Farm Boy To Fly Boy Col[Ret] G. Brennand,2018-01-15 From his childhood growing up in Depression era rural Manitoba to his rise through the ranks to become a colonel in the Royal Canadian Air Force RCAF Col Gordon Brennand s memoir *Farm Boy to Flyboy* is as much a history of the RCAF in the twentieth century as it is an account of his own life Born a bit too late to participate in WWII Gordon was inspired by Canada s involvement in the Korean War to pursue a life in the military After a failed start in the Navy he enlisted with the Air Force with faint hopes of perhaps becoming a fighter pilot Not only did he succeed he logged four thousand hours on various jet aircraft types including over 1100 hours on the F 86 Sabre which was the state of the art fighter jet throughout most his thirty four year career not to mention hundreds of hours on various other types of aircraft He experienced several close calls during that time including one incident when he had to eject and another when he had to force land due to engine failure He went on to command two bases and has spent time living in most Canadian provinces as well as Germany where he served for three years during the Cold War Fascinating and insightful this book will appeal to those who are fascinated by the military and flying as well as those who are simply seeking a first person account of what life was really like for the men and women who served in the RCAF throughout one of the most pivotal periods of twentieth century history
