## **How On Earth Did Jesus Become A God:**

**How on Earth Did Jesus Become a God?** Larry W. Hurtado, 2005-11-02 In *How on Earth Did Jesus Become a God* Larry Hurtado investigates the intense devotion to Jesus that emerged with surprising speed after his death. Reverence for Jesus among early Christians notes Hurtado included both grand claims about Jesus' significance and a pattern of devotional practices that effectively treated him as divine. This book argues that whatever one makes of such devotion to Jesus, the subject deserves serious historical consideration. Mapping out the lively current debate about Jesus, Hurtado explains the evidence, issues, and positions at stake. He goes on to treat the opposition to and severe costs of worshiping Jesus, the history of incorporating such devotion into Jewish monotheism, and the role of religious experience in Christianity's development out of Judaism. The follow-up to Hurtado's award-winning *Lord Jesus Christ* (2003), this book provides compelling answers to queries about the development of the church's belief in the divinity of Jesus. *Paul and the Trinity* Wesley Hill, 2015-03-27 Paul's ways of speaking about God, Jesus, and the Spirit are intricately intertwined; talking about any one of the three for Paul implies reference to all of them together. However, much current Pauline scholarship discusses Paul's God, Christ, and Spirit language without reference to trinitarian theology. In contrast to that trend, Wesley Hill argues in this book that later post-Pauline trinitarian theologies represent a better approach, opening a fresh angle on Paul's earlier talk about God the Father, Jesus Christ, and the Spirit. Hill looks critically at certain well-known discussions in the field of New Testament studies, those by N.T. Wright, Richard Bauckham, Larry Hurtado, and others, in light of patristic and contemporary trinitarian theologies, resulting in an innovative approach to an old set of questions. Adeptly integrating biblical exegesis and historical systematic theology, Hill's *Paul and the Trinity* shows how trinitarian theologies illumine interpretive difficulties in a way that more recent theological concepts have failed to do. [Understanding Jesus](#) Peter S. Williams, 2014-08-08 Examines the Gospel accounts of Jesus' life, the claims of Jesus' life and ministry. Peter S. Williams brings a philosopher's Jesus and argues that understanding the spirituality of Jesus is the path to our own spiritual enlightenment. Williams takes issue with new atheist discussions of faith and historical Jesus studies before guiding Christian understanding of Jesus. *T&T Clark Handbook of Christology* Darren Sumner, Chris Tilling, 2025-06-26 This comprehensive work collects more than 30 essays from leading biblical scholars and systematic theologians to explore the person and work of Jesus Christ in a generously interdisciplinary manner. From research foundations and method to the doctrine of the incarnation, from the Trinity to the resurrection and from Christ's temptations to his high priestly prayer, these essays seek to engage constructively with Scripture, the history of Christian teaching, and modern proposals and debates. Together, this international group of scholars engages such topics as Christ's preexistence, his constitution as the God-human, his temptations, and will, the hypostatic union, the prayer of John 17, the struggle in Gethsemane, kenosis, the two states and threefold office of Christ, Christology, impassibility, and the cross, resurrection, and the diversity of the New Testament witnesses to him. This is an indispensable volume for the study of Jesus.

Christ in the subject's biblical historical and doctrinal contours      *Retrieving Apologetics* Glenn B. Siniscalchi, 2016-01-07 Given the pope's recent statements of their desires to implement the New Evangelization it is imperative that Catholic theologians and other intellectually engaged laypersons retrieve the vital discipline of apologetics For the New Evangelization places particular emphasis on repropounding the Gospel to those who have experienced a crisis of faith due to secularization One salient method of Catholic apologetics used to be characterized by three demonstrations each of which assumes the conclusions established in the previous step's Some might think that this classical method of apologetics has been abandoned in the postconciliar Church but Siniscalchi's book updates it Unlike the classical apologetics of the preconciliar era Siniscalchi engages contemporary scholarship in a variety of academic disciplines such as philosophy history biblical studies sociology and theology to develop the steps that are necessary for showing the reasonableness of faith

