It includes 72 walks ranging in length from 0.4 miles to 11.2 miles and in difficulty from easy to difficult. For each walk, a complete route description, driving directions to the trailhead, and a detailed, easy-to-read map at a glance. Info providing essential information such as distance, difficulty, time to walk, trail surface, and more trail use data showing whether bicycles, dogs, or hunting are allowed on the described route, and health stats showing the number of steps and estimated calories burned. Although designed primarily for walkers and hikers, this book will also appeal to joggers and mountain bicyclists. The book is illustrated with photographs by the author, a professional photographer.
