*Kundalini Science* Premyogi vajra, 2021-02-07 This book is second part of the Kundalini science series First and second parts are also available It is the compiled form of blog posts Those posts are written by Premyogi vajra a mystic yogi He is enlightened as well as he has his kundalini awakened These all posts are related to kundalini One post corresponds to one chapter Premyogi vajra is writing about Kundalini since 3 years ago when his kundalini awakened after one year long continued kundalini yoga meditation He became amazed on seeing that nowhere Kundalini had been mentioned or described completely Even Kundalini had not been defined properly He searched and read many kundalini awakening experiences but he found none as

genuine and complete Although he found Samadhi as mentioned in Patanjali Yoga Sutras as equivalent to Kundalini but that was described in a mystic and ancient way that was difficult to be understood by the laymen type general public Therefore inspired by these shortcomings he decided to present every know how about kundalini in very simple or childish way keeping everything at ground level true experiential scientific original practical and intuitive That genuine honest and humane effort resulted into the origination of this wonderful book That is why this book appears as a blessing for kundalini seekers Because it is not comfortable to read so many blog posts together on glare producing screens therefore those posts were presented in the form of a kindle e book that is comfortable and enjoying to read As a result it is fully hoped that readers will find this book spiritually uplifting and comfortable to read [My Kundalini Website on E-reader](#) Premyogi vajra,2020-12-27 This

book is a brainchild of the explorers while making the website demystifyingkundalini.com The website creator began to suspect that if the website went bad due to any reason unfortunately then all the hard work would be spoiled and all the text written would be gone In addition the website creator also desired that the website should be available on any e reader so that the readers are comfortable in reading and the eyes are not affected Both these objectives could be fulfilled only by creating an e book of the website Hence fixed web pages and some web posts which were not included in the another e book were included in this e book In another e book all the web posts related to Kundalini were inserted which contained all the remaining material The name of that other book is Kundalini science A Spiritual Psychology The first two home pages of this website have been included in still another book kundalini demystified what Premyogi vajra says The description of Tantra and Kundalini is clear simple true natural practical and scientific as described by Premayogi Vajra Such description is not visible anywhere else Hope that dear reader will take full advantage of the book presented **Kundalini sciencea**

premyogi vajra,2025-03-03 About This Book Fifth cum Final Volume of the Kundalini Science Series This book is the fifth cum final part of the acclaimed Kundalini Science Series The earlier volumes Book 1 Book 2 Book 3 and Book 4 are also available This series is a compiled form of blog posts authored by Premyogi Vajra a mystic yogi whose kundalini awakened after one year of intense continuous Kundalini Yoga meditation Each post corresponds to one chapter making this work deeply personal and experiential Premyogi Vajra is not only kundalini awakened but also self realized and has been residing in ongoing Savikalpa Samadhi This final volume completes the arc of his inner journey culminating in Keval Kumbhak the beginning of Nirvikalpa Samadhi After reaching this stage silence naturally took over for how can one explain the void the ultimate where nothing remains to be said His writing journey began about 8 years ago with a profound realization that Kundalini had never been clearly or completely described anywhere Most writings he encountered were either fragmented or cloaked in mystic symbolism often inaccessible to the general public Even respected yogic scriptures like the Patanjali Yoga Sutras describe Samadhi but in terms too arcane for most seekers to grasp Motivated by this lack of clarity he set out to share every possible know how of Kundalini in a way that is simple honest scientific original practical and intuitive presented

in a child like ground level style The result is a body of work that feels like a blessing for sincere seekers a genuine and spiritually uplifting guide born of lived experience and deep insight This fifth cum final book stands as the peak of that offering It reveals that to reach and remain in the void of Nirvikalpa Samadhi one must first pass through awakening self realization and Savikalpa Samadhi These are not optional steps they are foundational prerequisites While some argue that this age is meant for silent witnessing and dissolving into the void bypassing the energetic awakening process but such an approach may leave behind a lingering tease a sense of having missed the highest expressions of the mind and the world before merging into silence Because reading long form content on bright digital screens can be uncomfortable these precious blog posts were first lovingly compiled into Kindle e book format offering a more comfortable flowing and immersive reading experience
