## **Lenin And The End Of Politics:**

**Lenin and the End of Politics** A. J. Polan, 1984-01-01      **Lenin and the End of Politics** A. J. Polan, 2017-04-21 Originally published in 1984 this book reconsiders the effect of Lenin on the politics and culture of the 20th Century In a detailed examination of Lenin's famous text *The State and Revolution* the author argues that the peculiar status of this work presents readers with major problems of interpretation and shows how a failure to identify these problems has prevented an adequate understanding of important issues in modern politics history and social theory The book compares Lenin's radical utopia with the ideas of politics offered by other theorists centrally Weber and Sartre but also writers such as Jefferson and Habermas This original approach shows the impact of Lenin's text on political history and theory and leads to a new understanding of the connection between revolution and violence social change and authoritarianism      **Inside Lenin's Government** Lara Doucas, 2018-02-22 Lara Doucas examines the practical functioning and internal political culture of the early Soviet government cabinet the Council of People's Commissars Sovnarkom under Lenin This study elucidates the process by which Sovnarkom's governmental decision making authority was transferred to Communist Party bodies in the early years of Soviet power and traces the day to day operation of the supreme state organ The book argues that Sovnarkom was the principal executive body of the early Soviet government until the Politburo gradually usurped this role during the Civil War Using a range of archival source material Lara Doucas reinterprets early Soviet political history as a period where fledgling Soviet rather than simply Communist Party power was attempted but ultimately failed when pressures of Civil War and socio economic dislocation encouraged the centralising and authoritarian rather than democratic strand of Bolshevism to predominate *Inside Lenin's Government* explores the basic mechanics of governance by looking at the frequency of meetings types of business discussed processes of decision making and the administrative backdrop as well as the key personalities of Sovnarkom It then considers the reasons behind the shift in executive power from state to party in this period which resulted in an abnormal situation where as Leon Trotsky commented in 1923 leadership by the party gives way to administration by its organs      **The Politics of Economic Decline in East Germany, 1945-1989** Jeffrey Kopstein, 2000-11-09 Jeffrey Kopstein offers the first comprehensive study of East German economic policy over the course of the state's forty year history Analyzing both the making of economic policy at the national level and the implementation of specific policies on the shop floor he provides new and essential background to the revolution of 1989 In particular he shows how decisions made at critical junctures in East Germany's history led to a pattern of economic decline and worker dissatisfaction that contributed to eventual political collapse East Germany was generally considered to have the most successful economy in the Eastern Bloc but Kopstein explores what prevented the country's leaders from responding effectively to pressing economic problems He depicts a regime caught between the demands of a disaffected working class whose support was crucial to continued political stability an intractable bureaucracy an intolerant but surprisingly weak Soviet patron state and a harsh international

economic climate Rather than pushing for genuine economic change the East German Communist Party retreated into what Kopstein calls a campaign economy in which an endless series of production campaigns was used to squeeze greater output from an inherently inefficient economic system Originally published in 1996 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value      *Public and Private in Thought and Practice* Jeff

Weintraub, Krishan Kumar, 1997-03-15 These essays by widely respected scholars in fields ranging from social and political theory to historical sociology and cultural studies illuminate the significance of the public private distinction for an increasingly wide range of debates Commenting on controversies surrounding such issues as abortion rights identity politics and the requirements of democratization many of these essays clarify crucial processes that have shaped the culture and institutions of modern societies In contexts ranging from friendship the family and personal life to nationalism democratic citizenship the role of women in social and political life and the contrasts between western and post Communist societies this book brings out the ways the various uses of the public private distinction are simultaneously distinct and interconnected *Public and Private in Thought and Practice* will be of interest to students and scholars in disciplines including politics law philosophy history sociology and women s studies Contributors include Jeff Weintraub Allan Silver Craig Calhoun Daniela Gobetti Jean L Cohen Jean Bethke Elshtain Alan Wolfe Krishan Kumar David Brain Karen Hansen Marc Garcelon and Oleg Kharkhordin      **Politics at a Distance from the State** Lucien van der Walt, Kirk Helliker, 2022-08-23

For decades most anti capitalist and anti imperialist movements identified radical transformation with capturing state power The collapse of these statist projects from the 1970s led to a global crisis of left and working class politics But crisis has also opened space for rediscovering alternative society centered anti capitalist modes of bottom up change operating at a distance from the state These have registered important successes in practice such as the Zapatistas in Mexico and Rojava in Syria They have been a key influence on movements from Occupy in United States to the landless in Latin America to anti austerity struggles in Europe and Asia to urban movements in Africa Their lineages include anarchism syndicalism autonomist Marxism philosophers like Alain Badiou and radical popular praxis This path breaking volume recovers this understanding of social transformation long side lined but now resurgent like a seed in the soil that keeps breaking through and growing It provides case studies with reference to South Africa and Zimbabwe and includes a dossier of key texts from a century of anarchists syndicalists insurgent unionists and anti apartheid activists in South Africa Originating in an African summit of radical academics struggle veterans and social movements the book includes a preface from John Holloway      *The End of Politics* A. J. Polan, 1983      **Hind Swaraj** Ashu Pasricha, Ashu, 2007      *Revival: Soviet Politics: The Dilemma of Power (1950)*

