Kurt Eisner 1867-1919:

Kurt Eisner, 1867-1919 Bernhard Grau, 2001 *German Expressionism* Rose-Carol Washton Long, Ida Katherine Rigby, Nancy Roth, 1995-12-06 An indispensable anthology that immediately renders its predecessors obsolete With its gathering of public and private documents it carries us through the rise and fall of one of the great upheavals of modern art Robert Rosenblum New York University These essays including many previously unavailable in English are rich with startling new insights into the German Expressionist psyche Elucidating the artists view of government the role of women in modern society and their own ambivalence about the effectiveness of abstract art this anthology is essential reading for all scholars and students of twentieth century art Joan Marter author of Alexander Calder **German Social Democracy, 1905-1917** Carl E. Schorske, 1955 No political parties of present day Germany are separated by a wider gulf than the two parties of labor one democratic and reformist the other totalitarian and socialist revolutionary Social Democrats and Communists today face each other as bitter political enemies across the front lines of the Cold War yet they share a common origin in the Social Democratic Party of Imperial Germany How did they come to go separate ways By what process did the old party break apart How did the prewar party prepare the ground for the dissolution of the labor movement in World War I and for the subsequent extension of Leninism into Germany To answer these questions is the purpose of Carl Schorske's study **The Coming of the Third Reich** Richard J. Evans, 2005-01-25 The definitive account of Hitler's rise to power and the collapse of civilization in Nazi Germany from the author of *The Third Reich in Power* *The Third Reich at War* and *Hitler's People* The clearest and most gripping account I've read of German life before and during the rise of the Nazis A S Byatt Times Literary Supplement Impressive in its command of an immense literature perceptive in analysis fluent in style and humane in judgment this work could only have been produced by a master historian Sir Ian Kershaw There is no story in twentieth century history more important to understand than Hitler's rise to power and the collapse of civilization in Nazi Germany With *The Coming of the Third Reich* Richard J Evans one of the world's most distinguished historians has written the definitive account for our time A masterful synthesis of a vast body of scholarly work integrated with important new research and interpretations Evans's history restores drama and contingency to the rise to power of Hitler and the Nazis even as it shows how ready Germany was by the early 1930s for such a takeover to occur *The Coming of the Third Reich* is a masterwork of the historian's art and the book by which all others on the subject will be judged Borderlines Billie Melman, 2013-01-11 *Borderlines* weaves together the study of gender with that of the evolution of nationalism and colonialism Its broad comparative perspective will rechart the war experiences and identities of women and men during this period of transformation from peace to war and again to peace Drawing on a wide range of materials from government policy and propaganda to subversive trench journalism and performance from fiction drama and film to the record of activists in various movements and in various countries *Borderlines* weaves together the study of gender with that of the evolution of

nationalism and colonialism Its broad comparative perspective will rechart the war experiences and identities of women and men during this period of transformation from peace to war and again to peace Not One Man Not One Penny Gary P. Steenson, 1981-07-15 The German social democratic movement was the first mass working class party in world history and a prototype for one of the major features of twentieth century politics Gary P Steenson presents an introduction to the origins and development of German social democracy up to the First World War by drawing upon protocols of the German Social Democratic Party the party press correspondence of leading figures and scholarly research Steenson also offers biographical sketches of prominent party officials and translations of party programs and bylaws in the appendix *"Freedom is Indivisible"* William T. Smaldone, 2022-11-21 As the author of the ground breaking work of Marxist political economy *Finance Capital* and a leader in the German Social Democratic Party Rudolf Hilferding was a dominant intellectual and political figure in the history of European socialism from its halcyon days in the pre 1914 era until its collapse in the 1930s This collection of his previously unpublished correspondence allows readers to trace the evolution of Hilferding s thought as socialism s fortunes declined and his own fate became precarious It shows how in the face of rising Stalinism and fascism democracy remained at the core of his socialist vision My Battle Against Hitler Dietrich von Hildebrand, John Henry Crosby, 2016-10-25 Now with a new foreword by Sir Roger Scruton How does a person become Hitler s enemy number one Not through espionage or violence it turns out but by striking fearlessly at the intellectual and spiritual roots of National Socialism Dietrich von Hildebrand was a German Catholic thinker and teacher who devoted the full force of his intellect to breaking the deadly spell of Nazism that ensnared so many of his beloved countrymen His story might well have been lost to us were it not for this memoir he penned in the last decades of his life at the request of his wife Alice von Hildebrand In *My Battle Against Hitler* covering the years from 1921 to 1938 von Hildebrand tells of the scorn and ridicule he endured for sounding the alarm when many still viewed Hitler as a positive and inevitable force He expresses the sorrow of having to leave behind his home friends and family in Germany to conduct his fight against the Nazis from Austria He recounts how he defiantly challenged Nazism in the public square prompting the German ambassador in Vienna to describe him to Hitler as the architect of the intellectual resistance in Austria And in the midst of all the danger he faced he conveys his unwavering trust in God even during his harrowing escape from Vienna and his desperate flight across Europe with the Nazis always just one step behind Dietrich von Hildebrand belongs to the very earliest anti Nazi resistance His public statements led the Nazis to blacklist him in 1921 long before the horrors of the Third Reich and more than 23 years before the assassination attempt on Hitler in July 1944 His battle would culminate in the countless articles he published in Vienna a selection of which are featured in this volume It is an immense privilege writes editor John Henry Crosby founder of the Hildebrand Project to present to the world the shining witness of one man who risked everything to follow his conscience and stand in defiance of tyranny *The Vanquished* Robert Gerwarth, 2016-11-15 An epic groundbreaking account of the ethnic and state violence

