Kristy Thomas: Dog Trainer (The Baby-Sitters Club #118) Ann M. Martin, 2015-08-25 Kristy's newest sitting job is challenging. Ten-year-old Erin was recently blinded in an accident and is not ready to rely on people. At the same time, Kristy's family is training a puppy to be a guide dog. *Kristy Thomas, Dog Trainer* Ann M. Martin, 1998-04-01 While Kristy must deal with twelve-year-old Deb, recently blinded by an illness and not ready to rely on people, her family is training a Labrador retriever puppy named Scout to be a guide dog for the blind. **Kristy Thomas, Dog Trainer** Ann M. Martin Marylou Morano Kjelle, 2006 When Ann M. Martin was asked to write the first four Baby Sitters Club books in 1985, she had no way of knowing she was about to change the face of children's publishing. Martin's writing is influenced by a combination of her pretty wonderful childhood, her experience as a teacher, and her work in children's publishing. Now 20 years after the first Baby Sitters Club book was written, with more than 300 books and a Newbery Honor book to her credit, Martin continues to write novels that not only find a place on best sellers lists but also in the hearts of readers. It is clear that she is one of the most widely read and beloved children's authors of all time. In a one-volume reference, Ann M. Martin details the life and real-life influences of this famous author, revealing the person behind the words and the author behind the literature. Popular Series Fiction for K-6 Readers Rebecca L.
