Landmark Visitors Guides are practical guides designed for the independent traveller They are written in the form of touring itineraries and include maps and two plans with plenty of colour photographs to whet the appetite whilst still at home In Search Of A Lost People; The Old And The New Poland Joseph Tenenbaum,Sheila Tenenbaum,2016-01-18 The heart breaking story of Joseph Tenenbaum who visited Poland in 1945 after the end of the Second World War in search of his Jewish relatives I can only report fragments of what I saw and heard or read during my two and a half months abroad But these fragments seem to me to be not only of moment to Jews Despite all the investigating commissions and international committees on behalf of Jewry the world knows little enough of the depths of human degradation or the great surges of spirit and individual flashes of heroic greatness that have been revealed There is a clash of two worlds a clash that has not ceased with the death of Hitler in the gasoline flames in the cellars of the German chancellery The sparks from the body burning stakes at the Janowska camp in Lwow of the ovens at Majdanek Treblinka and Belzec and the flames of the chimneys at Birkenau Sobibor Oranienburg and Mauthausen have seared the human soul and scarred the human conscience We cannot avoid facing the truth simply by ignoring it or driving it underground The sanity of man his very soul requires a thorough catharsis which can come only through frank discussion through revealing the naked evil in all its deformity and horror We must think through all the implications past and present and realize their full dimensions Only thus can sanity and moral strength be preserved for future generations In short while this book aims at giving a frank presentation of facts and conditions it is hoped that it may offer a modest educational contribution towards a better world From the Author s Introduction **The Outlook** Lyman Abbott,Ernest Hamlin Abbott,Hamilton Wright Mabie,Francis Rufus Bellamy,1901

Legends and mysteries of Cracow Anna Szałapak,2005 **Underground, The Story of A People** Joseph

Tenenbaum,2016-01-18 This is the story of a people its origin its history its struggle for survival and its tragic end the life and death story of Polish and other Eastern European Jewries It is all this and more more than a mere historical sketch or an episodic narrative of human greatness more than a record of fighting gallantry and Nazi gore It is the epic of a people its prose and its poetry its piety and devotional consecration its visions of a heavenly glory in an environment of collective disapproval its never fading hopes amidst strains of despair a people that lived by the book and died by the sword The vitality of these Jewries in so strange an environment an underprivileged underground minority at best as citizens in exile has been a puzzle to historians Somehow their rise did not fit in with orthodox sociological theories or historical precedents Neither did their tragic end and while their life was a miracle their execution is a nightmare which shall not cease plaguing the human mind if not man s conscience From Author s Preface Musical Courier and Review of Recorded Music ,1921 **DK**