that followed the end of World War I and shaped the course of the twentieth century Winner of the Tomlinson Book Prize A Times Literary Supplement Best Book of 2016 In *The Vanquished* a highly original and gripping work of history Robert Gerwarth asks us to think again about the true legacy of the First World War In large part it was not the fighting on the Western Front that proved so ruinous to Europe's future but the devastating aftermath as countries on both sides of the original conflict were savaged by revolutions pogroms mass expulsions and further major military clashes In the years immediately after the armistice millions would die across central eastern and southeastern Europe before the Soviet Union and a series of rickety and exhausted small new states would come into being It was here in the ruins of Europe that extreme ideologies such as fascism would take shape and ultimately emerge triumphant As absorbing in its drama as it is unsettling in its analysis *The Vanquished* is destined to transform our understanding of not just the First World War but the twentieth century as a whole

Skepsis and Antipolitics: The Alternative of Gustav Landauer, 2022-12-12 Gustav Landauer was an unconventional anarchist who aspired to a return to a communal life His antipolitical rejection of authoritarian assumptions is based on a radical linguistic scepticism that could be considered the theoretical premise of his anarchism The present volume aims to add to the existing scholarship on Landauer by shedding new light on his work focussing on the two interrelated notions of skepsis and antipolitics In a time marked by a deep doubt concerning modern politics Landauer's alternative can help us to more seriously address the struggle for a different articulation of our communitarian and ecological needs

Weimar Germany Between Two Worlds R. Seth C. Knox, 2006 During the interwar period America and Russia provided German travel writers with opposing visions of Germany's future as well as blank screens for the projections of their hopes and anxieties The travel literature genre allowed authors and readers to approach Weimar Germany's social issues from a psychologically safe distance This is the first book to analyze the American and Russian travels of Kisch Toller Holitscher Goldschmidt and Rundt from a psychogeographic and imagologic perspective It is a work of particular interest to researchers and students of travel literature cultural studies the construction and perception of the other and literary psychology

Social Justice Feminists in the United States and Germany Kathryn Kish Sklar, Anja Schüler, Susan Strasser, 1998 Women reformers in the United States and Germany maintained a brisk dialogue between 1885 and 1933 Drawing on one another's expertise they sought to alleviate a wide array of social injustices generated by industrial capitalism such as child labor and the exploitation of women in the workplace This book presents and interprets documents from that exchange most previously unknown to historians which show how these interactions reflected the political cultures of the two nations On both sides of the Atlantic women reformers pursued social justice strategies The documents discussed here reveal the influence of German factory legislation on debates in the United States point out the differing contexts of the suffrage movement compare pacifist and antipacifist reactions of women to World War I and trace shifts in the feminist movements of both countries after the war *Social Justice Feminists in the United States and Germany* provides insight into

the efforts of American and German women over half a century of profound social change Through their dialogue these women explicate their larger political cultures and the place they occupied in them *Germany since 1789* David G. Williamson, 2015-12-17 This essential text provides a clear and engaging introduction to the history of modern Germany The updated and expanded new edition now takes the story back to 1789 and brings it right up to the present day adopting a controversy led approach throughout Visual evidence maps documents and key event boxes support the text and aid learning

