Biographical treatment of literary character Kinsey Millhone a detective featured in Sue Grafton's mystery novels explores Millhone's life work and thoughts **"H" is for Homicide** Sue Grafton, 2010-04-01 His name was Parnell Perkins and until shortly after midnight he'd been a claims adjuster for California Fidelity Then someone came along and put paid to that line of work And to any other Parnell Perkins had been shot at close range and left for dead in the parking lot outside California Fidelity's offices To the cops it looked like a robbery gone sour To Kinsey Millhone it looked like the cops were walking away from the case She didn't like the idea that a colleague and sometime drinking companion had been murdered Or the idea that his murderer was loose and on the prowl It made her feel exposed Vulnerable Bibianna Diaz was afraid for her life If there was one thing she knew for sure it was that you didn't cross Raymond Maldonado and live to tell the tale And Bibianna had well and truly crossed him running out on his crazy wedding plans and going into hiding in Santa Teresa light years away from the Los Angeles barrio that was home turf to Raymond and his gang Now she needed money to buy time to make sure she'd put enough space between them And the quickest way she knew to get money was to work an insurance scam just like the ones Raymond was running down in L A The trouble was Bibianna picked California Fidelity as her mark And it wasn't long before her name surfaced in one of Parnell Perkins's open files and Kinsey was on her case But so too was her spurned suitor Raymond Maldonado He had a rap sheet as long as his arm a hair trigger temper that was best left untested and an inability to take no for an answer He also had Tourette's syndrome which did nothing to smooth out the kinks in his erratic and often violent behavior All in all Raymond Maldonado was not someone to spend a lot of time hanging out with Unfortunately for Kinsey she didn't have a lot of choice in the matter Not after the love sick Raymond kidnapped Bibianna Like it or not Kinsey was stuck babysitting Bibianna along with Raymond and his macho crew You might say she was a prisoner of love It may be Kinsey Millhone's most complicated and risk filled case It certainly is Sue Grafton's wittiest venture into low life crime It's H is for Homicide and it confirms yet again that Kinsey Millhone is a wonderful character tough but not brutish resourceful and sensitive a fit knight to walk those mean streets with her male predecessors the Los
