Simon Pirani

Kremlin Rising Vladimir Putins Russia And The End Of Revolution:

Kremlin Rising Peter Baker, Susan Glasser, 2005-06-07 In the tradition of Hedrick Smith's *The Russians* Robert G Kaiser's *Russia The People and the Power* and David Remnick's *Lenin's Tomb* comes an eloquent and eye opening chronicle of Vladimir Putin's Russia from this generation's leading Moscow correspondents With the 1991 collapse of the Soviet Union Russia launched itself on a fitful transition to Western style democracy But a decade later Boris Yeltsin's handpicked successor Vladimir Putin a childhood hooligan turned KGB officer who rose from nowhere determined to restore the order of the Soviet past resolved to bring an end to the revolution *Kremlin Rising* goes behind the scenes of contemporary Russia to reveal the culmination of Project Putin the secret plot to reconsolidate power in the Kremlin During their four years as Moscow bureau chiefs for *The Washington Post* Peter Baker and Susan Glasser witnessed firsthand the methodical campaign to reverse the post Soviet revolution and transform Russia back into an authoritarian state Their gripping narrative moves from the unlikely rise of Putin through the key moments of his tenure that re centralized power into his hands from his decision to take over Russia's only independent television network to the Moscow theater siege of 2002 to the managed democracy elections of 2003 and 2004 to the horrific slaughter of Beslan's schoolchildren in 2004 recounting a four year period that has changed the direction of modern Russia But the authors also go beyond the politics to draw a moving and vivid portrait of the Russian people they encountered both those who have prospered and those barely surviving and show how the political flux has shaped individual lives Opening a window to a country on the brink where behind the gleaming new shopping malls all things Soviet are chic again and even high school students wonder if Lenin was right after all *Kremlin Rising* features the personal stories of Russians at all levels of society including frightened army deserters an imprisoned oil billionaire Chechen villagers a trendy Moscow restaurant king a reluctant underwear salesman and anguished AIDS patients in Siberia With shrewd reporting and unprecedented access to Putin's insiders *Kremlin Rising* offers both unsettling new revelations about Russia's leader and a compelling inside look at life in the land that he is building As the first major book on Russia in years it is an extraordinary contribution to our understanding of the country and promises to shape the debate about Russia its uncertain future and its relationship with the United States

The Putin Mystique Anna Arutunyan, 2014-12-14 GETTING TO GRIPS WITH RUSSIA'S 21ST CENTURY TSAR Vladimir V Putin has confounded world leaders and defied their assumptions as they tried to figure him out only to misjudge him time and again *The Putin Mystique* takes the reader on a journey through the Russia of Vladimir Putin named by *Forbes* magazine in 2013 as the most powerful man in the world It is a neo feudal world where iPads WTO membership and Brioni business suits conceal a power structure straight out of the Middle Ages where the Sovereign is perceived as both divine and demonic where a man's riches are determined by his proximity to the Kremlin and where large swathes of the populace live in precarious complacency interrupted by bouts of revolt Where does that kind of power come from The answer lies not in the leader but in the people

from the impoverished worker who appeals directly to Putin for aid to the businessmen security officers and officials in Putin's often dysfunctional government who look to their leader for instruction and protection In her writing career Anna Arutunyan has traveled throughout Russia to report on modern Russian politics She has interviewed oligarchs and policemen bishops and politicians and many ordinary Russians Her book is a vivid and revealing exploration of the way in which myth power and even religion interact to produce the love hate relationship between the Russian people and Vladimir Putin

