to God certain Psalms out of the Bible for any situation you are in and use this book at night when you pray and feel like praying for your enemies I even used some of these Psalms in my life and that s when I had experiences **How (Not) to Speak of God** Peter, Rollins, 2006-01-01 With sensitivity to the Christian tradition and a rich understanding of postmodern thought Peter Rollins argues that the movement known as the emerging church offers a singular unprecedented message of transformation that has the potential to revolutionize the theological and moral architecture of Western Christianity How not to Speak of God sets out to explore the theory and praxis of this contemporary expression of faith Rollins offers a clear exploration of this embryonic movement and provides key resources for those involved in communities that are conversant with and seeking to minister effectively to the needs of a postmodern world Here in pregnant bud is the rose the emerging new configuration of a Christianity that is neither Roman nor Protestant neither Eastern nor monastic but rather is the re formation of all of them Here in pregnant bud is third millennium Christendom Phyllis Tickle I am a raving fan of the book you are holding I loved reading it I have already begun widely recommending it Reading it did good for my mind and for my soul It helped me understand my own spiritual journey more clearly and it gave me a sense of context for the work I m involved in In fact I would say this is one of the two or three most rewarding books of theology I have read in ten years Brian McLaren from the Foreword *The Women of Warrior* Dr. H. Clint Davis, 2019-11-14 This is a story of violence sexual perversion and despair It is also a story of hope triumph and success from Behind and Beyond the Walls Your heart will break for Judy Strickland soar with the audacity of Vanessa and cry with Dallas However the life changing story of Maria Sanchez will restore your faith in the ultimate good that still resides in all mankind *HOW TO USE GOD'S LIFETIME WARRANTY IN YOUR MARRIAGE* Dr. Amos Adeniyi, 2014-08-28 The idea to write fictional letters to marital couples on how to use God s lifetime warranty on their marriages came into being in the process of a sermon preparation as a guest pastor for a local church in November 2011 I prayed about which message to deliver for many days About two days before Sunday I had a dream that a young lady participated during my sermon After the sermon her family greeted me well and said I made her speak in public for the first time and I gave her the

encouragement that she needs for the rest of her life Then I woke up On the actual Sunday service during the sermon I asked the congregation how many of them had a dog or a cat A young lady a 17 year old said she had a cat I asked if she ever took her cat for a walk she said no I asked why not She replied Nobody does Then I said people take their dogs for walks but this does not mean that dogs are more important or better than cats Cats have their own usefulness God who created us knows that we are not the same and that we cannot function in the same way One should not be boasting that s he is better than the other After the service the grandfather of the cat owner who spoke during my sermon and her aunt came to me and thanked me for the opportunity given to the young lady to talk for the first time in public which would enable her to express herself publicly When I was praying at home after the sermon I had the feeling that God wanted me to tell people to try out what seems to be unusual for them It has been my concern for many years that many couples don t take their wedding vows seriously It is affecting children a great deal many children have two or three stepparents Those children without stepparents seem to be the odd ones among their peers In Canada about 50% of first marriages may likely end up in divorce One may presume that the rate of divorce in second marriages would be lower but instead it is higher at 72% while third marriages have the highest divorce rate of 85% Comparative Annual Divorce Rate in Canada Similarly in America the first marriage divorce rate ranges from 41 50% second marriage divorce rate is between 60 67% and third marriage is between 73 74% Information on Divorce Rate and Statistics This book is fictional The stories are not real stories They are about my past experiences with heterosexual couples in my counseling or pastoral care I do not have a particular person or couple in mind No names in the book are real names If anybody s name or any couples have the same names as used in the book I would like them to know that I am not telling their particular story or using them as an example The Holy Spirit inspired the writers of the bible stories instructions messages and the same Holy Spirit is still talking to us today I believe I was inspired to write the book I will encourage anyone or couple whose story or stories are similar to what s in the book not to be too critical but to take it the book as a means through which God is speaking to them to change No marriage is too bad that God cannot change for better Don t fold your arms and accept your troubled marriage as a done deal I will advise the readers to call upon the author of marriage God through Jesus Christ to fix their marriages He is able Since the idea of letter writing is becoming obsolete one may be wondering why letters to marital couples and not email text or any other modern means of communication Letter writing is an old form of communication which is to inform correct and educate In the New Testament there are many letters written by Paul the apostle and others to individuals and churches to deal with issues circumstances and problems faced by the recipients We never read about their responses or their initial letters to the Apostles Similarly only letters written to the couples are featured in this book Most of the Letters in this book are long term correspondence with the imaginary couples The objectives of the letters are to 1 Encourage couples not to give up on their dream of having a successful marriage and to continue fighting until the victory is won 2 Enable the counsellors pastors to keep their

