The Decline and Fall of Practically Everybody 1950 This biography doubles as a critical study of a satirist whose shish kebabing of humanity was often done through the veiled anthropomorphic use of animals For a biographer Will Cuppy represents a treasure trove of possibilities He was a great humorist and most of his best work is still in print but until now he has never been the subject of a book length study His mesmerizingly complex and eccentric private life almost trumps the comic accomplishments of his public persona **Feasting on Misfortune** David Jones,1998-02 Against this background of confrontation constraint and adversity Albertans searched for human fulfillment in their personal lives David C Jones follows the sagas of a heretic an artist two paladins of the people a coal boss and his enemies a spy a priest a cat and a sage Through his eyes we see what the human spirit does with misfortune the spirit feeds on trouble until it grows or sickens BOOK
