William Manchester, 2012-11-06 The first volume in William Manchester's masterful magnum opus account of Winston Churchill's life *The Last Lion Visions of Glory* follows the first fifty eight years of Churchill's life the years that mold him into the man who will become one of the most influential politicians of the twentieth century In this the first volume Manchester follows Churchill from his birth to 1932 when he began to warn against the re militarization of Germany Born of an American
