Legal Thriller:

The Legal Thriller from Gardner to Grisham Lars Ole Sauerberg, 2016-11-10 This book offers a critically informed yet relaxed historical overview of the legal thriller a unique contribution to crime fiction where most of the titles have been written by professionals such as lawyers and judges The legal thriller typically uses court trials as the suspense creating background for presenting legal issues reflecting a wide range of concerns from corporate conflicts to private concerns all in a dramatic but highly informed manner With authors primarily from the USA and the UK the genre is one which nonetheless enjoys a global reading audience As well as providing a survey of the legal thriller this book takes a gender focused approach to analyzing recently published titles within the field It also argues for the fascination of the legal thriller both in the way its narrative pattern parallels that of an actual court trial and by the way it reflects frequently quite critically the concerns of contemporary society

The Southern Criminal Peter O'Mahoney, 2022-08-16 Justice is a deadly game When one of South Carolina's most powerful lawyers is charged with the murder of his wife criminal defense attorney Joe Hennessy agrees to be part of the defense team As Hennessy builds a legal defense he's thrown into a world of danger and corruption cruelty and violence Despite his full caseload Hennessy agrees to defend a folk singer charged with drug trafficking As he prepares for the trial Hennessy digs into a world of lies manipulation and exploitation Fighting to find the truth in both cases Hennessy battles against violent criminals corrupt businessmen and ruthless felons He follows the evidence trail digging deep into the criminal underworld With the clock ticking the pressure builds from all sides of the law The evidence Hennessy uncovers provides the chance to expose a deadly secret But to do that to take that gamble to take that chance Joe Hennessy must risk everything he loves The Southern Criminal is the second book in an epic new legal thriller series

Crime Fiction John Scaggs, 2005 Provides a lively introduction to what is both a wide ranging and hugely popular literary genre Accessible and clear this comprehensive overview is the essential guide for all those studying crime fiction
