## **How Majestic Is Thy Name:**

*How Majestic Is Your Name* Walter Leslie McConnell, 2021-12-07 Christians give a broad spectrum of answers to the question What is worship These include ascribing worth to God performing certain activities during worship services singing a particular style of song responding to God with our whole being and more That Christians have such a splintered understanding of something as important as worship is far from satisfactory How Majestic is Your Name aims to broaden our understanding of worship by engaging the subject biblically and theologically as developed in both Testaments of Scripture As we learn more of God s design our daily weekly and seasonal practices of private and public worship will be renewed Foundations are laid by identifying the Old and New Testament words for worship and demonstrating their importance The object of worship is brought into focus as we encounter the God who is experienced as Father Son and Holy Spirit The object identified we consider the people who worship within space and time by engaging in a variety of activities Not content with simply recounting biblical evidence about the worship of Israel and the early church the book challenges modern worshippers to allow this biblical theological study to guide their thinking and shape their practice

**Encountering the Great I Am** Judy Jacobson, 2018-07-05 Did you know that God has a divine name He told

Moses This is my name forever and thus I am to be remembered throughout all generations So what happened Why do most people only know God by his titles of God Father and Lord instead of by his true name What happened to the command that God was to be remembered by his name for all generations What you will realize is that the Israelites referred to God by his true name from the time God his name to Moses until the silent years the time between the Old Testament and New Testament Discover the mystery of why God s name went missing along with the Ark of the Covenant Sacred Fire Shekinah Glory Spirit of Prophecy and the Urim and Thummim What did these elements all have in common What you will find out is they were all communication tools that God used to speak to his people He took them away hoping his children would long to hear his voice so that when his Son Jesus came into the world they would be ready to finally listen Take a journey with me through the history of God s divine name and discover how God has communicated with his children throughout the ages and how he continues to speak to us today What you will discover is that with God s name comes EVERYTHING

guidance concerning the nature of the epistle Bear with my word of exhortation for I have written to you briefly The suggestion is that the background may be a sermon given on a certain occasion and then later adapted into letter form with the addition of personal comments at the end But what of its readers It is thought that the first readers were Hebrews and the camp of 13 13 ancient Judaism They were Jews attracted to the Christian community and who had identified with it But Christianity had none of the ritual trappings they had known no altar no priests no sacrifices They were meeting ridicule opposition imprisonment and being disowned and disinherited by their families 10 32 Some had coped well with this adversity but others were looking back to the temple from where they had come 10 32 39 Was not Judaism God ordained The author of Hebrews seeks to set before them the better things which have become theirs a better priesthood better sanctuary better sacrifice better covenant true access to the very presence of the Most High 10 19 21 Also the greater things that is Christ greater than angels Moses Joshua and Aaron The Proceedings Papers in this Journal will touch upon some of the aspects of the situation outlined above The significance of the opening verses of Hebrews for the whole epistle is outlined in the opening paper Other papers focus on the themes endurance pilgrimage echoes in interpretation a comparison of the epistle with Philo the significance of the time of reformation for worship in Hebrews a semiotic approach regarding Psalm 2 and the profile of the Son the concept of repentance and critique of the perspectives of George Milligan regarding the importance of the epistle Emanuel University continues to be a strong witness as a conservative university in all of Europe It should be understood that the sources highlighted and the views presented in these papers remain those of the contributors themselves Hamilton Moore Editor [Psalms Volume 1](#) Gerald H.
