Hillingers California:

Hillinger's California Charles Hillinger, 1997 Over 150 charming and irrepressible stories covering all 58 California counties drawn from a variety of likely and unlikely sources including such vignettes as a visit with Jack London's daughter a chilly excursion into California's Switzerland a profile of Death Valley's good Samaritan Christmas in Yosemite a look at that empire known as Disneyland a view of Mt Shasta the sacred mountain trips to an iron zoo a Samoan cookhouse a ghost town a moaning cave a mystery house along with many more delights Hillinger elaborates on the myths and legends that have grown up around particular people and places of California along with profiles of famous characters associated with the state such as Robert Louis Stevenson But it's not the rich and or famous that make this book so enjoyable it's the quirky descriptions of strange and surprising nooks and crannies throughout the state that many people in those very counties may not know about These are beautifully rendered human interest stories by the author of Charles Hillinger's America and like that book this will surely appeal to everyone whether or not they happen to live in California It's a book filled with lore and wisdom history and anecdote biography and fable geography and myth Included are numerous black and white photographs of the places visited by Hillinger an author known as the Charles Kuralt of print *The Transnational History of a Chinese Family* Haiming Liu, 2005 Family and home are one word jia in the Chinese language Family can be separated and home may be relocated but jia remains intact It signifies a system of mutual obligation lasting responsibility and cultural values This strong yet flexible sense of kinship has enabled many Chinese immigrant families to endure long physical separation and accommodate continuities and discontinuities in the process of social mobility Based on an analysis of over three thousand family letters and other primary sources including recently released immigration files from the National Archives and Records Administration Haiming Liu presents a remarkable transnational history of a Chinese family from the late nineteenth century to the 1970s For three generations the family lived between the two worlds While the immigrant generation worked hard in an herbalist business and asparagus farming the younger generation crossed back and forth between China and America pursuing proper education good careers and a meaningful life during a difficult period of time for Chinese Americans When social instability in China and hostile racial environment in America prevented the family from being rooted in either side of the Pacific transnational family life became a focal point of their social existence This well documented and illustrated family history makes it clear that for many Chinese immigrant families migration does not mean a break from the past but the beginning of a new life that incorporates and transcends dual national boundaries It convincingly shows how transnationalism has become a way of life for Chinese American families **Palm Springs Legends** Greg Niemann, 2006 Palm Springs long a desert hideaway for celebrities has a history as unique and varied as its residents From the original Cahuilla inhabitants of the area to the settlers who were drawn to the therapeutic waters of the original hot springs you will get to know the people and stories that made Palm Springs famous **Fascinating True Tales from Old California**

Colleen Adair Fliedner,2023-04-01 For over four centuries California has been an ever changing landscape of innovation and revolution triumph and tragedy In Fascinating True Tales from Old California author Colleen Adair Fliedner mines the history of the Golden State to collect more than fifty tales of famous Californians and their escapades from 1542 through 1940 For many like James Lick Leland Stanford and John Downey California was a place to strike it rich Others sought freedom and a new beginning including Chinese immigrants and African Americans like philanthropist and freed slave Biddy Mason And still some characters just wanted to live their lives outside of society's rules like swindler James Reavis or the cross dressing stagecoach driver Charley Parkhurst Readers will be entertained and enlightened as they take a trip through California's colorful past **California. Court of Appeal (2nd Appellate District). Records and Briefs** California (State).,

Charles Hillinger's America Charles Hillinger,1996 For 45 years Hillinger roamed America and the world writing human interest stories for the Los Angeles Times Within these pages is a unique slice of America stories from all 50 states plus Puerto Rico and the Virgin Islands Spend time with the Outer Bankers of North Carolina visit America's most fascinating cemetery explore Johnny Appleseed country and more in this colorful portrait of America Photos **Chinese American Transnationalism** Sucheng Chan,2006 Chinese American Transnationalism considers the many ways in which Chinese living in the United States during the exclusion era maintained ties with China through a constant interchange of people and economic resources as well as political and cultural ideas This book continues the exploration of the exclusion era begun in two previous volumes Entry Denied which examines the strategies that Chinese Americans used to protest undermine and circumvent the exclusion laws and Claiming America which traces the development of Chinese American ethnic identities Taken together the three volumes underscore the complexities of the Chinese immigrant experience and the ways in which its contexts changed over the sixty one year period **Orange Coast Magazine** ,1998-02 Orange Coast Magazine is the oldest continuously published lifestyle magazine in the region bringing together Orange County's most affluent coastal communities through smart fun and timely editorial content as well as compelling photographs and design Each issue features an award winning blend of celebrity and newsmaker profiles service journalism and authoritative articles on dining fashion home design and travel As Orange County's only paid subscription lifestyle magazine with circulation figures guaranteed by the Audit Bureau of Circulation Orange Coast is the definitive guidebook into the county's luxe lifestyle

Catalina A to Z Patricia Maxwell, 2014-06-24 Santa Catalina Island is one of the West Coast's great nearby escapes an hour's boat ride from Los Angeles and Long Beach for one million annual tourists The island's seventy six square miles contain two communities Avalon and Two Harbors and extremely rugged seashores and interior wild lands Here the history has been carved by pirates smugglers prospectors and squatters and set down by seafaring scribes and Hollywood fabricators The facts have been massaged by the ebb and flow of time and scattered like sun baked rocks from a beachcomber's kick Co authors Patricia Maxwell Bob Rhein and Jerry Roberts have collected Catalina's basic facts and lore into a quick reference that's as easily accessible as the most charming of California's Channel Islands

California Cultivator, 1923 *California's Channel Islands* Frederic Caire Chiles, 2015-01-20 Prehistoric foragers conquistadors missionaries adventurers hunters and rugged agriculturalists parade across the histories of these little known islands on the horizon of twenty first century Southern California This chain of eight islands is home to a biodiversity unrivaled anywhere on Earth For visitors and armchair travelers alike this book weaves the strands of natural history island ecology and human endeavor to tell the Channel Islands full story

The California Channel Islands Marla Daily, Santa Cruz Island Foundation, 2012 Every day thousands of Southern California residents see the California Channel Islands on the horizon yet few can name all eight Santa Catalina Island third largest is by far the best known It is the only island with a city Avalon where dozens of hotels shops and restaurants await visitors year round Three of the islands are owned by the US Navy San Clemente San Nicolas and San Miguel San Clemente and San Nicolas Islands are used for military training naval weapons development and missile testing thus access is restricted Five islands fall within the boundaries of Channel Islands National Park San Miguel Santa Rosa Santa Cruz Anacapa and Santa Barbara Islands Close to the mainland and yet worlds apart scenic day trips and primitive camping opportunities are available on all five park islands With neither stores nor modern conveniences a trip to Channel

Islands National Park is a step back in time **Who's Who in the West** Marquis Who's Who,2006-06 **Reclaim California** Stan Statham,2017-03-13 Reclaim California is a modern day look at what has happened since California became America s thirty first state in 1850 Since then there have been at least a couple of hundred attempts to make California smaller through dividing it into more than just one state Today the once golden state has a population larger than the entire country of Canada As California s Governor Jerry Brown said way back in 1974 Small is Beautiful Now Brown is back again in Who's who in Finance and Industry ,1999 *California. Court of Appeal (4th Appellate District). Division 2.
