

Pierre Corneille

L'Illusion Comique

Edition augmentée

L Illusion Comique

Jeffrey N. Peters

L Illusion Comique:

L'illusion Comique Pierre Corneille, 2014-12-14 L illusion Comique by Pierre Corneille Adapted Freely by Kevin P Joyce
Pierre Corneille's 1636 masquerade of reality versus illusion is translated and transported to turn of the century Louisiana
Pridamant an elderly man seeks to reconnect with his estranged son with the help of the voodoo priestess Alcandre She
conjures visions of his son now known as Clindor and his misadventures and love affairs **Illusion Comique and Le**
Menteur John Trethewey, 1991 **L'illusion Comique** Pierre Corneille, 1965 **From Page to Stage** Gay McAuley, 1987
Shimmering Space Patrick John O'Brien, 1987 **The Illusion** Pierre Corneille, 1994-10-01 The most lavish and
picturesque special effects are what come out of the mouths of the people onstage Mr Kushner makes words sing swoon and
somersault as no other living American playwright does Ben Brantley New York Times Rapture comes naturally to playwright
Tony Kushner and in The Illusion he plants a big swoony kiss on the lips of the theater Nelson Pressley Washington Post The
Illusion certainly has the stamp of Kushner's delight in language This is a modern interpretation filled with energy colour and
humour Telegraph UK Fantastical tribute to the magic of theater You may resist its charms at first but soon enough you
soften and intoxicated by Kushner's language and swayed by the music of his ideas you submit to The Illusion's ravishments
TimeOut New York Tony Kushner's adaptation of The Illusion triumphs as a thoroughly modern rendering of Pierre Corneille
s neoclassical French comedy while featuring the exquisite wordplay beguiling comedy and fierce intelligence found in all of
Kushner's work An enchanting argument for the power of theatrical imagination over reality The Illusion weaves obsession
and caprice romance and murder fact and fiction into an enticing exploration of the greatest illusion of all love *The Play*
Within the Play Gerhard Fischer, Bernhard Greiner, 2007 The thirty chapters of this innovative international study are all
devoted to the topic of the play within the play The authors explore the wide range of aesthetic literary theoretical and
philosophical issues associated with this rhetorical device not only in terms of its original meta theatrical setting from the
baroque idea of a theatrum mundi onward to contemporary examples of postmodern self referential dramaturgy but also with
regard to a variety of different generic applications e g in narrative fiction musical theatre and film The authors
internationally recognized specialists in their respective fields draw on recent debates in such areas as postcolonial studies
game and systems theories media and performance studies to analyze the specific qualities and characteristics of the play
within the play as ultimate affirmation of the self the Hamlet paradigm as a self reflective agency of meta theatrical discourse
and as a vehicle of intermedial and intercultural transformation The challenging study with its underlying premise of play as
a key feature of cultural anthropology and human creativity breaks new ground by placing the play within the play at the
centre of a number of intersecting scholarly discourses on areas of topical concern to scholars in the humanities
Aesthetic Illusion Frederick Burwick, Walter Pape, University of California (System). Humanities Research Institute, 1990

marshals some of the greatest thinkers of our age in support of a dazzling re evaluation of Jacques Lacan **The Written World** Jeffrey N. Peters, 2018-05-15 In *The Written World* Space Literature and the Chorological Imagination in Early Modern France Jeffrey N Peters argues that geographic space may be understood as a foundational originating principle of literary creation By way of an innovative reading of chora a concept developed by Plato in the *Timaeus* and often construed by philosophical tradition as space Peters shows that canonical literary works of the French seventeenth century are guided by what he calls a chorological approach to artistic invention The chorological imagination describes the poetic as a cosmological event that gives location to or more accurately in Plato's terms receives the world as an object of thought In analyses of well known authors such as Corneille Molière Racine and Madame de Lafayette Peters demonstrates that the apparent absence of physical space in seventeenth century literary depiction indicates a subtle engagement with rather than a rejection of evolving principles of cosmological understanding Space is not absent in these works so much as transformed in keeping with contemporaneous developments in early modern natural philosophy *The Written World* will appeal to philosophers of literature and literary theorists as well as scholars of early modern Europe and historians of science and geography *Metatheater and Modernity* Mary Ann Frese Witt, 2013 *Metatheater and Modernity* is the first book to link the concept of metatheater with those of baroque and neobaroque It refines and probes these concepts through close analyses and comparisons of seventeenth with twentieth century plays Authors discussed include Rotrou Sartre Kushner Bernini Shakespeare Pirandello Molière Giraudoux *The Histrionic Sensibility* Ziad Elmarsafy, 2001 , *A Critical Bibliography of French Literature* H. Gaston Hall, 1983-02-01 Richard A Brooks general editor v **Tony Kushner** James Fisher, 2006-04-21 Playwright Tony Kushner is a voice of intellectualism neo socialism gay activism and political outrage in an era when the political pendulum has swayed to the right Through scalding humor thought and compassion he explores political dynamics and the human condition in the modern era shedding light on and giving hope for the direst of circumstances His best known work *Angels in America* delves beneath the anti gay rhetoric and political superficiality of the AIDS pandemic to true suffering and transformation His political epic *Homebody* Kabul engages the issue of terrorism and conflicting fundamental beliefs In this book 11 scholars explore the works of Tony Kushner across his career Several address *Angels* one explores the presentation of homosexuality by Kushner compared to that of Tennessee Williams who wrote in a less tolerant era another places *Angels* in the contexts of Hegel's concept of freedom and the gay revolution a third discusses the play in terms of queer theory and politics *Homebody* Kabul is examined in two essays one analyzing media reaction the other exploring cultural and economic differences religious fundamentalism and the West's luxurious predominance in the world Other studies address relationships in Kushner's works to William Inge's 1950 play *Come Back Little Sheba* the plays of experimentalist Adrienne Kennedy and fascist creep in the era of playwrights W H Auden and Christopher Isherwood among other topics *Mendacity and the Figure of the Liar in Seventeenth-Century French Comedy* Emilia