counselees hope alive as long as they are still interested in counselling 3 Help families and friends to keep on supporting the couples in crises Note that some of the letters end with prayer while some didn't The idea is we don't have to impose prayer on people Praying with people is as important as praying for people in absentia We need permission to pray with people but we don't need permission to pray for people while they are not there In both my pastoral and counselling ministries the most prevalent issues are marriage and family matters This book thus serves as a handbook to help couples in crises or prevent couples from getting into a marital mess It can be used in marriage enrichment groups or as a counsellor Pastor's handbook The group Leaders Counsellors or Pastors should not use the book as a weapon of judgment against anyone but as a means of correction and education The book is calling people who just want a family and not a marriage Many couples lose love in their marriages Love is the greatest gift God gives to people but many people do not accept it They choose anger instead of peace or love from God The book is calling the readers who are making wrong decisions for wrong reasons We should not let bitterness anger frustration alcohol drugs etc ruin our marital relationships The principles of marital solutions in the book focus on God May God bless you as you read the it Shalom *The INTRAfaiTh Conversation: How Do Christians Talk Among Ourselves About INTERfaith Matters?* Susan Strouse,2016-03-18

This crisp and cogent book by the Rev Dr Strouse is published at a time when both interfaith and intrafaith dialogue are critical to the vitality of spiritual life in our nation As a parish pastor in a small struggling congregation I have become increasingly aware of the insularity and isolation of many of our parishioners This seems less the result of inadequate parish education as it is the byproduct of too many people getting their information from biased TV networks so called social media or word of mouth We parish pastors need to examine our internal intra congregational conversations about diverse faith traditions and how they bear on congregational mission I was particularly impressed by the author's use of footnotes and her extensive bibliography The book is a walking talking workshop in print with its detailed reflection discussion questions and suggestions for further reading Thank you Pastor Strouse for such a comprehensive presentation of how to approach constructively this timely and important conversation

Review by Richard G Eddy **Talking about God** Stephen Saccone,Cheri Saccone,2018-01-02 And if someone asks about your hope as a believer always be ready to explain it But do this in a gentle and respectful way 1 Peter 3 15 16 NLT Talking About God demonstrates that spiritual conversations have the potential to profoundly impact someone's faith journey when we simply engage people with honesty and respect For people who are intimidated or fatigued by the idea of talking about matters of faith Talking about God offers story after gripping story about conversations that avoid offering platitudes and unnecessary divisiveness and instead draw people organically and relationally toward the Good News of Jesus Christ Discover refreshing portraits of natural authentic God directed dialogues that protect the dignity of the people we love and lead them into life changing conversations *Chemical Dependency Counseling* Robert R. How to Believe Jon Spayde, 2008-02-12 After seeing Christianity become increasingly defined in the media as a narrow and punitive political movement Spayde began to wonder Are religions now just combatants in the culture wars Should he leave the organized church How are ordinary people using faith positively to search for the truth and improve their lives Spayde takes a journey across America that introduces him to an array of believers eminent and obscure who relate their personal stories of active and living faith how they balance Jesus's love and judgment the church's dictates and their own free will to live and love completely while on Earth Here are veteran religious leaders such as John Shelby Spong a retired Episcopal bishop who advocates a radical reform of Christian teaching that would eliminate talk of miracles and stress social justice and Kosuke Koyana an important Protestant voice in Asia whose firsthand knowledge of World War II horrors made him see Christ's teachings as neither liberal nor conservative but simply care for the widow and the orphan Spayde meets those committed to unorthodox beliefs such as Joyce Rupp a Catholic sister dedicated to the concept of the feminine as divine as well as those who have for the sake of their faith drastically altered their lives including Cynthia Williams who left a high powered job in finance to work for a struggling inner city church in Minneapolis and Thien an Dang a Vietnamese refugee who became a top Radio Shack executive only to quit and work for a Texas ministry deeply connected to Vietnam We're also introduced to Mary Forsythe a self-described train wreck for Jesus who found the roots of her work as an evangelical preacher while serving time in prison and hospice chaplain Anna Bradshaw who was transformed by the aliveness of people near death and personally touched Spayde's life while tending to his dying mother Spayde's odyssey brought him to a new understanding of why action is more important than the intellect in faith how true solace is found in forging a personal relationship with God and why worrying about one's own worthiness is always beside the point This is a crucial book that reveals the different paths that can lead to the same inspiring place a book that

teaches how to believe in ways that honor individuality allow for personal journeys and spiritually enrich not just our own lives but the lives of those around us Advance praise for How to Believe Jon Spayde has assembled a wonderfully vivid portrait gallery of Christian faith in our times It s a wild ride this mystery tour across the deep divides of contemporary religion into the lives of believers and seekers These are not arguments against atheism or in favor of belief but compelling voices of struggle and astonishment gathered by a writer of integrity on his own ardent search Patricia Hampl author of The Florist s Daughter Jon Spayde is a convivial and wise spiritual scout who guides us in the direction of a robust Christianity that is deeply grounded in love Along the way we meet remarkable figures from diverse religious traditions who inspire with their intelligence insight and faith This is the perfect book for all of us who yearn for a greater connection with the divine but still feel a little nervous walking through the church doors Jay Walljasper senior editor Ode magazine and former editorial director of Utne Reader **Northfield Echoes** Delavan Leonard Pierson,1894 **The Gagging of God** D.
