

Korea In The Cross Currents

Peter C. Phan

Korea In The Cross Currents:

Korea in the Cross Currents R. Myers, 2001-05-03 The Korean peninsula underwent a continuous number of earth shaking events in the twentieth century although it is generally out of the earthquake zone Jutting off the extreme northeast edge of the Eurasian landmass and with a combined population of nearly seventy million people North and South Korea are situated among China Japan and Russia They are also profoundly influenced by the United States because of the circumstances of the Korean War 1950 1953 The issues of war and peace left over from the Korean war remain unresolved these two separate states are the residue of the Cold War This anomaly still poses ominous prospects for war or peace in Asia and American national security interests Focusing on the last hundred years of Korea's long history and its particular relationship with China one is in a position both to understand and marvel at the events of this century on the Korean peninsula At the same time the complexity of the division of the country into North and South Korea not just a perennial struggle between good and evil although that is certainly part of the story places the future at risk There was one terrible war that divided the 20th century in half and there are threats of more trouble to come This study of the history of the past century will provide some answers and open the way to informed speculations

Cross Currents Gi-Wook Shin, Daniel C. Snider, 2007 Northeast Asia stands at a turning point in its history The key economies of China Japan and South Korea are growing increasingly interdependent and the movement toward regionalism is gaining momentum Yet interdependency often set in a global context also spurs nationalism in all three countries and elsewhere in East Asia Northeast Asia today feels the presence of all three complex forces national regional and global connecting competing and colliding in myriad ways The authors of this book assess current interactions of national and regional forces in Northeast Asia in the context of U S presence in the region These seemingly contradictory forces must be considered together the sparks they generate have important policy implications for the United States and for the region as a whole Constructive reformulation of these interactions is one of Northeast Asia's most pressing contemporary challenges

Cross Currents, 1997 *Right to Mourn* Suhi Choi, 2019-09-26 In the highly politicized memory space of postwar South Korea many families have been deprived of their right to mourn loved ones lost in the Korean War Only since the 1990s has the government begun to acknowledge the atrocities committed by South Korean and American troops that resulted in large numbers of civilian casualties The Truth and Reconciliation Committee new laws honoring victims and construction of monuments and memorials have finally opened public spaces for mourning In *Right to Mourn* Suhi Choi explores this new context of remembering in which memories that have long been private are brought into official sites As the generation that once carried these memories fades away Choi poses an increasingly critical question can a memorial communicate trauma and facilitate mourning Through careful examination of recently built Korean War memorials the Jeju April 3 Peace Park the Memorial for the Gurye Victims of Yosun Killings and the No Gun Ri Peace Park *Right to Mourn* provokes readers to look at the nearly seven decade old war within the

most updated context and shows how suppressed trauma manifests at the transient interactions among bodies objects and rituals at the sites of these memorials

The Korean War Remembered Michael J. Devine, 2023-08 Michael J Devine provides a fresh wide ranging and international perspective on the contested memory of the 1950 1953 conflict that left the Korean Peninsula divided along a heavily fortified demilitarized zone His work examines theaters of memory including literature popular culture public education efforts monuments and museums in the United States China and the two Koreas to explain how contested memories have evolved over decades and how they continue to shape the domestic and foreign policies of the countries still involved in this unresolved struggle for dominance and legitimacy The Korean War Remembered also engages with the revisionist school of historians who influenced by America s long nightmare in Vietnam consider the Korean War an unwise U S interference in a civil war that should have been left to the Koreans to decide for themselves As a former Peace Corps volunteer to Korea a two time senior Fulbright lecturer at Korean universities and former director of the Harry S Truman Presidential Library Devine offers the unique perspective of a scholar with half a century of close ties to Korea and the Korean American community as well as practical experience in the management of historical institutions