Wilton-Godberfforde,2017-06-14 The first book length study devoted to this topic Mendacity and the Figure of the Liar in Seventeenth Century French Comedy offers an important contribution to scholarship on the theatre as well as on early modern attitudes in France specifically on the subject of lying and deception Unusually for a scholarly work on seventeenth century theatre it is particularly alert to plays as performed pieces and not simply printed texts The study also distinguishes itself by offering original readings of Moli re alongside innovative analyses of other playwrights The chapters offer fresh insights on well known plays by Moli re and Pierre Corneille but also invite readers to discover lesser known works of the time by writers such as Benserade Thomas Corneille Dufresny and Rotrou Through comparative and sustained close readings including a linguistic and speech act approach a historical survey of texts with an analysis of different versions and a study of irony the reader is shown the manifest ways in which different playwrights incorporate the comedic tropes of lying and scheming confusion and unmasking Drawing particular attention to the levels of communicative or mis communicative exchanges on the character to character axis and the character to audience axis this work examines the process whereby characters in the comedies construct narratives designed to trick misdirect dazzle confuse or exploit their interlocutors In the different incarnations of seducer parasite cross dresser duplicitous narrator messenger and deluded mythomaniac the author underscores the way in which the figure of the liar both entertains and troubles making it a fascinating subject worthy of detailed investigation

A Certain Tendency of the Hollywood Cinema, 1930-1980 Robert B. Ray,1985-05-21 An analysis of the ideologies and artistic conventions of American movies includes examinations of films such as Casablanca Taxi Driver and The Godfather

The Theater of Tony Kushner James Fisher,2013-09-05 The Theater of Tony Kushner is a comprehensive portrait of the life and work of one of America s most important contemporary playwrights

The Oxford Handbook of the Baroque John D. Lyons,2019-08-08 Few periods in history are so fundamentally contradictory as the Baroque the culture flourishing from the mid sixteenth to the mid eighteenth centuries in Europe When we hear the term Baroque the first images that come to mind are symmetrically designed gardens in French chateaux scenic fountains in Italian squares and the vibrant rhythms of a harpsichord Behind this commitment to rule harmony and rigid structure however the Baroque also embodies a deep fascination with wonder excess irrationality and rebellion against order The Oxford Handbook of the Baroque delves into this contradiction to provide a sweeping survey of the Baroque not only as a style but also as a historical cultural and intellectual concept With its thirty eight chapters edited by leading expert John D Lyons the Handbook explores different manifestations of Baroque culture from theatricality in architecture and urbanism to opera and dance from the role of water to innovations in fashion from mechanistic philosophy and literature to the tension between religion and science These discussions present the Baroque as a broad cultural phenomenon that arose in response to the enormous changes emerging from the sixteenth century the division between Catholics and Protestants the formation of nation states and the growth of absolutist monarchies the colonization of lands outside Europe and the mutual impact of

European and non European cultures Technological developments such as the telescope and the microscope and even greater access to high quality mirrors altered mankind s view of the universe and of human identity itself By exploring the Baroque in relation to these larger social upheavals this Handbook reveals a fresh and surprisingly modern image of the Baroque as a powerful response to an epoch of crisis *French Classics* Gustave Masson,Moliere and Racine Corneille,2022-02-12 Reprint of the original first published in 1867

Unveiling the Magic of Words: A Report on "**L Illusion Comique**"

In some sort of defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their capability to kindle emotions, provoke contemplation, and ignite transformative change is really awe-inspiring.
