Quicklet on Steve Martin's An Object of Beauty Vivian Wagner, 2012-02-16 ABOUT THE BOOK I love Steve Martin's *An Object of Beauty* for the same reasons I love the novels of Edith Wharton It's about a doomed heroine who seeks to make her fortune and seems to have the world by the tail even as she and society both have fatal flaws that lead to her downfall It's full of richly detailed characters and descriptions of the turn of the twenty first century art world and it is a true portrait of the modern age *An Object of Beauty* also includes a number of full color reproductions of paintings which are central to the book's story telling and plot The reproductions including James Tissot's *La Mondaine* Ed Ruscha's *Los Angeles County Museum on Fire* Joseph Beuys' *Felt Suit* and many others are almost as much fun to look at as the novel is to read and they flesh out the storytelling in surprising ways I found myself going back and forth between reading the novel and looking at the images of art and this back and forth motion between text and image is one of the novel's primary delights This is a novel for people who love novels and art It's a pleasure to read and it leaves you wanting more of this story When I first read it I wanted to go back and read all of Edith Wharton's repertoire again and I know it will do the same for other readers Anyone who enjoys nineteenth century novels of manners will enjoy this novel and it's all the more enjoyable because it updates those story lines and brings them to life in the modern era

MEET THE AUTHOR professional writer Vivian Wagner has wide ranging interests from technology and business to music and motorcycles She writes features regularly for ECT News Network and her work has also appeared in *American Profile* *Entrepreneur* *Bluegrass Unlimited* and many other publications She is also the author of *Fiddle One Woman Four Strings* and *8 000 Miles of Music* Citadel 2010 For more about her visit her website at www.vivianwagner.net

EXCERPT FROM THE BOOK *An Object of Beauty* is divided in three sections Part I begins by introducing the voice of the narrator Daniel Franks It opens with Daniel giving us a sense of who he is as a relatively distant and yet involved narrator I am tired so very tired of thinking about Lacey Yeager yet I worry that unless I write her story down and see it bound and tidy on my bookshelf I will be unable to write about anything else The occasion of this writing trying to get down the story of Lacey once and for all returns throughout the novel as the narrator tries to come to terms with his complicated feelings for Lacey This first book sets up their rocky relationship and it also shows us the beginnings of Lacey's career in the art world of New York in the 1990s where she works in the basement of Sotheby's

preparing paintings for auction She and Daniel share some features of their careers since they re both involved in art though he s more interested in the aesthetics whereas she gradually becomes more interested in the monetary value of that art When the story opens they re both 23 years old fresh out of college and eager to make it in the big world This first part of the novel shows Lacey coming of age becoming an adult and growing beyond the furniture and boyfriends of her past Buy a copy to keep reading *American Book Publishing Record* ,1997 **An Object of Beauty** Steve Martin,2010-11-23 Lacey Yeager is young captivating and ambitious enough to take the NYC art world by storm Groomed at Sotheby s and hungry to keep climbing the social and career ladders put before her Lacey charms men and women old and young rich and even richer with her magnetic charisma and liveliness Her ascension to the highest tiers of the city parallel the soaring heights and at times the dark lows of the art world and the country from the late 1990s through today *Born Standing Up* Steve Martin,2008-09-04 Steve Martin has been an international star for over thirty years Here for the first time he looks back to the beginning of his career and charmingly evokes the young man he once was Born in Texas but raised in California Steve was seduced early by the comedy shows that played on the radio when the family travelled back and forth to visit relatives When Disneyland opened just a couple of miles away from home an enchanted Steve was given his first chance to learn magic and entertain an audience He describes how he noted the reaction to each joke in a ledger big laugh or quiet and assiduously studied the acts of colleagues stealing jokes when needed With superb detail Steve recreates the world of small dark clubs and the fear and exhilaration of standing in the spotlight While a philosophy student at UCLA he worked hard at local clubs honing his comedy and slowly attracting a following until he was picked up to write for TV From here on Steve Martin became an acclaimed comedian packing out venues nationwide One night however he noticed empty seats and realised he had reached the top of the rollercoaster BORN STANDING UP is a funny and riveting chronicle of how Steve Martin became the comedy genius we now know and is also a fascinating portrait of an era **Forthcoming Books** Rose Arny,1997 *International Dictionary of Films and Filmmakers: Actors and actresses* Tom Pendergast,Sara Pendergast,2000 Contains over two thousand entries arranged alphabetically within four volumes that provide information about significant films actors and actresses directors and writers and production artists in North American British and West European cinematic history Includes photographs and indexes *Contemporary Authors* Tracey Watson,2005-08 These exciting and unique author profiles are essential to your holdings because sketches are entirely revised and up to date and completely replace the original Contemporary Authors entries A softcover cumulative index is published twice per year included in subscription **Late for School** Steve Martin,2010-09-08 Getting to school has never been quite this difficult or hilarious Celebrated writer and performer Steve Martin and dynamic artist C F Payne illustrator of John Lithgow s children s books have teamed up to tell a story of the adventure danger and laughs of the journey to school Enclosed with the book is a CD of Martin on banjo and vocals singing the book s story with a bluegrass twist Undoubtedly a new classic for readers of all

ages Late to School is the perfect gift to be read and listened to again and again **The Pleasure of My Company** Steve Martin,2003-10-01 From the bestselling author of Shopgirl comes the tender story of a troubled man who finds love and life in the most unexpected place Daniel resides in his Santa Monica apartment living much of his life as a bystander He watches from his window as the world goes by and his only relationships seem to be with people who barely know he exists He passes the time idly filling out contest applications counting ceiling tiles and estimating the wattage of light bulbs It is through Daniel s growing attachment to Clarissa and to Teddy that he finally gains the courage to begin to engage the world outside and in doing so he discovers love and life in the most surprising places Filled with his trademark humor tenderness and out and out hilarious wordplay The Pleasure of My Company is a tour de force sure to delight all of Steve Martin s fans *Guide to American Cinema, 1965-1995* Daniel Curran,1998-05-26 This is not an attempt to list the greatest films of the period nor the greatest actors and directors but an attempt to give a representation of the times Introduction p xii **Movies of the 80s** Jürgen Müller,2002 This book s 140 A Z entries include synopses film stills and production photos
