Legends Elizabeth Taylor:

Elizabeth Taylor Boze Hadleigh, 2017-10-20 This book of quotes explores the many sides of the one and only Elizabeth Taylor In her time she was perceived as a celebrity an actress a siren and a champion for causes She became a popular and prominent female figure in the twentieth century and her legacy continues to thrive today In this book she is described in the words of others from the stars of yesterday to the celebrities of today Illustrated with over 80 rare photographs this book will prove to be a fitting memento of a true film legend

Elizabeth Taylor David Bret, 2011-05-09 From her fairytale childhood to her impressive array of movies and marriages Elizabeth Taylor s life both on and off the screen has enchanted saddened appalled and entertained us for the past seven decades Elizabeth Taylor The Lady The Lover The Legend the first new biography to be published following her death strips away the Hollywood veneer to reveal the woman as she really was Through his incredible depth of knowledge biographer David Bret sheds new light on the Elizabeth Taylor we thought we knew her feud with Louis B Mayer her friendship with Montgomery Clift the abuse she suffered at the hands of Nicky Hilton the real story behind the Taylor Fisher Reynolds love triangle and of course her epic relationship with Richard Burton just as stormy in real life as it was on film With compassion and admiration Bret describes Taylor s later years including her fight for AIDS awareness and support for gay rights her strange friendship with Michael Jackson and her deteriorating health leading up to her untimely death on March 23 2011 Elizabeth Taylor The Lady The Lover The Legend is a shockingly honest richly detailed book about one of the greatest Hollywood superstars of all time

American Legends Charles River Charles River Editors, 2018-03-14 Includes pictures Includes Hudson s own quotes about his life and career Includes a bibliography for further reading I m notorious for giving a bad interview I m an actor and I can t help but feel I m boring when I m on as myself Rock Hudson A lot of ink has been spilled covering the lives of history s most influential figures but how much of the forest is lost for the trees In Charles River Editors American Legends series readers can get caught up to speed on the lives of America s most important men and women in the time it takes to finish a commute while learning interesting facts long forgotten or never known In the middle of the 20th century there was perhaps no leading man as famous and popular as Rock Hudson who would star in both comedies and dramas on the way to being named one of the Top 10 Stars of the Year for eight years straight 1957 1964 Whether he was starring in a comedy with Doris Day or in a drama opposite Elizabeth Taylor the tall impeccably dressed actor couldn t help but make girls in the audience swoon and he was recognized as one of Hollywood s biggest heartthrobs The success of his peak years ensured that Hudson would remain a star over the course of 4 decades and he appeared in about 70 films during his career Today however Rock Hudson might be better known among contemporary audiences for his personal life Acting in a more conservative era Hudson struggled to keep his homosexuality out of the news for fear it would destroy his career even though many of his Hollywood contemporaries were aware of it After Hudson died of AIDS in 1985 perhaps the first major celebrity to die of the disease details of his personal life began to be

publicized sometimes amidst messy legal battles It soon became clear just what kind of pains Hudson took to keep his personal life private and his friendships with men were highly scrutinized as was his marriage to his agent's secretary Phyllis Gates At the same time his death shined a bigger spotlight on AIDS and helped raise both awareness and funding for research into battling the disease

American Legends: The Life of Rock Hudson examines the life and career of one of Hollywood's biggest stars Along with pictures of important people places and events you will learn about Rock Hudson like never before in no time at all

