The Italian Language in the Digital Age Georg Rehm, Hans Uszkoreit, 2012-07-25 This white paper is part of a series that promotes knowledge about language technology and its potential It addresses educators journalists politicians language communities and others The availability and use of language technology in Europe varies between languages Consequently the actions that are required to further support research and development of language technologies also differ for each language The required actions depend on many factors such as the complexity of a given language and the size of its community META NET a Network of Excellence funded by the European Commission has conducted an analysis of current language resources and technologies This analysis focused on the 23 official European languages as well as other important national and regional languages in Europe The results of this analysis suggest that there are many significant research gaps for each language A more detailed expert analysis and assessment of the current situation will help maximise the impact of additional research and minimize any risks META NET consists of 54 research centres from 33 countries that are working with stakeholders from commercial businesses government agencies industry research organisations software companies technology providers and European universities Together they are creating a common technology vision while developing a strategic research agenda that shows how language technology applications can address any research gaps by 2020

The United Mine Workers Journal, 1917 *Trauma Narratives in Italian and Transnational Women's Writing* Tiziana de Rogatis, Katrin Wehling-Giorgi, 2022-12-14 This edited volume is the first to propose new readings of Italian and transnational female authored texts through the lens of Trauma Studies Illuminating a space that has so far been left in the shadows *Trauma Narratives in Italian and Transnational Women's Writing* provides new insights into how the trope of trauma shapes the narrative temporal and linguistic dimension of these works The various contributions delineate a landscape of female authored Italian and transnational trauma narratives and their complex textual negotiation of suffering and pathos from the twentieth century to the present day These zones of trauma engender a new aesthetics and a new reading of history and cultural memory as an articulation of female creativity and resistance against a dominant cultural and social order

Spicilegium Benedictinum, 1896 **Translating Myself and Others** Jhumpa Lahiri, 2023-09-12 *Translating Myself and Others* is a collection of candid and disarmingly personal essays by Pulitzer

Prizewinning author Jhumpa Lahiri who reflects on her emerging identity as a translator and a writer in two languages
Featuring essays originally written in Italian and published in English for the first time and essays written in English **On**
Information Structure, Meaning and Form Kerstin Schwabe, Susanne Winkler, 2007 This collection of articles offers a
new and compelling perspective on the interface connecting syntax phonology semantics and pragmatics At the core of this
volume is the hypothesis that information structure represents the common interface of these grammatical components
Information structure is investigated here from different theoretical viewpoints yielding typologically relevant information
and structural generalizations In the volume s introductory chapter the editors identify two central approaches to
information structure the formal and the interpretive view The remainder of the book is organized accordingly The first part
examines information structure and grammar concentrating on generalizations across languages The second part
investigates information structure and pragmatics concentrating on clause structure and context Through concrete analyses
of topic focus and related phenomena across different languages the contributors add new and convincing evidence to the
research on information structure **Enlarging one's vision** S. Polenghi, G. Bandini, 2015-05-22 Il processo di
internazionalizzazione della ricerca negli ultimi anni ha subito una rapida accelerazione ed ha comportato una serie di
innovazioni Il volume fornisce una serie di indicazioni e strumenti per facilitare l'acquisizione di una certa dimestichezza con
tali processi come partecipare a congressi rispondendo a call for paper come pubblicare su riviste straniere come trascorrere
un periodo di studio all'estero e via dicendo Il libro raccoglie 15 saggi brevi chiari concreti e critici al contempo opera di