Putin's Russia Stephen K. Wegren, 2015-07-16 Now in a thoroughly revised expanded and updated sixth edition this classic text provides the most authoritative and current analysis available of the challenges facing Russia today Leading scholars explore the daunting domestic and international problems confronting Putin Evaluating the regime's continued efforts to rebuild a country once on the verge of collapse they consider a comprehensive array of economic political foreign policy and social issues Putin has his own approach for dealing with the myriad problems facing Russia emphasizing recentralization of power and a strong state He has returned to power amid unresolved policy issues both domestically and from the international community Only by understanding these concerns and previous efforts to deal with them will it be possible to understand the country's trajectory Well written and clearly organized this text is an indispensable guide for anyone wanting to understand contemporary Russia Contributions by Alfred Evans Kathleen J Hancock Timothy Heleniak Kathryn Hendley Dale R Herspring Janet Elise Johnson Taylor Ren Lane Maria Lipman Jeffrey Mankoff Alexander M Nikulin Alexandra Novitskaya Nikolai Petrov Thomas F Remington Richard Sakwa Louise Shelley Darrell Slider Pekka Sutela Andrei P Tsygankov Stephen K Wegren *Putin's Russia* Darrell Slider, 2022-07-20 Thoroughly revised expanded and updated the new edition of this classic text provides the most authoritative and current analysis of contemporary Russia Leading scholars explore the domestic and international problems Russia confronts including political economic societal and foreign policy issues The new edition provides an analysis from multiple perspectives on the major challenges facing Russia and Putin's regime Updates include new sections on corruption Russia's conflicts with Ukraine and Georgia Russia's response to Only by understanding these challenges and previous efforts to deal with them will it be possible to understand the trajectory for Russia Well written and clearly organized this text is an indispensable guide for anyone wanting to understand contemporary Russia [Return to Putin's Russia](#) Stephen K. Wegren, 2013 Now in a thoroughly revised expanded and updated edition this classic text provides the most authoritative and current analysis available of the challenges facing Putin as he resumes the presidency Leading scholars explore the daunting domestic and international problems confronting Russia today Evaluating the regime's continued efforts to rebuild a country once on the verge of collapse the contributors consider a comprehensive array of economic political foreign policy and social issues Clearly written and organized this text is an indispensable guide for anyone wanting to understand Russia today **Putin's Revenge** Lucian Kim, 2024-12-09 In February 2022 Russia invaded Ukraine in a bloody escalation of a conflict that had begun eight years earlier What drove Vladimir Putin to launch

Europe's largest land war since World War II. Lucian Kim, an on-the-ground reporter in the region for decades, offers a gripping definitive account of Russia's path to war from Ukraine's 2004 Orange Revolution and the 2014 Maidan uprising right up to the full-scale invasion. He examines the Kremlin's motives, tracing Putin's transformation from a seemingly pragmatic leader into an embittered tyrant who saw it as his historical mission to reconquer Ukraine. Kim places the war in the broader context of the Soviet Union's collapse, arguing that it represents a clash between those who reject the Soviet past like Volodymyr Zelensky and Alexei Navalny and those who still identify with it. He debunks the Kremlin narrative that the West instigated the conflict and instead identifies the root causes of the war in the legacy of Russian imperialism and Putin's dictatorial rule. At the same time, Kim is critical of the West's empty promises to Ukraine, which made the country vulnerable to a revanchist Russia. Putin's Revenge features insight from Kim's first-hand reporting on key moments such as Russia's occupation of Crimea and the beginning of the Russian-backed insurgency in eastern Ukraine. This book tells the story of the lead-up to the invasion with revelatory detail and fresh analysis, shedding new light on a conflict that has roiled the post-Cold War order.

Vladimir Putin and Russia? Imperial Revival David E. McNabb, 2017-07-05

Discerning the early stages of the rebirth of a new Russian empire from the ashes of the Soviet Union, *Vladimir Putin and Russia's Imperial Revival* argues that Russia's recent overtly aggressive actions and foreign policy doctrines have signaled a renewal of the Cold War. At the least, Russia's actions represent the potential for renewal. This book explains these developments in a historical context. The book begins by describing Russia's initial policy of rapprochement after the collapse of the Soviet Union and its development into a foreign policy of threatened or actual armed aggression. It identifies today's Russia as a nation determined to re-establish itself as a political and military force. As a prominent figure in the development and continuation of its current foreign policy, Vladimir Putin plays a central role in the topics covered. Previous literature often treats Putin as an individual phenomenon, examining his connections to corruption or the secret police, but here David E. McNabb examines him as the latest in a long history of Russian despots who followed similar expansionist policies. He details some of the tactics Putin uses to instill fear and dominate political policies of republics newly independent from Russia. These tactics include the use of energy as a weapon, cyber terrorism, and military support for ethnic Russian separatists in other sovereign nations, most recently exemplified by Russia's annexation of Crimea from Ukraine via armed invasion. In an attempt to demystify Russia's re-emergence as an international political force, *Vladimir Putin and Russia's Imperial Revival* grounds its analyses in history. It explores as far back as the establishment of the first Russian empire and regards Putin as a leader determined to establish a fifth imperial incarnation. It provides a nuanced understanding of how Russia arrived at its current position through recent and distant internal and international events.

After Putin's Russia Stephen K. Wegren, Dale R. Herspring, 2009-08-16

A fifth edition of this book is now available. Now in a thoroughly revised, expanded, and updated edition, this classic text provides the most authoritative and current analysis available of contemporary Russia and the challenges

facing Vladimir Putin and his successor Dmitri Medvedev. Leading scholars offer a full scale reassessment of Putin's leadership exploring Russia's ongoing daunting domestic and international concerns. Evaluating the regime's continued efforts to rebuild a country once on the verge of collapse they consider a comprehensive array of economic, political and social issues along with Putin himself whose popularity has remained high despite his authoritarian approach. The contributors conclude that Putin's influence will continue to be felt for years to come not only because he remains powerful in his new post as prime minister but because he laid the groundwork for dealing with the many problems still confronting Russia. Only by understanding these challenges and Putin's previous efforts to deal with them will it be possible to understand the rhetoric and actions of his successor. Clearly written and organized this text is an indispensable guide for anyone wanting to understand Russia today.

