The Story of Santa Claus Joseph A. McCullough, 2014-09-20 The perfect Christmas gift this beautiful book explains how the bearded red clad big bellied reindeer driving jovial gent came to be the face of Christmas and reveals the historical origins of Saint Nicholas over seventeen hundred years ago in the Eastern Roman Empire In a winding magical tale filled with mystery and good will towards all men Joseph McCullough travels across Europe and the North Pole of course to uncover the exploits of Santa in a book that is sure to fill even the most jaded scrooges with a little bit of Christmas magic And for any nervous parents out there don't worry there are no Father Christmas spoilers between the pages of this book ensuring the wonderful children's whisperings of Santa will continue for another couple of years at least **Legend of Santa Claus**, 1985 Legend of Santa Claus - How Santa Came to Be Kevin D. Thomas, 2020-11-09 The Legend of Santa Claus was written to help teach children about the true meaning of Christmas which is to celebrate the birth of our Savior Jesus Christ while also being able to celebrate the secular tradition of Santa Claus This story teaches what Santa is really about without dampening the whole magical tradition of Christmas It provides a method for helping children understand the difference between the reality of Jesus Christ and the legend of Santa Claus I didn't want my own children and grandchildren to be confused by the things we say and do at Christmas time that could bring serious misunderstandings in their minds It started out as just a poem I wrote When I met George and Ruth Olson and realized their talents in art I asked them to help me turn my poem into a book This little gem is the result and is my first published book I hope you find it enjoyable and helpful in teaching your children about Santa Claus without undermining their learning about Jesus Christ For Christian Children it is not always easy to understand the concept of putting their faith trust and belief in a being with miraculous powers who they cannot see and not get confused between the two of them We hope you enjoy this short read and the beautiful imagery created for this story Jesus Christ truly is our Savior and He Lives I love to celebrate His birth at Christmas It is my favorite time of year Merry Christmas **The Nicholas Book** William Chad Newsom, 2012 If Santa isn't real is Jesus real So asked one child on being told that Santa is not real No Christian parent wants their child to doubt the reality of Christ But is it true that Santa isn't real The death of magic is the birth of unbelief one pastor writes If so then it is possible to be honest with our children without killing the magic of Christmas To prove it William Chad Newsom wrote The Nicholas Book A Legend of Santa Claus Journey back to small town America in 1959 as The Nicholas Book follows the adventures of Joshua and Rachel Kirk two kids who set off on a quest to learn the truth behind the many Santa Claus legends Hearing of a mysterious book that may answer their questions they head for The Old Page Bookshop but on the way they are pursued by enemies one who wants revenge and one who wants only the Book To find the truth Joshua and Rachel will have to face their fears and learn to see the magic of the world with new eyes Of all Christmas legends none has captured the imaginations of young and old for more centuries than the story of Saint Nicholas Weaving a story tapestry of history and myth The Nicholas