The Letters Of Rosa Luxemburg Stephen Eric Bronner, 2019-07-16 This book includes a collection of 190 letters that show the personality of Rosa Luxemburg in its political as well as in its personal dimensions It presents the spirit of her time as it is reflected in her political thinking activism and personal concerns **Gustav Landauer: Anarchist and Jew** Paul Mendes-Flohr, Anya Mali, 2014-12-16 For Gustav Landauer literary critic and anarchist scholar of mysticism and participant of the Bavarian revolution culture and politics occupied the same spiritual space While identifying with ethical socialism his Jewish sensibility increasingly gained over the years not only but in great measure due to Buber's influence This volume brings together leading scholars to assess Landauer's ramified literary and political activities his life as a Jew and anarchist paying particular attention to his impact on Martin Buber **A Youth in Germany** Ernst Toller, 2024-01-18 This is the first critical contextualized edition in English of *Eine Jugend in Deutschland* 1933 the remarkable autobiographical account of Ernst Toller 1893-1939 one of the most important German writers of the first half of the twentieth century He was a celebrated poet and along with Bertolt Brecht the most significant and innovative playwright of the Weimar Republic His critically acclaimed and societally controversial work left its mark on many of his contemporaries and is still inspiring writers today Completed at the beginning of Toller's exile from Nazi Germany *Eine Jugend in Deutschland* gives a remarkable account of his childhood as the son of Jewish merchants in Eastern Prussia under Kaiser Wilhelm II his studies in France his eager service at the western front during World War One his conversion to pacifism his activism in the German Revolution of 1918-1919 and leadership in the short lived Bavarian Soviet Republic his trial for high treason and his incarceration as a political prisoner of the Weimar Republic **Hitler's Voice: Organisation & development of the Nazi Party** Detlef Mühlberger, 2004 Detlef Mühlberger's work *Hitler's Voice: The Volkischer Beobachter 1920-1933* is an important addition to the study of National Socialism In today's scholarship it is difficult to locate a detailed work on National Socialism that does not rely in some way on the *Volkischer Beobachter* it was truly the bullhorn of the party from the time when the National Socialists were no more than a small group of unknowns gathering at the Munich Bürgerbräukeller until they gained power in 1933 Considering the vast amount of literature on National Socialism however it is surprising that until now there have only been shorter articles and two dissertations and not a single comprehensive analysis of the newspaper 1 Mühlberger's translation of articles from the *Volkischer Beobachter* addresses this lacuna He has sifted through eleven years of the paper condensing them into two volumes His first volume gives a chronological account of the development and organization of the

party until 1933 while the shorter second volume entitled *Nazi Ideology and Propaganda* examines topical issues such as attacks against the Weimar Republic racism and attempts by the party to garner support from workers farmers and the German Mittelstand

Mein Kampf Adolf Hitler, 2024-02-26 Madman tyrant animal history has given Adolf Hitler many names In *Mein Kampf* My Struggle often called the Nazi bible Hitler describes his life frustrations ideals and dreams Born to an impoverished couple in a small town in Austria the young Adolf grew up with the fervent desire to become a painter The death of his parents and outright rejection from art schools in Vienna forced him into underpaid work as a laborer During the First World War Hitler served in the infantry and was decorated for bravery After the war he became actively involved with socialist political groups and quickly rose to power establishing himself as Chairman of the National Socialist German Workers party In 1924 Hitler led a coalition of nationalist groups in a bid to overthrow the Bavarian government in Munich The infamous Munich Beer hall putsch was unsuccessful and Hitler was arrested During the nine months he was in prison an embittered and frustrated Hitler dictated a personal manifesto to his loyal follower Rudolph Hess He vented his sentiments against communism and the Jewish people in this document which was to become *Mein Kampf* the controversial book that is seen as the blue print for Hitler's political and military campaign In *Mein Kampf* Hitler describes his strategy for rebuilding Germany and conquering Europe It is a glimpse into the mind of a man who destabilized world peace and pursued the genocide now known as the Holocaust

The Essential Rosa Luxemburg Rosa Luxemburg, 2007-02-01 A new authoritative introduction to Rosa Luxemburg's most important works

Rethinking Iranian Nationalism and Modernity Kamran Scot Aghaie, Afshin Marashi, 2014-07-01 While recent books have explored Arab and Turkish nationalism the nuances of Iran have received scant book length study until now Capturing the significant changes in approach that have shaped this specialization *Rethinking Iranian Nationalism and Modernity* shares innovative research and charts new areas of analysis from an array of scholars in the field Delving into a wide range of theoretical and conceptual perspectives the essays all previously unpublished encompass social history literary theory postcolonial studies and comparative analysis to address such topics as Ethnicity in the Islamic Republic of Iran Political Islam and religious nationalism The evolution of U S Iranian relations before and after the Cold War Comparing Islamic and secular nationalism's in Egypt and Iran The German counterrevolution and its influence on Iranian political alliances The effects of Israel's image as a Euro American space Sufism Geocultural concepts in Azar's Atashkadeh Interdisciplinary in essence the essays also draw from sociology gender studies and art and architecture Posing compelling questions while challenging the conventional historiographical traditions the authors many of whom represent a new generation of Iranian studies scholars give voice to a research approach that embraces the modern era's complexity while emphasizing Iranian nationalism's contested multifaceted and continuously transformative possibilities
