

Hill Of Summer

L Reisser

Hill Of Summer:

The Girl from Summer Hill Jude Deveraux, 2016-05-03 The first novel of New York Times bestselling author Jude Deveraux's breathtaking new series set in Summer Hill a small town where love takes center stage against the backdrop of Jane Austen's *Pride and Prejudice*. Enter Elizabeth Bennet. Chef Casey Reddick has had it up to here with men. When she arrives in the charming town of Summer Hill, Virginia, she leaves behind a demanding boss at a famous D.C. restaurant and a breakup with a boyfriend jealous of her success. Some peace and quiet on the picturesque Tattwell plantation is just what she needs to start fresh. But the tranquility is broken one misty morning when she sees a gorgeous naked man on the porch of her cottage. Enter Mr. Darcy. What Tate Landers, Hollywood heartthrob and owner of Tattwell, doesn't need on a bittersweet trip to his ancestral home is a woman spying on him from his guest cottage. Mistaking Casey for a reporter, Tate tries to run her out of her own house. His anger, which looks so good on the screen, makes a very bad first impression on Casey. Hollywood, he may be, but he's no sweetheart to Casey, and she lets him know it. The plot thickens. Sparks fly literally when Casey is recruited to play Elizabeth Bennet opposite Tate's Mr. Darcy in a stage adaptation of *Pride and Prejudice*. Just brushing past Tate makes Casey's whole body hum. As they spar on and off stage, Casey begins to think she's been too quick to judge. Tate is more down to earth than Casey expected, and she finds herself melting under his smoldering gaze. But then Tate's handsome ex-brother-in-law, Devlin Haines, who is playing Wickham, tells Casey some horrifying stories about Tate. She is upset and confused as she tries to figure out who and what to believe. As she finds herself falling for Tate, Casey needs to know: Is the intense undeniable chemistry between them real, or is this just a performance that ends when the curtain falls? Praise for *The Girl from Summer Hill*. Kicking off a new series set in Summer Hill, Virginia, the New York Times bestselling author brings Jane Austen's *Pride and Prejudice* to the theater and into the twenty-first century. A steamy and delightfully outlandish retelling of a literary classic. *Kirkus Reviews*: An enjoyable start to a new trilogy. This book will delight fans of Austen and Deveraux alike. *Publishers Weekly*. *Last Summer at Mars Hill* Elizabeth Hand, 2013-05-14 Short fiction that's poignant and terrifying by turns, including a Nebula and World Fantasy Award-winning novella. *Publishers Weekly*: Twelve exceptional stories by the multiple award-winning author of *Waking the Moon* and *Black Light* prove that Elizabeth Hand is just as adept with short fiction as she is in the novel form. The title story traces a world-changing summer at a New England artists' colony for young Shadowmoon Starlight Rising, who comes to know life, death, and an unbelievable secret about the strange apparitions that dwell in her community. Other stories include *Snow on Sugar Mountain*, which features a young boy who has the power to shapeshift into any form with the help of a Native American artifact; *The Bacchae*, in which womankind rules a savage futuristic version of our world; and *The Erl King*, where a fairy tale horrifyingly comes true. Each story includes an afterword by the author. This ebook features an illustrated biography of Elizabeth Hand, including rare images and never-before-seen documents from the author's personal collection. **Summer at the Little Cottage on the Hill** Emma Davies, 2018-05-30
