Coppens,2011-11-15 Have we been visited by extraterrestrial beings Did these ancient aliens contribute to the birth of human civilization Do our ancient monuments contain evidence of their presence The Ancient Alien Question reveals an array of astonishing truths including A radically different understanding of the pyramids and how they were constructed The origins of crystal skulls and how they were found The extraordinary stories behind monuments such as the Nazca lines and Puma Punku and who built them How extraterrestrials came to our planet and the evidence that supports this Analyzing the historical and archaeological evidence Philip Coppens demonstrates that there is substantial proof that our ancestors were far more technologically advanced than currently accepted and that certain cultures interacted with non human intelligences Our ancestors were clearly not alone Forty years after Erich von D niken posed these questions in Chariots of the Gods Coppens provides clear and concise answers to the great historical enigmas in a most accessible and readable format Your view of human history will never be the same again *Living with Spirit* Peggy Kornegger,2009 Many spiritual memoirs walk through a house closing doors and windows until the author settles comfortably into one room whereas *Living with Spirit* opens door after door and window after window letting in all different kinds of light Alice Peck author of *Bread Body Spirit* I m honored that Peggy has shared my teachings and in such a good way in this book Her writing is graceful flowing and easy to read and understand Brooke Medicine Eagle author of *Buffalo Woman Comes Singing* Have you ever wondered what really happened to the flower children and activists of the 1960s The popular media would have us believe that they all outgrew their alternative lifestyle and became stockbrokers Not true *Living with Spirit* Journey of a Flower Child describes an ongoing wave of transformation and spiritual awakening that has continued to grow exponentially to the present day as we approach the prophesied year 2012 Peggy Kornegger s journey from flower child to feminist activist to spiritual seeker has given her a unique perspective on this phenomenon Her experiences swimming with wild dolphins and whales in the ocean traveling to sacred sites such as Tulum and Machu Picchu and studying with Maya elders in Guatemala have all contributed to her metamorphosis *Living with spirit* is the thread that runs throughout the book how she has experienced it and how everyone can Peggy Kornegger is a writer editor and lightworker who lives in the Boston area Her writing has appeared in a wide variety of spiritual feminist and political publications including *Spirit of Change* *Bay Windows* *Sojourner* *Second Wave* *Sinister Wisdom* *Plexus* and the anthology *Reinventing Anarchy* Cover art Infinity c 2003 by Anne S Katzeff Cover design Anne S Katzeff Back cover photo of Peggy with dolphin Lisa Denning *Ocean Eyes* Photography **Dream Catchers** Philip Jenkins,2005-12-01 In books such as *Mystics and Messiahs* *Hidden Gospels* and *The Next Christendom* Philip Jenkins has established himself as a leading commentator on religion and society Now in *Dream Catchers* Jenkins offers a brilliant account of the changing mainstream attitudes towards Native American spirituality once seen as degraded spectacle now hailed as New Age salvation Jenkins charts this remarkable change by highlighting the complex history of white American attitudes towards Native religions considering everything from the 19th century American obsession with Hebrew

Indians and Lost Tribes to the early 20th century cult of the Maya as bearers of the wisdom of ancient Atlantis He looks at the popularity of the Carlos Castaneda books the writings of Lynn Andrews and Frank Waters and explores New Age paraphernalia including dream catchers crystals medicine bags and Native themed Tarot cards He also examines the controversial New Age appropriation of Native sacred places and notes that many white indians see mainstream society as religiously empty An engrossing account of our changing attitudes towards Native spirituality Dream Catchers offers a fascinating introduction to one of the more interesting aspects of contemporary American religion

Huntress of the Star Empire Athena Grayson, 2018-12-03 She's the empire's secret weapon but her secrets could bring down the regime All he has to do is get out of her handcuffs and into her mind to unlock them When surprise alien attacks left Treska Sivekka's body battered and her mind a blank slate the regime that rose from the ashes gave her an identity and purpose she could believe in Vice Hunters like Treska seek out the threats to the Union's security Psypaths like Micah Ariesis are her primary targets and the Union's biggest threats But now that she's got him in her handcuffs and every scumbag in the star system is after them both her target may be the only one she can trust The Union promised security to terrified citizens in exchange for order and obedience but psypaths like Micah and his allies the near human Hathori people became scapegoats for inexplicable devastation and then rebels against the repressive regime Micah has one last chance to strike at the heart of the Union that hunted his kind to near extinction the Huntress ready to deliver him to its deepest prison The secrets locked in Treska's missing memories can bring down the Union if he can get out of her handcuffs and into her mind THIS BOOK IS A BOXED SET OF ALL FOUR TITLES IN THE SERIES *Star People, Sky Gods and Other Tales of the Native American Indians* G.W. Mullins, 2018-02-05 In Native American history there are many legends about UFOs gods and aliens There has always been a connection between Native Americans and beings from other parts of the universe referred to as Star People Perhaps due to familiarity with celestial fixtures it has been easier for Native Americans to relate events they have experienced on earth with things such as the formation of the Pleiades The experience of tribal individuals with the Pleiades is featured quite prominently in legends across many tribes including Cherokee Onondaga Lakota and others It is not hard to believe they would identify an event with a star being the nature and history of tribes was to exist outdoors The night sky would be paid much more attention by one who did not live indoors Regardless of the tribe or the whether the interaction is through a god or star people there is proof that the ancient people of North America believed they have been visited by unexplainable beings from the heavens The stories in the collection tell of many different tribes and their

experiences and the outcome of walking with these beings **Immortal Star Arts** Xing ChenZhiLian,2020-06-06 A person who had fused with the primordial Tai Chi diagram from birth due to the lack of a concept of love failed his transference The Kunlun Mirror then brought his soul back to the continent of magic to reincarnate Let s see how he experiences the emotions that almost made him disappear from this world The front may be written in an easy and funny way Perhaps everyone would think that the protagonist of the book was too abnormal but there was no need to worry Even if he was an abnormal person they would still write him down no I ll start over after I m reincarnated Since the ten divine tools of the ancient times have different opinions I have chosen ten of them please do not hold grudges against me Collection Collection Collection Ticket
