

# ***LEISURE ENHANCEMENT***

## Recreation and Social Development

### CHAPTER 10

# Leisure Enhancement

**Atara Sivan, Robert A. Stebbins**

## **Leisure Enhancement:**

**Leisure Enhancement** Michael J. Leitner, Sara F. Leitner, 2012 This 4th edition is a unique introductory textbook in that it presents intellectually challenging information in a format that enables its practical application to improve the reader's leisure and life in general. The three major goals of this book are to foster a better understanding of personal and societal leisure behaviour to facilitate the application of theories, concepts and data to improve personal leisure well-being and to broaden perspectives on leisure and enable adaptation to future changes. These three goals if met will lead to the attainment of the ultimate purpose of this book which is to facilitate maximal leisure well-being.

**Leisure Enhancement** Michael J. Leitner, Sara F. Leitner, 1996 Almost every chapter of the second edition of Leisure Enhancement has been updated with dozens of new references totaling well over 100. In all, Readers gain timely information on the most recent developments in the areas of health and fitness, stress reduction, socialization, recreational participation, patterns of Americans and leisure trends around the world. In addition, new ideas for improving leisure time management and utilizing leisure to improve fitness, socialization and stress management have been added. Leisure Enhancement Second Edition teaches students how to facilitate maximum leisure well-being by providing a basic understanding of leisure theory, concepts and philosophy. It illustrates how these ideas can be applied to one's own life to enhance social development, improve fitness and health and reduce stress. Intended as a text for introduction to leisure for non-majors, Leisure Enhancement Second Edition is also ideal as a resource book for leisure and recreation majors and in leisure counseling and leisure education courses. A unique combination of theoretical and practical material shows students a comprehensive philosophy of leisure, theoretical explanations of why people recreate, how to better understand personal and societal leisure behavior, effective leisure planning and goal setting, ways to improve fitness, reduce stress and promote social development through leisure, how to facilitate the application of theories, concepts and data to improve personal leisure and well-being, how to broaden their perspectives on leisure and adapt to future changes. Learning objectives at the beginning of each chapter of Leisure Enhancement guide instructors and students in focusing on the most important facts and concepts in each chapter. Chapters present intellectually challenging information in a format that enables its practical application to the improvement of readers' leisure and their lives in general. A detailed instructor's guide is included which makes the book an excellent text for use by new or experienced instructors and in departments where different faculty teach the applicable courses every semester. The guide contains suggestions for activities and discussion questions to bring to life the material in the book. Students and instructors alike will benefit from the book's user-friendliness and its clear links between theory and application.

**Leisure Enhancement** Michael J. Leitner, Sara F. Leitner, 1989

**Foundations of Therapeutic Recreation** Terry Long, Terry Robertson, 2020 Foundations of Therapeutic Recreation Second Edition provides students with evidence-based information on fundamental concepts in therapeutic recreation to help them explore the various career possibilities in the field.

**Leisure**

**Education: A Cross-National View** Atara Sivan, Robert A. Stebbins, 2016-04-08 Leisure education plays a central role in both the field of leisure studies and the pursuit of leisure itself Everywhere in the modern world the most effective use of free time for individuals comes with knowing about the many leisure activities available to them and the rewards and costs that accompany their interest in each It is through leisure education in one form or another that they gain such knowledge Yet as important as this educational process is its study is only beginning to take off in non Western societies where however it cannot be assumed to be the same as in the West This book contains several comparisons of Western and non Western practices in leisure education Knowing these practices contributes ultimately to a deep understanding of the nature of the huge variety of leisure activities enjoyed across the planet and of the reasons why people go in for the ones they do This book was based on a special issue published in the World Leisure Journal *Leisure Education, Community Development, and Populations with Special Needs* Atara Sivan, Hillel Ruskin, 2000-01-01 The results are presented of a Commission of the World Leisure and Recreation Association WLRA to examine the role of leisure and education for leisure activities among people with special needs living in the community requiring social or health services outside hospital A conceptual and practical framework for understanding the process of leisure education is provided and its role for community development and populations with special needs discussed A total of 17 chapters serve as a foundation for developing models and programmes for leisure education within community settings and will be of interest to those working and researching in the area of education leisure studies and community development Occupational Therapy for People with Learning Disabilities Jane Goodman, Jenni Hurst, Christine Locke, 2008-11-05 This book is aimed primarily at occupational therapy undergraduate students but will be of use to new practitioners working in the field of learning disability and other students studying topics related to learning disabilities It meets perceived learning needs in line with theory and practice outcomes and provides an understanding of the current issues in health and social care for people with a learning disability It provides a basis for further learning and the depth reflects present curricula demands and expectations in line with professional practice There are also contributions and comments from service users with a learning disability This book is aimed primarily at occupational therapy undergraduate students but will be of use to new practitioners working in the field of learning disability and other students studying topics related to learning disabilities It meets learning needs in line with theory and practice outcomes and provides an understanding of the current issues in health and social care for people with a learning disability It provides a basis for further learning and the depth reflects present curricula demands and expectations in line with professional practice There are also contributions and comments from service users with a learning disability Informative text supported by reflective activities Reflects changes in service provision subsequent to A Strategy for the 21st Century Case scenarios and self assessment tasks Advises on further reading Offers occupational therapy focus on issues that are also relevant to other health professionals *How to Improve Your Life Through Leisure* Michael J. Leitner, 1994-08 **Paying**

