that you are living in other universes simultaneously with this one Do you travel back and forth between other dimensions without your conscious knowledge Could it be possible that you are only a splinter or fragment of a much larger soul Do parallel universes exist side by side with this one Are you living all your past and future lives at the same time What is the God Source These questions and many more are explored in this long awaited sequel to *The Custodians* This information proceeded beyond abduction into complicated metaphysics creating the need to explore more mind expanding *The Convoluted Universe: Book 4* Dolores Cannon, 2011-01-01 This is the fourth volume in the series in the wildly successful *Convoluted Universe* series Premier hypnotherapist and psychic researcher Dolores Cannon does it again Using deep hypnosis and past life regression techniques she presents mind blowing theories and concepts originating from other dimensions In this amazing book is more information about the spirit side where we go after we die Plus new information on the life reviews and preparing contracts and your life plan of what you hope to accomplish on your return to Earth Cannon uncovers forgotten ancient knowledge that secret mystery schools and ancient civilizations used and is being brought back now Ancient mysteries such as Atlantis Lemuria the original Stonehenge and the creation of life on Earth are explored

The Search for Hidden, Sacred Knowledge Dolores Cannon, 2014-12-21 Many of us lived previous lives as keepers of sacred knowledge that was taught in the ancient mystery schools Much of this knowledge was lost through time due to disasters and destruction or death The knowledge was reserved for a select few who devoted their lives to understanding and teaching it **Horns of the Goddess** Dolores Cannon, 2022-12-06 In 1983 Dolores was working with several individuals

who volunteered for sessions to help her hone her craft in hypnosis Over the years she had developed her own technique of hypnosis where the client would go into a very deep state of trance and was able to re live the past life they were seeing When these individuals went back to a time in the past it would be like they were actually there If there was something in our time that was not in their time they wouldn't know what you were talking about This book is about the past lives of three of these volunteers who went back to the time of the Druids and were giving information about how it was to live during this time and the difficulties that were experienced while trying to live with the faith of Mother Earth The Inquisition was always lurking around trying to find these special groups that were not of their religion and were trying to force them to reveal information about their beliefs and practices The Inquisition believed these special groups had powers and too much influence on the regular people So come along with us and take the journey into the past As Dolores would say They thought they had gotten rid of us with the torches and burnings but we're back **Five Lives Remembered** Dolores Cannon, 2009

THE BEGINNING What do you do when you discover information that is before its time What do you do when your curiosity takes you on an adventure that is so bizarre that there is nothing normal to relate to This is what happened to Dolores Cannon in 1968 long before she began her career as a past life hypnotherapist and regressionist Travel back with us to that time when the words reincarnation past lives regression walk ins New Age were unknown to the general population This is

the story of two normal people who accidentally stumbled across past lives while working with a doctor to help a patient relax. It began so innocently yet it crossed the boundaries of the imagination to open up an entirely new way of thinking at a time when such a thing was unheard of. It went totally against the belief systems of the time. It was so startling that they should have stopped but their curiosity demanded that they continue to explore the unorthodox. The experiment changed the participants and everyone involved and their beliefs would never be the same. Dolores Cannon is now a world renowned hypnotherapist who has explored thousands of cases in the forty years since 1968 and has written fifteen books about her discoveries. Her books are translated into more than 20 languages. She is teaching her unique form of hypnosis all over the world. When she lectures people ask, "How did you get started on all of this?" This is the story of her beginnings. The book was written in 1980, her very first book. It has laid dormant, gathering dust until now, waiting. Now is the time for it to come forth. Enjoy the adventure. *Application of Impossible Things - My Near Death Experience in Iraq* Natalie Sudman, 2021-02-09. Natalie's near death experience when her truck was hit with a roadside bomb in Iraq. She recalls the entire spirit side experience as they repair her body so she could live. Legacy from the Stars Dolores Cannon, 1996. We are children of the stars. This is our legacy and our heritage. In the history of the cosmos, Earth is a young planet. Our souls, on the other hand, have been around forever and will continue to be around forever. Thus, Earth is not our only home. We have lived many lives in unusual environments before deciding to journey here and learn the lessons of Earth. After our schooling is completed on this planet, we will journey onward to discover new worlds to explore. The memories of these soul journeys are recorded in our subconscious and in Legacy from the Stars. Hypnotherapist Dolores Cannon shows that they can be retrieved through regressive hypnosis. She reports dramatic cases where the subjects relived other lifetimes in strange environments, inhabitants of other planets. After reading her latest book, you may agree that we are all extraterrestrials and Earth is merely a stop over in our long adventure. Beyond Our World, Book 1 - Stellar Soul David Rousseau, 2023-09-05. I am a stellar soul from the Great Central Sun, experiencing earth through this human avatar. I quickly remembered that I was not from this world. From the age of six to forty-six, very few knew of my experience except for those close to me. It all began one evening in the summer of 1981 when I was playing outside. I saw a bluish white light come down from the sky and position itself right above me. It just stood there motionless. The moment seemed to last forever. When the object had gone back to the vertical and at an incredible speed, I found myself in front of a being which was obviously not terrestrial. Humanoid in shape, bluish skin with slight silver highlights, large green eyes and long deep black hair. It was Ezahyel, my brother from the Pleiades. He would come back to see me so that I would not forget who I was and where I came from. Forty years later, my first book was published, *Au Del De Notre Monde*, in which I relate my personal spiritual, universal, and galactic experiences. **The Custodians** Dolores Cannon, 1998. UFO sightings and abductions by aliens were the beginning, the tip of the iceberg. Dolores Cannon's work in hypnosis has taken the study beyond abduction.