Barrington Moore, Jr, 2017-09-29 First published in 1950 this book investigates the interaction between Communist ideology

and Soviet political practices from the period of Lenin's theoretical formulations to the contemporary Soviet bureaucratic state

**The Politics of Imperialism and Counterstrategies**, 2004 The God S Cowboy Warrior Holds World To Ransom White Green And Saffron Guards All Play Their Part In This Grand Inquisition Extending And Intensifying It The Papers In This Collection Grounding Themselves In Diverse Marxist Traditions Are United In Their Pursuit To Understand The Ongoing Political Conflicts Around The Globe Imperialism And All Its De Humanised Representations Are Realisations Of The Systemic Logic Of Capitalism If Alternative Has To Be Anti Capitalist Its Evolving Forms Contents Have To Be Identified One Cannot Simply Go On Rhetoricising Ad Infinitum Another World Is Possible Even If We Refrain From Identifying That World The System Will Define It In Its Own Way Anti Capitalist Indifference Leads To Barbaric Conclusions Reflected In Nationalist Vandalism Of RSS And Shiv Sena In India Al Qaeda In The Middle East Anti Immigrant Racist Resurgence In The Advanced Societies Anti Capitalist Capitalism

**Thinkers, Activists, and Politics** R. G. Williams, 2025-06-27 This book is a collection of critical essays that examines the lives politics and ideas of several radical activists writers and revolutionaries over the past two centuries individuals who fought for human freedom Spanning figures from Karl Marx to Che Guevara the essays delve into the challenges these revolutionaries faced and how their bold ideas reshaped political thought They also highlight how the legacy of their actions continues to fuel debates about freedom humanity and the role of the individual in modern society People often interpret the world real revolutionaries attempt to change it

*Radical Politics* Peter D. Thomas, 2023 Offering a new reading of Antonio Gramsci's political theory *Radical Politics* argues that hegemony is a process of differentiation in which political culture is always changing and always with the goal of moving toward expanded freedom Over the course of the book Peter D Thomas looks at the way in which various theorists have approached the dilemma of how to engage productively in radical politics and explains why hegemony is a distinctive method of doing politics rather than an end goal

**Politics, Values, and National Socialism** Aurel Kolnai, 2017-07-28 The essays in this collection spanning 1925 to 1970 confirm Aurel Kolnai's place as one of the great conservative theorists of the twentieth century Kolnai carefully analyzes the leading intellectual positions and thinkers of his day the dominant social movements and the prevailing moral influences psychoanalysis fascism and National Socialism He documents how they run counter to the architecture of civilization Kolnai is relatively unknown outside philosophical circles but *Politics Values and National Socialism* provides an overview of his moral philosophy In most moral philosophy books one finds pages devoted to the major theories of ethics This volume is different It seeks to address the larger moral question of what kind of thought works against morality and by implication how one can defend morality Eager to protect the surviving islands of Liberal Civilization Kolnai's concern is really one of theory He shows that much of what passes for moral theory is subversive of moral order All who think that totalitarianism is a permanent threat and who suspect that ideas can quickly be dangerously distorted in times of social unrest will find plenty of clarifying ideas in this volume

**Politics as Religion** Emilio Gentile, 2020-09-01 Emilio Gentile an

internationally renowned authority on fascism and totalitarianism argues that politics over the past two centuries has often taken on the features of religion claiming as its own the prerogative of defining the fundamental purpose and meaning of human life. Secular political entities such as the nation, the state, race, class, and the party became the focus of myths, rituals, and commandments and gradually became objects of faith, loyalty, and reverence. Gentile examines this sacralization of politics as he defines it both historically and theoretically, seeking to identify the different ways in which political regimes as diverse as fascism, communism, and liberal democracy have ultimately depended like religions on faith, myths, rites, and symbols. Gentile maintains that the sacralization of politics as a modern phenomenon is distinct from the politicization of religion that has arisen from militant religious fundamentalism. Sacralized politics may be democratic in the form of a civil religion or it may be totalitarian in the form of a political religion. Using this conceptual distinction and moving from America to Europe and from Africa to Asia, Gentile presents a unique comparative history of civil and political religions from the American and French Revolutions through nationalism and socialism, democracy and totalitarianism, fascism and communism up to the present day. It is also a fascinating book for understanding the sacralization of politics after 9/11.