The Routledge Companion to Korean Literature Heekyoung Cho, 2022-03-15 The Routledge Companion to Korean Literature consists of 35 chapters written by leaders in the field who explore significant topics and who have pioneered innovative approaches The collection highlights the most dynamic current scholarship on Korean literature presenting rigorous literary analysis interdisciplinary methodologies and transregional thinking so as to provide a valuable and inspiring resource for researchers and students alike This Companion has particular significance as the most extensive collection to date of English language articles on Korean literature it both offers a thorough intellectual engagement with current scholarship and addresses a broad range of topics and time periods from premodern to contemporary It will contribute to an understanding of literature as part of a broad sociocultural process that aims to put the field into conversation with other fields of study in the humanities and social sciences While presenting rigorous and innovative academic research that will be useful to graduate students and researchers the chapters in the collection are written to be accessible to the average upper level undergraduate student and include only minimal use of academic jargon In an effort to provide substantially helpful material for researching teaching and learning Korean literature this Companion includes as an appendix an extensive list of English translations of Korean literature

Korean Families Yesterday and Today Hyunjoon Park, Hyeyoung Woo, 2020-02-12 Korean families have changed significantly during the last few decades in their composition structure attitudes and function Delayed and forgone marriage fertility decline and rising divorce rates are just a few examples of changes that Korean families have experienced at a rapid pace more dramatic than in many other contemporary societies Moreover the increase of marriages between Korean men and foreign women has further diversified Korean families Yet traditional norms and attitudes toward gender and family continue to shape Korean men and women s family behaviors Korean Families Yesterday

and Today portrays diverse aspects of the contemporary Korean families and by explicitly or implicitly situating contemporary families within a comparative historical perspective reveal how the past of Korean families evolved into their current shapes While the study of families can be approached in many different angles our lens focuses on families with children or young adults who are about to forge family through marriage and other means This focus reflects that delayed marriage and declined fertility are two sweeping demographic trends in Korea affecting family formation Moreover intensive parenting has characterized Korean young parents and therefore examining change and persistence in parenting provides important clues for family change in Korea This volume should be of interest not only to readers who are interested in Korea but also to those who want to understand broad family changes in East Asia in comparative perspective *Exodus to North Korea* Tessa Morris-Suzuki, 2007 Ranging from Geneva to Pyongyang this remarkable book takes readers on an odyssey through one of the most extraordinary forgotten tragedies of the Cold War the return of over 90 000 people most of them ethnic Koreans from Japan to North Korea from 1959 onward Presented to the world as a humanitarian venture and conducted under the supervision of the International Red Cross the scheme was actually the result of political intrigues involving the governments of Japan North Korea the Soviet Union and the United States The great majority of the Koreans who journeyed to North Korea in fact originated from the southern part of the Korean peninsula and many had lived all their lives in Japan Though most left willingly persuaded by propaganda that a bright new life awaited them in North Korea the author draws on recently declassified documents to reveal the covert pressures used to hasten the departure of this unwelcome ethnic minority For most their new home proved a place of poverty and hardship for thousands it was a place of persecution and death In rediscovering their extraordinary personal stories this book also casts new light on the politics of the Cold War and on present day tensions between North Korea and the rest of the world *Imperial Romance* Su Yun Kim, 2020-11-15 In *Imperial Romance* Su Yun Kim argues that the idea of colonial intimacy within the Japanese empire of the early twentieth century had a far broader and more popular influence on discourse makers social leaders and intellectuals than previously understood Kim investigates representations of Korean Japanese intimate and familial relationships including romance marriage and kinship in literature media and cinema alongside documents that discuss colonial policies during the Japanese protectorate period and colonial rule in Korea 1905-45 Focusing on Korean perspectives Kim uncovers political meaning in the representation of intimacy and emotion between Koreans and Japanese portrayed in print media and films *Imperial Romance* disrupts the conventional reading of colonial period texts as the result of either coercion or the disavowal of colonialism thereby expanding our understanding of colonial writing practices The theme of intermarriage gave elite Korean writers and cultural producers opportunities to question their complicity with imperialism Their fictions challenged expected colonial boundaries creating tensions in identity and hierarchy and also in narratives of the linear developmental trajectory of modernity Examining a broad range of writings and films from this period *Imperial Romance* maps the colonized

subjects fascination with their colonizers and with moments that allowed them to become active participants in and agents of Japanese and global imperialism

