**Grandfather's Journal** C.W. Hanes, 2020-06-26 This is a story I was told when I was fourteen or fifteen years old and it is based on a true story about a cave at the top of a mountain along the Red River Three men went into a cave that overlooked Red River around 1923 or 1927 You could see the river from the cave but you couldn't see the cave from the river As they were searching through the

cave they found a pit with a log lying across it about two feet across with a hair rope tied around it descending down down into the pit They said it looked like horsehair They lowered one of the men into the pit to approximately thirty or forty feet where he landed on a rock ledge He walked around the ledge shining his carbide light and noticed the pit descended another 100 feet or so Circumferencing the ledge area he noticed another opening He yelled out to the two men at the top of the pit to let them know he found another cave entrance As he shined his light into the opening of the cave he became excited he saw Spanish helmets breastplates muskets bows and arrows There were also spears trunks with clothing gold and silver His heart began to race as he stood at the edge of the entrance He looked down and noticed a mask mostly covered with dirt on the cave floor in the opening He bent over picked it up and brushed the dust off the mask When he did the mask began to glow and voices filled the air around him The voices were deafening and the mask glowed as if it were on fire He threw the mask down to the cave floor and started screaming pull me up please get me out of here pull me up They said when his feet hit the cave floor he ran out of the cave never stopping until he had gotten back to the car He had covered five miles to get back to the car crossing over mountains and dry creek beds They couldn't catch him An hour later when they got back to the car he was lying on the back floorboard covered with a blanket When they finally coaxed him out of the car he told them everything that he experienced He said I'll never go into that cave again as long as I live

The Grandpa's Manual David Sutton, D-Min, I. Blake McKinley, DDS, 2022-01-31 Being a Grandpa does not come with a book of instructions Every Grandpa is as unique as a fingerprint and each relationship with his grandkids usually molds itself into a customized experience of mutual advice wisdom and suggestions Sometimes you just get crazy with each other The Grandpa's Manual is not a how to book It is a collection of stories encouraging men to become whatever kind of Grandpa they desire to be It is written so the reader can pause put it down and say Hmm I never thought of that Building a relationship with your grandkids is important business So when grandkids look to Grandpa for advice and wisdom they can see that Grandpas have grandkid challenges in the relationship too Take for instance when your grandkid suffers a breakup with his first true love and concludes he cannot share his broken heart with Mom Dad or his little sister Mom is a girl Dad sometimes does not take it really seriously And little sister may know his true love and nothing will ever be sacred again Who may be the one who will listen not judge and help soothe that broken spirit It may be Grandpa Grandpa has probably been in the same situation and knows how to stitch up the wound Grandpa have you ever raced your grandkid in a go kart Or have you run a zip line lately What would you say if your grandkid asked you what it would be like to die Do dogs go to heaven What is prayer and who is God Have you ever tried to bake bread with your grandkid when neither one of you knows how to bake bread How do you handle life when Grandma dies Where is the boundary line with Mom and Dad when it

comes to giving opinions and advice The Grandpa s Manual walks with you as you seek answers to these and many other questions It is an exciting book that will move you in the direction of establishing the greatest role on earth being a Grandpa