**The French Revolutionary Tradition in Russian and Soviet Politics, Political Thought, and Culture** Jay Bergman, 2019-08-14

Because they were Marxists, the Bolsheviks in Russia both before and after taking power in 1917 believed that the past was prologue. That embedded in history was a Holy Grail, a series of mysterious but nonetheless accessible and comprehensible universal laws that explained the course of history from beginning to end. Those who understood these laws would be able to mould the future to conform to their own expectations. But what should the Bolsheviks do if their Marxist ideology proved to be either erroneous or insufficient if it could not explain or explain fully the course of events that followed the revolution they carried out in the country they called the Soviet Union? Something else would have to perform this function. The underlying argument of this volume is that the Bolsheviks saw the revolutions in France in 1789, 1830, 1848, and 1871 as supplying practically everything Marxism lacked. In fact, these four events comprised what for the Bolsheviks was a genuine Revolutionary Tradition. The English Revolution and the Puritan Commonwealth of the seventeenth century were not without utility; the Bolsheviks cited them and occasionally utilized them as propaganda, but these paled in comparison to what the revolutions in France offered a century later, namely legitimacy, inspiration, guidance in constructing socialism and communism, and not least useful fodder for political and personal polemics.

Politics of the Lesser Evil Anton Pelinka, 2018-04-17 In his pathbreaking book *Leadership*, James MacGregor Burns defines a kind of leadership with an indistinguishable personal impact on society. He calls this transformatory leadership and sees it as more than routine and calculable responses to demands. In fact, he argues, the more stable a liberal democracy, the less freedom of action for transformatory leadership. Anton Pelinka uses a wellspring of historical fact to argue that politics always means having to choose between the lesser of two evils and that democracy reduces any possibility of personal leadership. According to Pelinka,

Jaruzelski's politics of democratization in Poland in the 1980s which led to the first free and competitive elections in a communist system illustrate personal leadership hampered by democracy Jaruzelski initiated the roundtable process that transformed Poland into a democracy yet this process ultimately ended with his abdication Pelinka further emphasizes contradictions between transformational leadership and democracy by comparing the leadership styles of Hitler Stalin and Mao He describes collaboration resistance and tensions between domestic and international leadership using the American examples of Presidents Wilson Roosevelt Kennedy Johnson and Nixon and the European examples of Petain and Churchill Pelinka then turns to the tragic fate of the Judenrate under the Nazi regime to illustrate the lesser evil approach He closes with a discussion of moral leadership and how abstaining from office just as Gandhi and King did may be particularly suited to stable democracies Pelinka's unique use of rich empirical evidence from twentieth century history is this volume's hallmark He is critical of mainstream political theory and its neglect of deviant examples of democracies such as Switzerland Italy and Japan where there is traditionally much less emphasis placed on leadership Pelinka's noteworthy study will be essential reading for political scientists and theorists political philosophers and political sociologists with special interest in political ethics and contemporary historians

Politics without Vision Tracy B. Strong, 2012-03-01 Magisterial a frequently surprising treatment of major political thinkers Perspectives on Politics From Plato through the nineteenth century the West could draw on comprehensive political visions to guide government and society Now for the first time in more than two thousand years Tracy B Strong contends we have lost our foundational supports In the words of Hannah Arendt the state of political thought in the twentieth and twenty first centuries has left us effectively thinking without a banister Politics without Vision takes up the thought of seven influential thinkers each of whom attempted to construct a political solution to this problem Nietzsche Weber Freud Lenin Schmitt Heidegger and Arendt None of these theorists were liberals nor excepting possibly Arendt were they democrats and some might even be said to have served as handmaidens to totalitarianism And all to a greater or lesser extent shared the common conviction that the institutions and practices of liberalism are inadequate to the demands and stresses of the present times In examining their thought Strong acknowledges the political evil that some of their ideas served to foster but argues that these were not necessarily the only paths their explorations could have taken By uncovering the turning points in their thought and the paths not taken Strong strives to develop a political theory that can avoid and perhaps help explain the mistakes of the past while furthering the democratic impulse Confronting the widespread belief that political thought is on the decline Strong puts forth a brilliant and provocative counterargument that in fact it has endured without the benefit of outside support A compelling rendering of contemporary political theory Politics without Vision is sure to provoke discussion among scholars in many fields

### **Lenin And The End Of Politics Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Lenin And The End Of Politics free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Lenin And The End Of Politics free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Lenin And The End Of Politics free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Lenin And The End Of Politics. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic

literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Lenin And The End Of Politics any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About Lenin And The End Of Politics Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Lenin And The End Of Politics is one of the best book in our library for free trial. We provide copy of Lenin And The End Of Politics in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Lenin And The End Of Politics. Where to download Lenin And The End Of Politics online for free? Are you looking for Lenin And The End Of Politics PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Lenin And The End Of Politics. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Lenin And The End Of Politics are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Lenin And The End Of Politics. So depending on what exactly you are searching,

you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Lenin And The End Of Politics To get started finding Lenin And The End Of Politics, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Lenin And The End Of Politics So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Lenin And The End Of Politics. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Lenin And The End Of Politics, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Lenin And The End Of Politics is available in our book collection an online access to it is set as public so you can download it instantly.
