**Legends and Myths of North Carolina's Roanoke-Chowan Area** Frank Roy Johnson, 1966      Legends and Myths of North Carolina's Roanoke Chowan F. Roy Johnson, 1966      Legends, Myths and Folk Tales of the Roanoke Chowan F. Roy Johnson, 2011-08      *Voices from within the Veil* William H. Alexander, Charles H. Ford, Cassandra L. Newby-Alexander, 2009-05-27 And then the Veil It drops as drops the night on southern seas vast sudden unanswering There is Hate behind it and Cruelty and Tears As one peers through its intricate unfathomable pattern of ancient old old design one sees blood and guilt and misunderstanding And yet it hangs there this Veil between Then and Now between Pale and Colored and Black and White between You and Me W E B DuBois Darkwater Voices from within the Veil 1920 As the promoters of Jamestown 2007 began to speak of the accomplishment of greater diversity in the nation and to market the myth of the seamless confluence of Indian European and African traditions in the early colony many reflected not only about how the United States colonial origins were based on the entrepreneurial ambitions of English settlers the conquest and degradation of native populations and the subsequent uprooting and enslavement of untold numbers of Africans but also about how the more recent legacy of decades of discrimination and marginalization continue to shape our world today Despite the assimilation acculturation and dehumanization that have occurred in the Americas African Americans have continued to refashion their cultures to fit their own social needs and aesthetic preferences From Introduction Voices from within the Veil explores the 400 year prelude to the inclusion of African Americans in the commemoration of this nation s origins With innovative approaches and pioneering research these essays address both the conditions of African Americans marginalization and some of the paths toward their empowerment marronage the Underground Railroad social organization and massive protest movements among others      **The Journal of American Folklore** ,1988      *North Carolina Folklore* ,1971      **American Regional Folklore** Terry Mood Leopold, 2004-09-24 An easy to use guide to American regional folklore with advice on conducting research regional essays and a selective annotated bibliography American Regional Folklore begins with a chapter on library research including how to locate a library suitable for folklore research how to understand a library s resources and how to construct a research strategy Mood also gives excellent advice on researching beyond the library locating and using community resources like historical societies museums fairs and festivals storytelling groups local colleges newspapers and magazines and individuals with knowledge of the field The rest of the book is divided into eight sections each one highlighting a separate region the Northeast the South and Southern Highlands the Midwest the Southwest the West the Northwest Alaska and Hawaii Each regional section contains a useful overview essay written by an expert on the folklore of that particular region followed by a selective annotated bibliography of books and a directory of related resources      **Names New and Old** Edwin Wallace McMullen, 2002 These essays tell the story of geographic literary personal and various other types of names Information on names is offered chronologically from 1391 up to the present time

and the hip lit names used in Bret Easton Ellis's *Less than Zero* There are also technical studies such as the names of drugs in the world of street Spanish and the sound patterns of proper names in the English language *North Carolina Libraries*, 1964 The National Union Catalogs, 1963- ,1964 **Library of Congress Catalogs** Library of Congress, 1970

**Poquosin** Jack Temple Kirby, 2014-12-01 Jack Temple Kirby charts the history of the low country between the James River in Virginia and Albemarle Sound in North Carolina The Algonquian word for this country which means swamp on a hill was transliterated as poquosin by seventeenth century English settlers Interweaving social political economic and military history with the story of the landscape Kirby shows how Native American African and European peoples have adapted to and modified this Tidewater area in the nearly four hundred years since the arrival of Europeans Kirby argues that European settlement created a lasting division of the region into two distinct zones often in conflict with each other the cosmopolitan coastal area open to markets wealth and power because of its proximity to navigable rivers and sounds and a more isolated hinterland whose people and their way of life were gradually and grudgingly subjugated by railroads canals and war Kirby's wide ranging analysis of the evolving interaction between humans and the landscape offers a unique perspective on familiar historical subjects including slavery Nat Turner's rebellion the Civil War agricultural modernization and urbanization