Christianities in Asia Peter C. Phan, 2011-01-21 Christianity in Asia explores the history development and current state of Christianity across the world's largest and most populous continent Offers detailed coverage of the growth of Christianity within South Asia among the thousands of islands comprising Southeast Asia and across countries whose Christian origins were historically linked including Vietnam Thailand China Hong Kong Taiwan Japan and Korea Brings together a truly international team of contributors many of whom are natives of the countries they are writing about Considers the Middle Eastern countries whose Christian roots are deepest yet have turbulent histories and uncertain futures Explores the ways in which Christians in Asian countries have received and transformed Christianity into their local or indigenous religion Shows Christianity to be a vibrant contemporary movement in many Asian countries despite its comparatively minority status in these regions

The Intimacies of Conflict Daniel Y. Kim, 2020-11-03 Winner 2020 Peter C Rollins Prize given by the Northeast Popular American Culture Association Enables a reckoning with the legacy of the Forgotten War through literary and cinematic works of cultural memory Though often considered the forgotten war lost between the end of World War II and the start of the Cold War the Korean War was as Daniel Y Kim argues a watershed event that fundamentally reshaped both domestic conceptions of race and the interracial dimensions of the global empire that the United States would go on to establish He uncovers a trail of cultural artefacts that speaks to the trauma experienced by civilians during the conflict but also evokes an expansive web of complicity in the suffering that they endured Taking up a range of American popular media from the 1950s Kim offers a portrait of the Korean War as it looked to Americans while they were experiencing it in real time Kim expands this archive to read a robust host of fiction from US writers like Susan Choi Rolando Hinojosa Toni Morrison and Chang rae Lee and the Korean author Hwang Sok yong The multiple and ongoing historical trajectories presented in these works testify to the resurgent afterlife of this event in US cultural memory and of its lasting impact on multiple racialized populations both within the US and in Korea The Intimacies of Conflict offers a robust multifaceted and multidisciplinary analysis of the pivotal but often unacknowledged consequences of the Korean War in both domestic and transnational histories of race

The SAGE Handbook of Modern Japanese Studies James D Babb, 2014-12-15 A welcome addition to any reading list for those interested in contemporary Japanese society Roger Goodman Nissan Professor of Modern Japanese Society University of Oxford I know no better book for an accessible and up to date introduction to this complex subject than The SAGE Handbook of Modern Japan Studies Hiroko Takeda Associate Professor Organization for Global Japanese Studies University of Tokyo Pioneering and nuanced in analysis yet highly accessible and engaging in style Yoshio Sugimoto Emeritus Professor La Trobe University The SAGE Handbook of Modern Japanese Studies includes outstanding contributions from a diverse group of leading academics from across the globe This volume is designed to serve as a major interdisciplinary reference work and a seminal text both rigorous and

accessible to assist students and scholars in understanding one of the major nations of the world James D Babb is a Senior Lecturer in the School of Geography Politics and Sociology at Newcastle University **Soul in Seoul** Crystal S.

Anderson,2020-08-25 K pop Korean popular music reigns as one of the most popular music genres in the world today a phenomenon that appeals to listeners of all ages and nationalities In *Soul in Seoul* African American Popular Music and K pop Crystal S Anderson examines the most important and often overlooked aspect of K pop the music itself She demonstrates how contemporary K pop references and incorporates musical and performative elements of African American popular music culture as well as the ways that fans outside of Korea understand these references K pop emerged in the 1990s with immediate global aspirations combining musical elements from Korean and foreign cultures particularly rhythm and blues genres of black American popular music Korean solo artists and groups borrow from and cite instrumentation and vocals of R B genres especially hip hop They also enhance the R B tradition by utilizing Korean musical strategies These musical citational practices are deemed authentic by global fans who function as part of K pop s music press and promotional apparatus K pop artists also cite elements of African American performance in Korean music videos These disrupt stereotyped representations of Asian and African American performers Through this process K pop has arguably become a branch of a global R B tradition Anderson argues that Korean pop groups participate in that tradition through cultural work that enacts a global form of crossover and by maintaining forms of authenticity that cannot be faked and furthermore propel the R B tradition beyond the black white binary *North-western Christian Advocate* ,1920 The Christian Advocate

