How to be an Effective Coach Joe Taylor, 1975 **How to be an Effective Coach** Coaching Association of Canada, Joe Taylor, 1975 *Guide to Effective Coaching* Billie Jo Jones, Janet L. Wells, Dewayne Johnson, 1988 **What Great Coaches Do Differently** Rob Haworth, Todd Whitaker, 2014-01-09 This book describes the beliefs behaviors and attitudes of great athletic coaches Where do they focus their attention How do they spend their time and energy And how can others gain the same advantages Here Rob Haworth and Todd Whitaker describe the qualities of champion athletes coaches and parents Applying and extending the concepts presented in Whitaker's What Great Teachers Do Differently and What Great Principals Do Differently this book demonstrates how effective coaching calls for people skills that the best coaches practice every day Perfect for the coaches of your favorite school sports teams Plenty of real sports examples The authors present a positive approach to understanding what great coaches do differently Gene Shelkett Principal Eisenhower High School Lawton OK

How Coaching Works Joseph O'Connor, Andrea Lages, 2009-01-01 Coaching is very big business Over the last decade it has become one of the most popular approaches to personal and business development Coaching books tend to focus on just one method and just one of five main areas Executive coaching for senior business people Business coaching for companies to improve results Life coaching for people who want a better sense of fulfilment and wellbeing Sports coaching for individual athletes Team coaching for teams in sport or business Pragmatic and informative How Coaching Works is the first to explain the key concepts that underpin all of these different areas It also explores how different ideas have blended to give rise to what we know as coaching today and singles out what works The authors are two of the world's leading experts in this field In How Coaching Works they have created a must have book for practising coaches students and anyone interested in the subject **The Art Of Effective Coaching** Sonu Chacko, 2018-03-14 A winning team is what it takes to build great organisations but do we know what it takes to build a winning team Sonu Chacko in his recent work The Art of Effective Coaching explains the 5Ps of Coaching that can help us leaders and managers transform individuals approach attitude and actions to build a formidable force Along the way he introduces us to a completely new concept and unconventional approach to coaching *Manager's Guide to Effective Coaching, Second Edition* Marshall Cook, Laura Poole, 2011-09-02 Boost productivity by making the switch from boss to COACH Effective managers know their job is to help employees succeed not to give them orders They create relationships that build collaboration and meaningful performance improvement These managers know that when they facilitate the success of their team members they facilitate their own success Effective Coaching teaches you practices you can use immediately to engender employee commitment and help employees gain the skills necessary to sustain and grow any type of organization You'll learn The attributes of a successful coach How to set up an effective coaching session How to use coaching to correct unproductive behavior How to use coaching to be a better trainer Briefcase Books written specifically for today's busy manager feature eye catching icons checklists and sidebars to

guide managers step by step through everyday workplace situations Look for these innovative design features to help you navigate through each page Clear definitions of key terms and concepts Tactics and strategies for coaching employees Tricks of the trade for executing effective coaching techniques Practical advice for minimizing the possibility of error Warning signs for when things are about to go wrong Examples of successful workplace coaching Specific planning procedures tactics and hands on techniques *Effective Coaching* Myles Downey,2003 **The five principles of effective coaching** Monique Schouten,2015-08-24 The five principles of effective coaching Coaching and Mentoring at Work: Developing Effective Practice Mary Connor,Julia Pokora,2017-07-16 The third edition of this popular practical and authoritative book has been revised and updated with two new chapters It is aimed at coaches mentors and clients and features Nine key principles of effective coaching and mentoring showing how to apply them Discussion of differences between coaching and mentoring across different contexts and sectors Ideas about how to be an effective coach or mentor and how to be an effective client Self development checklists and prompts and a wealth of interactive case material New chapter on useful approaches and models The Skilled Helper model and how to apply it to coaching and mentoring A range of tried and tested tools and techniques Ethical issues reflective practice and supervision New chapter in which coaches and mentors share experiences from Business Health Education the Public Sector So many people think that mentoring is simple you just pass on what you know from the pinnacle of your wisdom and experience In fact when well done it is the art that conceals art Similarly there is an art in making what is not simple sound accessible and do able which is exactly what this book does It breaks the news very gently and very clearly that successful mentoring and coaching is nothing like as easy as it looks either to be a good mentor or to be a good mentee Throughout the book the message is clear being a coach or mentor is very different from the expert helper role familiar to most managers a lot more difficult and a lot more effective and here is how to do it Jenny Rogers Executive Coach and author of *Coaching Skills The Definitive Guide to Being a Coach* Fourth Edition Open University Press 2016 UK The third edition of *Coaching Mentoring at Work* has been revised and updated There are two new chapters Coaching Mentoring Approaches and Models and Glimpses of Coaches and Mentors at Work Readers of the previous editions have valued the focus on effective and ethical practice as well as the clear links between principles approaches skills tools techniques and interactive case examples This latest edition continues to be an excellent resource for coaching and mentoring purchasers providers and students Gerard Egan Professor Emeritus Loyola University Chicago USA It is great to see this new updated edition of Mary Connor and Julia Pokora s book which shows how much is developing and changing in this fast moving field Peter Hawkins Professor of Leadership Henley Business School Chairman of Renewal Associates author of many books including *Creating a Coaching Culture* Open University Press 2012 and *Leadership Team Coaching* 2014 UK This new edition from Connor and Pokora has some new and interesting additions In the ten years since the first edition much has happened in the coaching and mentoring world The highlighting of ethical issues in Part 1 of the book recognises

that the coaching and mentoring worlds have become much more aware of ethical concerns The addition of insights into the variety of models for coaching and mentoring and the practical nature of Part 2 of the book is welcome and the shift of focus in Part 3 to Coach and Mentor Development reflects contemporary debate Written in a practical and accessible style this book is a must for those working with coaching and mentoring Professor Bob Garvey Managing Partner The Lio Partnership UK When this book was first published in 2007 it immediately became an invaluable reference and source of guidance for the part of my work involved with the development mentoring of engineers and engineering project management professionals The restructured content and additional material provided by the third edition **Coaching In A Week** Matt

Somers,2012-03-30 Coaching just got easier In recent years the idea of coaching and the role of coach have made the journey from the sports field via Human Resources to become part of everyday managerial life The terms coach and coaching have become common even trendy but both are widely misunderstood If you ask anyone to define the word coach you will get a wide variety of responses By using coaching we can tap into the huge reserves of talent and potential that lie dormant in most people As managers we can develop people without having to rely on passing on our own skills and knowledge which may already be out of date Using our skills in coaching we can help our people access their ability without needing more than a basic grasp of the technicalities of their role This book aims to give you enough knowledge and appreciation of coaching that you can begin to develop your own approach Each of the seven chapters in Coaching In A Week covers a different aspect of coaching Sunday What is coaching Monday The manager as coach Tuesday The key principles of coaching Wednesday The coaching ARROW part 1 Thursday The coaching ARROW part 2 Friday Coaching in context Saturday Coaching in organizations Effective Coaching Marshall Cook,1998-10-01 Research proves that employees will work harder and

produce more when they feel appreciated valued and understood Easier said than done Effective Coaching explains how you can Apply good coaching methods in the workplace Quickly establish the discipline you need in a cooperative non threatening atmosphere Instinctively use effective problem solving strategies in every situation You know your company needs its employees Make sure they know that Management strategies and techniques presented in Effective Coaching will help you dramatically improve employee performance and maximize the measurable value received from each employee
