Kosher Creole Cookbook:

Kosher Creole Cookbook Mildred L. Covert, Alan Gerson, Sylvia P. Gerson, 1989-03 Blend a dash of Kosher with a pinch of Creole and you have the Kosher Creole Cookbook The authors have combined two famous culinary traditions the Creole a blend of certain aspects of French Spanish African and American cooking and the Jewish dating from biblical times Those who keep Kosher can now savor the Creole cuisine for which New Orleans is famous Imaginative substitutes that unite to create authentic Creole flavor serve to replace ingredients that are in conflict with the laws of Kashruth Arranged by month the recipes highlight feasts and festivals in the Jewish calendar or in the city of New Orleans Each chapter is also introduced by fascinating sketches about the history traditions and culture of the Crescent City Jewish Week calls this volume one of the most unusual cookbooks seen in recent years Kosher Creole Cookbook combines two cuisines which would seem to have no business being together kosher cooking with Creole cooking This is a delightful and unusual addition to your collection of cookbooks Mildred L Covert and Sylvia P Gerson have carefully researched and created recipes that adapt the characteristic flavors of each cuisine whether it s Creole Cajun or Southern to ensure that the traditional can keep Kosher without giving up flavor The two New Orleanians have written three other Kosher cookbooks Kosher Cajun Cookbook Kosher Southern Style Cookbook and A Kid s Kosher Cooking Cruise pb all published by Pelican *Kosher Cajun Cookbook* Mildred L. Publishers Weekly Culinary Tourism is the first book to consider food as both a destination and a means for tourism The book s contributors examine the many intersections of food culture and tourism in public and commercial contexts in private and domestic settings and around the world The contributors argue that the sensory experience of eating provides people with a unique means of communication whether they re trying out a new kind of ethnic restaurant in their own town or the native cuisine of a place far from home Editor Lucy Long explains how and why interest in foreign food is expanding tastes and leading to commercial profit in America but the book also shows how tourism combines personal experiences with cultural and social attitudes toward food and the circumstances that allow for adventurous eating Contributors to the book are widely recognized food experts who encourage readers to venture outside the comforts of home and embark on new eating experiences Lexington Herald Leader Matzoh Ball Gumbo (Volume 3 of 3) (EasyRead Super Large 24pt Edition) ,