For Such a Time as This Kenneth L. Vaux, 2013-07-31 This third volume of Ken Vaux's memoirs covers the calendar year of 2012 which focused on 1 teaching in the Evanston church as this body struggled to be both evangelical in theology and oriented to social justice in the community We searched together for having what it takes to be a University Church preaching and teaching a credible and relevant message and living out a vital witness seeking honest responses to issues in church and state such as homosexuality embodying concern for the poor and lively ministry in the neighborhoods of the parish 2 That community was confronted with belief crisis and ethical challenge during the year with eight gun killings of young people The churches now had to move beyond the prevalent complacency confront the racism and disregard for the poor disband the apartheid of the village that existed even in black and white Ministeria and get real with what an interfaith community had to do to leaven and heal its own backyard 3 For Such a Time as This also deals with global and national political issues such as an unwinding war in Iraq and Afghanistan and a new one arising in Syria biblical theology being put to the test and the provocative election of 2012 as the theological imagination was stirred by candidates Obama and Romney

**The Reconstruction of Resurrection Belief** Peter Carnley, 2020-01-01 While its companion volume *The Resurrection in Retrospect* addresses the inadequacies of an approach to the Resurrection of Christ purely as an event of past historical time *The Reconstruction of Resurrection Belief* articulates an alternative understanding of Resurrection faith as essentially a response of trust based upon a knowledge by acquaintance with the living presence of Christ today In the hope that it may have some traction in an increasingly secular world of contemporary scientific realism Carnley demonstrates an understanding of the nature of Resurrection faith in the language of today with as much logical coherence as possible and explains how the claim that the animating Spirit of the Christian community that Saint Paul spoke of as the Spirit of life in Christ Jesus Rom 8:2 may be justifiably identified in faith today as the living presence of Jesus of Nazareth      **Sibyls, Scriptures, and Scrolls** Joel Baden, Hindy Najman, Eibert J.C. Tigchelaar, 2016-10-11 This volume a tribute to John J Collins by his friends colleagues and students includes essays on the wide range of interests that have occupied John Collins's

distinguished career Topics range from the ancient Near East and the Hebrew Bible to the Dead Sea Scrolls and Second Temple Judaism and beyond into early Christianity and rabbinic Judaism The contributions deal with issues of text and interpretation history and historiography philology and archaeology and more The breadth of the volume is matched only by the breadth of John Collins's own work

**The Glory of God in the Face of Jesus Christ** David K. Bernard, 2019-05-21

There is now a substantial scholarly consensus for the emergence of a high or divine Christology very early and from a Jewish context but the questions of how and why need further study Within the framework of traditional Jewish monotheism Paul and other early Christians used the language of deity to describe Jesus To investigate their view of Jesus the author examines Paul's discourse in 2 Cor 3 16 4 6 employing insights from rhetorical criticism and Oneness Pentecostal Christology He explains how early Christians proclaimed the deity of Jesus within their monotheistic Jewish context He then identifies socio rhetorical reasons for and practical consequences of the monotheistic deification of Jesus

**Portraits of Jesus in the Gospel of John** Craig Koester, 2018-10-18

John's Gospel is best known for its presentation of Jesus as the Word of God made flesh But as the narrative unfolds readers discover that the identity of Jesus is surprisingly complex He is depicted as a teacher a healer a prophet and Messiah He is Jewish and Galilean a human being who is Son of Man and Son of God Portraits of Jesus in the Gospel of John considers each of these roles in detail showing how each makes a distinctive contribution to the Gospel's rich mosaic of images for Jesus John's multifaceted portrait of Jesus draws on a broad spectrum of early Christian traditions and the contributors to this collection of essays explore the ways in which these traditions are both preserved and transformed in the Fourth Gospel The writers draw us more deeply into the questions of the way in which traditions about Jesus developed in the early church and how the Gospel of John might contribute to our understanding of that dynamic process

