## **Left Behind In Rosedale:**

*Left Behind in Rosedale* Taylor & Francis Group, 2019-08-30      **Left Behind In Rosedale** Scott Cummings, 1998-01-30

*Left Behind in Rosedale* is a stunning analysis of community and neighborhood decline Through creative application of ethnographic analysis participant observation and in depth interviews Scott Cummings unique book breathes human life into one of the most serious problems facing the nation s cities the ghettoization of urban neighborhoods Transcending demographic and statistical analysis he vividly and passionately tells the story of ghettoization by explaining what happens to people s lives during the process of racial transition and change Cummings takes the reader on a distressing historical journey detailing the progressive decline of one community s culture Along the way he explains and explores the futile attempts of its white elderly residents to maintain their traditional way of life He then moves to an examination of the black youth who victimize the elderly and explains the family and gang context of their actions Moving full circle some fifteen years later after the collapse of Rosedale is nearly complete Cummings documents the similar plight facing the black elderly and details the grinding poverty that has enveloped the entire community He concludes by evaluating the community s effort to revitalize itself and explains why these efforts failed Cummings uses the case of Rosedale as a window to explore and critically evaluate the evolution of American urban policy over the past forty years He concludes that many of our efforts to solve urban problems have actually made them worse This book should be read by liberals and conservatives alike neighborhood and community activists politicians and reformers urban planners of American cities and citizens who want to know why government efforts to revitalize urban neighborhoods have accomplished so little      *Left Behind In Rosedale* Scott Cummings, 2018-02-02 This book has the potential to be a classic in the fields of race relations and urban sociology Cleveland State University      *The Unprotected Class* Jeremy Carl, 2024-04-23 Anti white racism undisguised and unembarrassed is now official policy in America One class of citizens whites is openly discriminated against in every sphere of public and private life *The Unprotected Class* is a comprehensive explanation of how we got here and what we must do to correct a manifest and dangerous injustice Launched with an appeal to justice for all the civil rights movement went off the rails even as it achieved its original goals Soon its excesses and failures were exploited to justify discrimination against whites in business education law entertainment and even the church With the death of George Floyd and the shedding of all pretense of racial justice vindictiveness resentment and hatred were unleashed in America      **Gangs** Scott Cummings, Daniel J. Monti, 1993-01-01 This book is an examination of contemporary gangs in American cities Gangs have proliferated over the past ten years and pose a new set of challenges to public officials law enforcement agencies and urban educators Most major cities are now confronted with serious problems derived from gang violence drug traffic and disruption of the public educational system In the face of deindustrialization and deepening recession many minority youngsters view gangs as attractive alternatives to a futile search for employment in a deteriorating urban economy Perhaps most significant

gangs are now beginning to emerge in small and medium sized cities Some of the nation s leading scientists and scholars have been brought together in this book to examine the contemporary contours of America s gang problem including Daniel J Monti Joan Moore Scott Cummings Howard Pinderhughes Diego Vigil Ray Hutchison Felix Padilla Jerome H Skolnick Pat Jackson and Robert A Destro New material dealing with wilding gangs migration and drug trafficking and public educational disruption appear in this volume Other topics covered include how gangs are organized what social function they serve their relation to conventional society and the social and psychological factors that contribute to their rise The relationship of the contemporary gang problem to past research is explored and a rich variety of case histories and comparative analysis is presented The book also includes a section on public policy      **Dark Laboratory** Tao Leigh Goffe,2025-01-21 A