Contributions by Gregory Gleason, Timothy Heleniak, Kathryn Hendley, Dale R. Herspring, Maria Lipman, Michael McFaul, Nikolai Petrov, Thomas F. Remington, Peter Rutland, Richard Sakwa, Louise Shelley, Darrell Slider, Andrei P. Tsygankov, and Stephen K. Wegren.

Putin's Russia Dale Roy Herspring, 2007. A fifth edition of this book is now available. This thoroughly revised and updated edition of the classic text provides the most current and authoritative assessment of Russia available. Distinguished scholars offer a full scale assessment of Putin's leadership exploring the daunting domestic and international problems facing Russia today. Evaluating the regime's continued efforts to rebuild a country in shambles the contributors consider a comprehensive array of economic, political and social issues. In addition to updated core chapters the book includes new essays on Putin's leadership, law, foreign policy and the decline of democracy. The book concludes that Putin will continue to address his country's problems in an incremental and centralized manner as he moves toward his goal of restoring Russia to the status of a world power.

Change in Putin's Russia Simon Pirani, 2009-11-06. This is an investigation into the interaction of power, money and people in Russia during the presidencies of Vladimir Putin and Dmitry Medvedev. Profiling Putin's team including his security services and pro market economic reformers, Simon Pirani argues that the growth during the oil boom was one sided. The gap between rich and poor widened. Now the boom is over this problem has only grown. As well as explaining Russia's economic trajectory the book provides a unique account of the social movements that are working against an increasingly authoritarian government to change Russia for the better.

No Place for Russia William H. Hill, 2018-08-14. The optimistic vision of a Europe whole and free after the fall of the Berlin Wall in 1989 has given way to disillusionment, bitterness and renewed hostility between Russia and the West. In *No Place for Russia* William H. Hill traces the development of the post Cold War European security order to explain today's tensions showing how attempts to integrate Russia into a unified Euro Atlantic security order were gradually overshadowed by the domination of NATO and the EU at Russia's expense. Hill argues that the redivision of Europe has been largely unintended and not the result of any single decision or action. Instead the current situation is the cumulative result of many decisions reasonably made at the time that gradually produced the current security architecture and led to mutual mistrust.

Hill analyzes the United States decision to remain in Europe after the Cold War the emergence of Germany as a major power on the continent and the transformation of Russia into a nation state placing major weight on NATO s evolution from an alliance dedicated primarily to static collective territorial defense into a security organization with global ambitions and capabilities Closing with Russia s annexation of Crimea and war in eastern Ukraine No Place for Russia argues that the post Cold War security order in Europe has been irrevocably shattered to be replaced by a new and as yet undefined order

Wheel of Fortune Thane Gustafson,2012-11-06 One of the world s largest exporters of oil faces mounting problems that could send shock waves through every major economy Gustafson provides an authoritative account of the Russian oil industry from the last years of communism to its uncertain future The stakes extend beyond global energy security to include the threat of a destabilized Russia

Putin and the Oligarch Richard Sakwa,2014-02-25 The arrest of Mikhail Khodorkovsky the head of the Yukos oil company on 25 October 2003 was a key turning point in modern Russian history At that time Khodorkovsky was one of the world s richest and most powerful men while Yukos had been transformed into a vast and lucrative oil company that was set to go global On all counts this looked like a success story but it was precisely at this moment that the Russian authorities struck After two controversial trials attracting widespread international condemnation Khodorkovsky was sentenced to fourteen years in jail In this book Richard Sakwa examines the rise and fall of Yukos and the development of the Russian oil industry more generally Sakwa analyses Russia s emergence as an energy superpower and considers the question of the natural resource curse and the use of energy rents to bolster Russia as a great power and to maintain the autonomy of the regime Crucially this book also examines the relationship between Putin s state and big business during Russia s traumatic shift from the Soviet planned economy to the market system It is a detailed analysis of one of the most dramatic confrontations between economic and political power in our era full of human drama and moral dilemmas It is also a study of political economy with the market and state coming into confrontation Above all the Yukos affair continues to shape contemporary Russian politics with a weakened judiciary and insecure property rights It traces the struggles of the Putin era as two visions of society came into conflict The attack on Khodorkovsky had and continues to have far reaching political and economic consequences but it also raises fundamental questions about the quality of freedom in Putin s Russia as well as in the world at large

