Legal Skills A Students Guide To Professional Skills:

The Legal Skills Book Hugh Brayne, Richard H. Grimes, 1998-01-01 The second edition of this text takes account of changes following the revision of the Legal Practice Course syllabus Greater emphasis is placed on business law and practice tax and legal research and use of information technology is incorporated extensively

The Global Clinical Movement Frank S. Bloch, 2011 Clinical legal education is playing an increasingly important role in educating lawyers worldwide In The Global Clinical Movement Educating Lawyers for Social Justice editor Frank S Bloch and contributors describe the central concepts goals and methods of clinical legal education from a global perspective with a particular emphasis on its social justice mission With chapters written by leading clinical legal educators from every region of the world The Global Clinical Movement demonstrates how the emerging global clinical movement can advance social justice through legal education Professor Bloch and the contributors also examine the influence of clinical legal education on the legal academy and the legal profession and chart the global clinical movement s future role in educating lawyers for social justice The Global Clinical Movement consists of three parts Part I describes clinical legal education programs from every region of the world and discusses those qualities that are unique to a particular country or region Part II discusses the various ways that clinical programs and the clinical methodology advance the cause of social justice around the world Part III analyzes the current state of the global clinical movement and sets out an agenda for the movement to advance social justice through socially relevant legal education
