The Beatles on the Charts Michael A. Ventrella,2023-03-15 Billboard magazine named The Beatles the greatest performing musical act of all time and their albums continue to chart to this day

This is no surprise to the author who combed through nearly 60 years of the magazine week by week to compile a list of every song and album that charted. The end result is an intriguing look at the band's influence including their solo efforts. The author assigns points to the positions of songs and albums on the charts in order to create a list ranging from the least successful to the most successful. Each entry includes a picture of the album cover or single sleeve along with an analysis of the song or album. Also provided are introductory chapters about the Beatles and an explanation of how the Billboard charts have been tabulated and changed over the years.