The Light That Failed Stephen Holmes,Ivan Krastev,2020-01-07 A landmark book that completely transforms our understanding of the crisis of liberalism from two pre eminent intellectuals Why did the West after winning the Cold War lose its political balance In the early 1990s hopes for the eastward spread of liberal democracy were high And yet the transformation of Eastern European countries gave rise to a bitter repudiation of liberalism itself not only there but also back in the heartland of the West In this brilliant work of political history Ivan Krastev and Stephen Holmes argue that the supposed end of Communism turned out to be only the beginning of the age of the autocrat Reckoning with the history of the last thirty years they show that the most powerful force behind the wave of

populist xenophobia that began in Eastern Europe stems from resentment at the post 1989 imperative to become Westernized Through this prism the Trump revolution represents an ironic fulfillment of the promise that the nations exiting from communist rule would come to resemble the United States In a strange twist Trump has elevated Putin s Russia and Orba n s Hungary into models for the United States Written by two pre eminent intellectuals bridging the East West divide *The Light That Failed* is a landmark book that sheds light on the extraordinary history of the fall of the Western ideal

Russia as a Network State V. Kononenko,A. Moshes,2011-04-28 Discusses the ambiguous nature of the state in Russia focusing on elite networks and their role in policy processes This book examines the paradoxical dualism of state institutions and ruling networks providing answers as to why some decisions are not implemented and why the state exists despite the systemic inefficiency of its institutions

Putin: His Downfall and Russia's Coming Crash Richard Lourie,2017-07-18 Lourie posits that Putin s Russia will collapse just as Imperial Russia did in 1917 and as Soviet Russia did in 1991 The only questions are when how violently and with how much peril for the world The U S election complicates everything including Putin s next land grab exploitations of the Arctic cyber espionage Putin and China and many more topics Provided by publisher

Comparative Politics Jeffrey Kopstein,Mark Lichbach,Stephen E. Hanson,2014-07-21 Twelve in depth case studies of the EU and countries across the globe written by the leading country specialists and combining insights of cutting edge institutional analysis and deep study of national histories explore how the concepts of interests identities and institutions shape the politics of nations and regions The country studies trace the global and historical contexts of political development and examine the diverse pathways that countries have taken in their quest to adapt to the competitive pressures of twenty first century globalization These country studies constitute the overarching framework of the text addressing the larger question why are countries ruled and governed so differently Free of heavy handed jargon Comparative Politics inspires thought provoking debate among introductory students and specialists alike and encourages students to engage in real comparative analysis In this new edition all twelve country studies have been rewritten and the first two theory chapters have been updated to reflect the latest research in the field

Russia John M. Thompson,Christopher J. Ward,2018-04-17 This lucid account of Russian and Soviet history presents major trends and events from ancient Kievan Rus to Vladimir Putin s presidency in the twenty first century Russia does not shy away from controversial topics including the impact of the Mongol conquest the paradoxes of Peter the Great the inevitability of the 1917 Revolution the Stalinist terror and the Gorbachev reform effort Tackling those topics and others the new edition is updated to discuss the Russia Georgia war of 2008 the 2013 2014 Euromaidan protests in Ukraine the war in eastern Ukraine and the Russian annexation of Crimea Distinguished by its brevity and amply supplemented with useful images and suggested readings this essential text provides balanced coverage of all periods of Russian history and incorporates economic social and cultural developments as well as politics and foreign policy

Kremlin Rising Vladimir Putins Russia And The End Of Revolution Introduction

In the digital age, access to information has become easier than ever before. The ability to download Kremlin Rising Vladimir Putins Russia And The End Of Revolution has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Kremlin Rising Vladimir Putins Russia And The End Of Revolution has opened up a world of possibilities. Downloading Kremlin Rising Vladimir Putins Russia And The End Of Revolution provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Kremlin Rising Vladimir Putins Russia And The End Of Revolution has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Kremlin Rising Vladimir Putins Russia And The End Of Revolution. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Kremlin Rising Vladimir Putins Russia And The End Of Revolution. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Kremlin Rising Vladimir Putins Russia And The End Of Revolution, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Kremlin Rising Vladimir Putins Russia And The End Of Revolution has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers.

worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Kremlin Rising Vladimir Putins Russia And The End Of Revolution Books

1. Where can I buy Kremlin Rising Vladimir Putins Russia And The End Of Revolution books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Kremlin Rising Vladimir Putins Russia And The End Of Revolution book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Kremlin Rising Vladimir Putins Russia And The End Of Revolution books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