American Legends: the Life of Elizabeth Taylor Charles River Charles River Editors, 2013-09-10 Includes pictures of Taylor and important people places and scenes Includes Taylor's own quotes about her upbringing films and relationships Includes a Bibliography for further reading I've always admitted that I'm ruled by my passions Elizabeth Taylor A lot of ink has been spilled covering the lives of history's most influential figures but how much of the forest is lost for the trees In Charles River Editors' American Legends series readers can get caught up to speed on the lives of America's most important men and women in the time it takes to finish a commute while learning interesting facts long forgotten or never known Hollywood is full of cautionary tales for child actors like Judy Garland Jackie Coogan and Macaulay Culkin who all soared to fame in their youth only to suffer family feuds drug addiction or other ill effects of becoming famous so early in life Even those child actors for whom stardom was not traumatic such as Shirley Temple had great difficulty succeeding in Hollywood as an adult with their careers effectively over by the time they reached adulthood Child actors may or may not enjoy the fame bestowed upon them so early in life but their fame has almost always come at a cost especially since it has traditionally been difficult for audiences to disassociate them from their early roles On the other hand the life of Elizabeth Taylor bears little in common with the paradigm of the troubled child star After arriving in the United States at the age of 9 Taylor was indoctrinated into the life of the Hollywood studio system shortly after child stars Judy Garland and Mickey Rooney but while Garland suffered great trauma at the hands of the studio system Taylor's early experience in Hollywood represented the flip side of the coin Groomed for a life in Hollywood by her zealous mother Taylor enjoyed her life in the motion picture industry and reveled in the privileged lifestyle and opportunities she enjoyed by virtue of her profession Acting supplied her with a lavish lifestyle and more importantly for her constant attention From an early age Taylor displayed a vociferous love for living in the public eye Another difference separating her from other child stars is that Taylor was able to successfully transition from child star to major adult actress in fact her fame only escalated as she grew into adulthood In many ways Taylor enjoyed being in the public spotlight and living the lifestyle of the rich and famous and her personal life very much resembled a performance suitable for Hollywood Taylor faced great adversity throughout her life including being married on eight different occasions to seven different spouses and fighting battles with weight and drug addiction Still while many actors grow resentful of public attention even during her moments of personal struggle Taylor thrived on public attention and enjoyed a mutually adoring relationship with the American public She was a creature of the

studio system yet she maintained a dynamic with the public that deviated sharply from the norms of child actors American Legends The Life of Elizabeth Taylor examines the life and career of Elizabeth Taylor putting the spotlight on Taylor's child roles and her adult films and the relationship between the two main stages of her career Of course it also documents the notorious elements of her personal life as well Along with pictures of important people places and events you will learn about Elizabeth Taylor like never before in no time at all Legends of the Wild West Robert Edelstein,2020-12-01 For several hundred years the West had been the land of dreams an extraordinary region of hope expansion and opportunity where European countries and then the young USA itself sent their finest explorers to plant seeds in a seemingly untapped open landscape This spirit captured the popular imagination in the Wild West those raucous 30 years between the end of the Civil War and the beginning of a new century Within these pages readers will explore true tales of rebels and heroes such as General George Custer Buffalo Bill Billy the Kid Jesse James Annie Oakley and Sitting Bull among others The Wild West was the American Dream on steroids It was an age of gunfights and gold rushes cowboys and Comanches with the likes of Buffalo Bill Jesse James and Billy the Kid making their names It forged extraordinary legends and even bigger lies with everything fueled by dime novels written back East that encouraged folks to grab their share of a promise that was difficult for this hard land to keep This book looks at all these mythical characters the start of the railroad across the nation the cost it all dealt to the Native Americans whose land was lost and the way Hollywood still keeps the dream alive As historian Richard White says People could go west and no matter their failures elsewhere they had an opportunity to remake themselves It's a symbol for a kind of individualism that actually doesn't exist in the West but mythically it does Hollywood Stardom Paul McDonald,2012-11-26 By integrating star studies and film industry studies Hollywood Stardom reveals the inextricable bonds between culture and commerce in contemporary notions of film stardom Integrates the traditions of star studies and industry studies to establish an original and innovative mode of analysis whereby the star image is replaced with the star brand Offers the first extensive analysis of stardom in the post studio era Combines genre narrative acting and discourse analysis with aspects of marketing theory and the economic analysis of the film market Draws on an extensive body of research data not previously deployed in film scholarship A wide range of star examples are explored including George Clooney Mel Gibson Tom Cruise Daniel Day Lewis Tom Hanks Will Smith and Julia Roberts Elizabeth Taylor, A Passion for Life Joseph Papa,2011-04-12 From the time she appeared in National Velvet the film that skyrocketed her to international fame at age twelve in 1944 until her death Elizabeth Taylor's beauty allure and personal strength captivated the world In a career that spanned more than sixty years she brought her raw talent and magnetism to bear in now classic films such as Father of the Bride Suddenly Last Summer Cat on a Hot Tin Roof Giant Cleopatra and Who's Afraid of Virginia Woolf Off screen she lived just as passionately That intensity brought her enormous joy and pain and notoriety whether it was from her vast collections of extraordinary fine jewelry and art to her battles with addiction and ill health from her internationally recognized

humanitarian efforts on behalf of AIDS to her scandalous love affairs and seven highly scrutinized marriages This anthology reveals the candor and honesty with which the actress led her extraordinary life Here are Elizabeth's first person reflections on her childhood career love and marriages motherhood beauty aging extravagances charity and sense of self Whether witty or poignant these words are always demonstrative of her generous unapologetic and fiercely determined nature reflecting the essence of a great star and legendary modern woman
