The Secrets of Hickory Hollow FA Shepherd,2011-11-23 The Secrets of Hickory Hollow revolves around the history of the lives of rugged Scottish pioneers that settle in an isolated southern Appalachian Mountain valley Over the years their little settlement grows and establishes itself as an independent

community complete with a church a school and government policies and laws of its own As generations go by the residents of Hickory Hollow are caught up in the changing times that lead their lives and the community into an intricate web of lies deception crimes and greed In the immediate aftermath of the effects of WW II on their community a sheriff that dispenses justice with his heart instead of the law a G Man with his own ideas about history and a Cherokee half breed copes with revenueurs Nazis murder and some of the communities own prejudices in order to restore the community back to the quiet little crossroads bedroom community it once was *Neubrucke* Fa Shepherd,2012-07-03 Residents in the sleepy little village of Neubrucke Germany and the military personnel stationed there with the recently deployed 98th General Hospital are blissfully unaware of the spy games going on around them In this remote outpost in the French Zone of occupation in the southwest corner of Germany the beer is good the duty is mostly boring and the only problem the GIs stationed there have is trying to decide which gasthaus they want to go to tonight However when the 7424th Support Squadron starts remodeling and restructuring the Air Force communication facilities at the nearby Birkenfeld Tactical Air Base their world is about to be changed forever Almost as soon as construction is started rumors start spreading that what is advertised as just an upgrade to the existing facilities is in reality the installation of a top secret communications facility As a result Russian KGB and East German Stasi agents are sent to investigate When Washington responds by sending agents of their own Neubrucke and the American GIs that are stationed here are about to enter the Cold War *The Pillow Book* Sei Shonagon,2006-11-30 A new translation of the idiosyncratic diary of a C10 court lady in Heian Japan Along with the TALE OF GENJI this is one of the major Japanese Classics [On Lightness in World Literature](#) B. Scott,2013-11-07 Despite the apparent ubiquity of light literature and despite the greater cultural prestige it has been afforded in recent decades very little has been written on the adjective that actually defines this category What precisely does it signify and what are some of the key strategies by which the effect of lightness is achieved within literary discourse In this original and engaging study Bede Scott explores the aesthetic quality of lightness as demonstrated by a diverse range of narratives spanning four different centuries and five different countries In each case he focuses on a specific type of lightness whether it be the refined triviality of Sei Shonagon s *Pillow Book* the ludic tendencies of Joaquim Maria Machado de Assis Posthumous Memoirs of Br s Cubas or the exhilarating and primitive vitality of Voltaire s *Candide* By bringing together such disparate sources Scott makes a strong case for the universality of this particular aesthetic value while also subjecting its underlying structural features to close critical scrutiny

**The Prepper's Guide to Foraging** David Nash,2016-10-25 Revised and updated The Prepper s Guide to Foraging is not a plant identification guide in the traditional sense It is instead a guide to using plants to supplement other means of food production and subsistence living Author David Nash believes that there is not enough land available for to support a large scale return to the hunter gatherer lifestyle in the event of a large scale disaster but that botanical knowledge does provide an edge to the well prepared This book advocates the acquisition of knowledge to allow its reader to safely identify harvest

and use common North American plants Wild plants can provide shelter material medicine and food to help the reader extend stored food as well as to create items that may be otherwise unavailable during a crisis Twenty five easily identified plants common to the United States are described and illustrated with notations for their common usage Each plant described in this book comes with one recipe for food as well as detailed instructions for at least one alternative use Additional instructions for the preparation of standard medicinal items like tinctures creams and infusions are included as well as botanical guides to help identify other plants is included Special emphasis has been added for North American trees