,1926 Growth and Decline in the Anglican Communion David Goodhew,2016-12-15 The Anglican Communion is one of the largest Christian denominations in the world *Growth and Decline in the Anglican Communion* is the first study of its dramatic growth and decline in the years since 1980 An international team of leading researchers based across five continents provides a global overview of Anglicanism alongside twelve detailed case studies The case studies stretch from Singapore to England Nigeria to the USA and mostly focus on non western Anglicanism This book is a critical resource for students and scholars seeking an understanding of the past present and future of the Anglican Church More broadly the study offers insight into debates surrounding secularisation in the contemporary world *Rethinking American Grand Strategy*

Elizabeth Borgwardt,Christopher McKnight Nichols,Andrew Preston,2021 A wide ranging rethinking of the many factors that comprise the making of American Grand Strategy What is grand strategy What does it aim to achieve And what differentiates it from normal strategic thought what in other words makes it grand In answering these questions most scholars have focused on diplomacy and warfare so much so that grand strategy has become almost an equivalent of military history The traditional attention paid to military affairs is understandable but in today s world it leaves out much else that could be considered political and therefore strategic It is in fact possible to consider and even reach a more capacious understanding of grand strategy one that still includes the battlefield and the negotiating table while expanding beyond them Just as

contemporary world politics is driven by a wide range of non military issues the most thorough considerations of grand strategy must consider the bases of peace and security including gender race the environment and a wide range of cultural social political and economic issues Rethinking American Grand Strategy assembles a roster of leading historians to examine America s place in the world Its innovative chapters re examine familiar figures such as John Quincy Adams George Kennan and Henry Kissinger while also revealing the forgotten episodes and hidden voices of American grand strategy They expand the scope of diplomatic and military history by placing the grand strategies of public health race gender humanitarianism and the law alongside military and diplomatic affairs to reveal hidden strategists as well as strategies The Journal of Korean Studies, Volume 21, Number 1 (Spring 2016) Donald Baker, Tracy L. Stober, 2016-05-16 The University of Washington Korea Studies Program in collaboration with Rowman Littlefield Publishers is proud to publish the Journal of Korean Studies

Among Women across Worlds Suzy Kim, 2023-02-15 In Among Women across Worlds Suzy Kim explores the transnational connections between North Korean women and the global women s movement Asian women especially communists are often depicted as victims of a patriarchal state Kim challenges this view through extensive archival research revealing that North Korean women asserted themselves from the late 1940s to 1975 before the Korean War began and up to the UN s International Women s Year Kim centers on North Korea and the East to present a new genealogy of the global women s movement Women of the Korean Democratic Women s Union KDWU part of the global left women s movement led by the Women s International Democratic Federation WIDF argued that family and domestic issues should be central to both national and international debates They highlighted the connections between race nationality sex and class in systems of exploitation Their intersectional program proclaimed no peace without justice the personal is the political and women s rights are human rights long before Western activists adopted these ideas Among Women across Worlds uncovers movements and ideas foundational to today s era **Forces of Nature** David Fedman, Eleana J. Kim, Albert L. Park, 2023-05-15 No detailed description available for Forces of Nature

Korea In The Cross Currents Introduction

In the digital age, access to information has become easier than ever before. The ability to download Korea In The Cross Currents has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Korea In The Cross Currents has opened up a world of possibilities. Downloading Korea In The Cross Currents provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Korea In The Cross Currents has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Korea In The Cross Currents. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Korea In The Cross Currents. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Korea In The Cross Currents, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Korea In The Cross Currents has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous

learning and intellectual growth.

FAQs About Korea In The Cross Currents Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Korea In The Cross Currents is one of the best book in our library for free trial. We provide copy of Korea In The Cross Currents in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Korea In The Cross Currents. Where to download Korea In The Cross Currents online for free? Are you looking for Korea In The Cross Currents PDF? This is definitely going to save you time and cash in something you should think about.