*How the Spirit Became God* Kyle R. Hughes, 2020-04-16

In *How the Spirit Became God* Kyle Hughes tells the often neglected story of how and why the early church came to recognize that the Holy Spirit was a distinct divine person While the subject of Christ's divinity is a popular topic in church and academy alike the notion of the Spirit's divinity remains a mysterious yet intriguing question for many Christians today Focusing on major pneumatological innovations from Pentecost through the Council of

Constantinople in 381 Hughes examines how biblical interpretation and the lived experience of the Spirit contributed to the development of this important and yet often overlooked aspect of trinitarian theology This important contribution not only explains from a historical yet accessible perspective the development of early Christian pneumatology but also challenges readers to apply these insights from the church fathers to engaging with the person of the Holy Spirit today **Matthaeus Adversus Christianos** Christoph Ochs,2013 In this book Christoph Ochs presents for the first time an extensive study of the use of the Gospel of Matthew in Jewish polemics These often overlooked texts advance numerous exegetical arguments against Jesus divinity the incarnation and the Trinity Seven Jewish polemical key texts comprise the main sources for this inquiry Qissat Mujadilat al Usqf c 8 9th century and Sefer Nestor ha Komer before 1170 Sefer Milhamot ha Shem c 1170 Sefer Yosef ha Meqanne c 13th century Nizzahon Vetus 13 14th century Even Bohan late 14th century Kelimmat ha Goyim c 1397 and Hizzuq Emunah c 1594 Together with the relevant passages in the original Hebrew and in translation each text is presented with a historical and exegetical introduction Contemporary parallels are also discussed but in less detail The result is a compendium of arguments against the divinity of Jesus based on the Jewish interpretation of Matthew **A Nonviolent Theology of Love** Sharon L. Baker Putt,2021-02-02 The impetus behind the ease with which the church has periodically justified violent behavior lies in its conceptual image of God as a violent deity This book emerges out of a passion to think differently albeit biblically about the character of God and articulates a theological construction of a nonviolent God an alternative to any image of God that seems to condone human violence It calls the church to rethink theology as something other than what might be termed redemptive violence and encourages Christians to reinterpret Scripture and traditional theological beliefs in ways that are more faithful to the God disclosed in Jesus of Nazareth Students of theology need a fresh glimpse of the love mercy and redemptive power of God through Jesus As it follows the structure of the Apostles Creed through the various theological topics this book reminds Christians to share in God s desires for peace and love and to recommit themselves to the call of God to be ministers of reconciliation and lovers of both neighbors and enemies even while at times responding to violence with nonviolent resistance Simon of Samaria and the Simonians M. David Litwa,2024-03-07 Who were the Simonians Beginning in the mid second century CE heresiologists depicted them as licentious followers of the first gnostic a supposedly Samaritan self deifier called Simon who was thought to practice magic and became known as the father of all heresies Litwa examines the Simonians in their own literature and in the literature used to refute and describe them He begins with Simonian primary sources namely The Declaration of Great Power embedded in the anonymous Refutation of All Heresies and The Concept of Our Great Power Nag Hammadi codex VI 4 Litwa argues that both are early second century products of Simonian authors writing in Alexandria or Egypt Litwa then moves on to examine the heresiological sources related to the Simonians Justin the book of Acts Irenaeus the author of the Refutation of All Heresies Pseudo Tertullian Epiphanius and Filaster He shows how closely connected Justin s report is to the portrait of

Simon in Acts and offers an extensive exegesis and analysis of Simonian theology and practice based on the reports of Irenaeus and the Refutator Finally Litwa examines Simonianism in novelistic sources namely the Acts of Peter and the Pseudo Clementines By the time these sources were written Simon had become the father of all heresies Accordingly virtually any heresy could be attributed to Simon As a result despite their alluring portraits of Simon these sources are mostly unusable for the historical study of the Simonian Christian movement Litwa concludes with a historical profile of the Simonian movement in the second and third centuries The book features appendices which contain Litwa s own translations of primary Simonian texts      *Exalting Jesus in 1 & 2 Samuel* Heath A.