groundbreaking investigation of the Caribbean as both an idyll in the American imagination and a dark laboratory of Western experimentation revealing secrets to racial and environmental progress that impact how we live today Dark Laboratory is a gargantuan soulful work It obliterates most of what I thought I knew about the Caribbean s utility to Western Wealth Kiese Laymon New York Times bestselling author of Heavy In 1492 Christopher Columbus arrived on the Caribbean Island of Guanahan to find an Edenic scene that was soon mythologized But behind the myth of paradise the Caribbean and its people would come to pay the price of relentless Western exploitation and abuse In Dark Laboratory Dr Tao Leigh Goffe embarks on a historical journey to chart the forces that have shaped these islands the legacy of slavery indentured labor and the forced toil of Chinese and enslaved Black people who mined the islands bounty including guano which at the time was more valuable than gold for the benefit of European powers and at the expense of the islands sacred ecologies Braiding together family history cultural reportage and social studies Goffe radically transforms how we conceive of Blackness the natural world colonialism and the climate crisis and in doing so she deftly dismantles the many layers of entrenched imperialist thinking that shroud our established understanding of the human and environmental conditions to reveal the cause and effect of a global catastrophe Dark Laboratory forces a reckoning with the received forms of knowledge that have led us astray Through the lens of the Caribbean both guide and warning of the man made disasters that continue to plague our world Goffe closely situates the origins of racism and climate catastrophe within a colonial context And in redressing these twin apocalypses Dark Laboratory becomes a record of the violence that continues to shape the Caribbean today But it is also a declaration of hope offering solutions toward a better future based on knowledge gleaned from island ecosystems and an impassioned urgent testament to the human capacity for change and renewal      The House of Mirth Edith Wharton,2013-05-07 But his

greeting expressed no more than the satisfaction which every pretty woman expects to see reflected in masculine eyes and the discovery if distasteful to her vanity was reassuring to her nerves      *House of Mirth* Edith Wharton,2020-09-28 Selden paused in surprise In the afternoon rush of the Grand Central Station his eyes had been refreshed by the sight of Miss Lily Bart It was a Monday in early September and he was returning to his work from a hurried dip into the country but what was

Miss Bart doing in town at that season If she had appeared to be catching a train he might have inferred that he had come on her in the act of transition between one and another of the country houses which disputed her presence after the close of the Newport season but her desultory air perplexed him She stood apart from the crowd letting it drift by her to the platform or the street and wearing an air of irresolution which might as he surmised be the mask of a very definite purpose It struck him at once that she was waiting for some one but he hardly knew why the idea arrested him There was nothing new about Lily Bart yet he could never see her without a faint movement of interest it was characteristic of her that she always roused speculation that her simplest acts seemed the result of far reaching intentions An impulse of curiosity made him turn out of his direct line to the door and stroll past her He knew that if she did not wish to be seen she would contrive to elude him and it amused him to think of putting her skill to the test Mr Selden what good luck She came forward smiling eager almost in her resolve to intercept him One or two persons in brushing past them lingered to look for Miss Bart was a figure to arrest even the suburban traveller rushing to his last train Selden had never seen her more radiant Her vivid head relieved against the dull tints of the crowd made her more conspicuous than in a ball room and under her dark hat and veil she regained the girlish smoothness the purity of tint that she was beginning to lose after eleven years of late hours and indefatigable dancing Was it really eleven years Selden found himself wondering and had she indeed reached the nine and twentieth birthday with which her rivals credited her What luck she repeated How nice of you to come to my rescue He responded joyfully that to do so was his mission in life and asked what form the rescue was to take Oh almost any even to sitting on a bench and talking to me One sits out a cotillion why not sit out a train It isn t a bit hotter here than in Mrs Van Osburgh s conservatory and some of the women are not a bit uglier She broke off laughing to explain that she had come up to town from Tuxedo on her way to the Gus Trenors at Bellomont and had missed the three fifteen train to Rhinebeck And there isn t another till half past five She consulted the little jewelled watch among her laces Just two hours to wait And I don t know what to do with myself My maid came up this morning to do some shopping for me and was to go on to Bellomont at one o clock and my aunt s house is closed and I don t know a soul in town She glanced plaintively about the station It IS hotter than Mrs Van Osburgh s after all If you can spare the time do take me somewhere for a breath of air