**to Play** United States. Congress. House. Committee on Natural Resources. Subcommittee on National Parks, Forests, and Public Lands (2007- ),2009      **Proceedings of the 2000 Northeastern Recreation Research Symposium, April 2-4, 2000, The Sagamore on Lake George in Bolton Landing, New York ,2000      General Technical Report NE ,1980**

**Spiritualities, ethics, and implications of human enhancement and artificial intelligence** Ray

Kurzweil,Christopher Benek,Jacob Boss,Philip Reed-Butler,Michael Caligiuri,Irene J. Dabrowski,Mark Graves,Anthony L. Haynor,Braden Molhoek,Peter Robinson,Una Stroda,Tracy J. Trothen,Alan Weissenbacher,2020-03-02 By taking a religiously and spiritually literature approach this volume gets the heart of several emerging ethical issues crucial to both human identity and personhood beyond the human as technology advances in the areas of human enhancement and artificial intelligence AI Several significant questions are addressed by the contributors such as How far should we go in improving our biological selves How long should we aspire to live What are fair and just human enhancements When will AIs become people What does AI spirituality consist of Can AIs do more than project humour and emotions What are the religious undertones of these high technology quests for better AI and improved human existence Established and emerging voices explore these questions and more in Spiritualities ethics and implications of human enhancement and artificial intelligence This volume will be of interest to university students and researchers absorbed by issues surrounding spiritualities human enhancement and artificial intelligence while also providing points for reflection for the wider public as these topics become increasingly important to our common future      **Introduction to Recreation and Leisure** Tyler Tapps,Mary Sara

Wells,2025 Introduction to Recreation and Leisure Fourth Edition presents a comprehensive view of the multifaceted field of recreation and leisure It delves into foundational concepts delivery systems and programming services Over 40 leading experts from around the globe offer their diverse perspectives      Introduction to Recreation and Leisure, 3E Tapps,

Tyler,Wells, Mary Sara,2019 Introduction to Recreation and Leisure Third Edition presents perspectives from 52 leading experts from around the world It delves into foundational concepts delivery systems and programming services offers an array of ancillaries and helps students make informed career choices      Mapping Leisure across Borders Gianna Cappello,Ishwar Modi,Fabio Massimo Lo Verde,2014-04-23 In current academic debates leisure is increasingly defined as a discursive construction originating both from the specific meanings created by individuals and the institutionalizing processes that legitimate certain experiences and their spatial temporal conditions as leisure As a result of social construction and the different social conditions existing at a certain historical moment in different societies the borders among the various aspects of leisure are becoming more and more blurred as is the case for instance with the borders between leisure and work activities Such border crossing is the leitmotif of this book Although focusing on sociological research it has in fact a multidisciplinary scope and will appeal to a variety of scholars and students interested in the study of leisure in contemporary society as a fundamental dimension of everyday sociality and sociability with very important effects

on social cohesion as a whole After an introductory section offering general frames on key definitions of leisure and leisure issues five other sections follow which concentrate on more specific aspects of leisure practices and forms in contemporary society **The Journal of the Assembly During the ... Session of the Legislature of the State of California**
