Hint Of Rapture:

A Closer Look O. Kelley,2020-01-14 About 20 years ago when I started taking my walk very seriously having realized the gravity of the situation I was bothered by the fact that so many different doctrines dogmas or views were being taught or preached from One Book The HOLY BIBLE It seemed to me that One Book The inerrant word of God should have only one message It seemed obvious that many views had to be in error And that s what started me on this quest to find out for myself which views were right and which were wrong I became in effect a Berean one who makes sure by studying scripture that what is being preached is true or not Of course there are several other views out there deserving of a closer look but if you have any doubts about what is being preached in your church do what I did Take your own closer look [Rapture's Witness](#) Tim LaHaye,Jerry B. Jenkins,2009 Three nonbelievers and a pastor search for answers when people suddenly disappear and three quarters of the world fall to disease and natural disaster as a world leader who might be the Antichrist comes to power

A Primer on Messianic Prophecy Cynthia C. Polsley,2023-10-13 An introduction and survey that digs into the Bible s picture of the Messiah s entire career from Genesis to Revelation A Primer on Messianic Prophecy is for anyone interested in learning more about Messianic prophecy its support for Jesus identity as the Christ and its meaning for our present and future Exploring the Messiah s First and Second Comings as they are described throughout the Bible and with attention to archaeology biblical feasts and the Jewish wedding system history and current events this Scriptural synopsis examines Messianic prophecies that span all of time Some are fulfilled yet many are to come Covering topics from the beginning of creation to the last days and beyond A Primer on Messianic Prophecy is a foundational and inspirational text for readers wanting a better understanding of the Bible s intricate inerrancy and picture of the key figure throughout Scripture Jesus Christ Lamb of God and Lion of Judah **The Atlantic Monthly** ,1902 *The International Studio* ,1908 [The End](#) Mark Hitchcock,2012-07-06 The end times have seen a great amount of interest within the last two decades but there hasn t been a comprehensive overview of biblical prophecy and eschatology for more than five decades Mark Hitchcock s book is that comprehensive resource for the twenty first century The End will do for eschatology what Randy Alcorn s Heaven did for people s understanding of heaven It will provide a solid biblical foundation for Christians to explore the essential truths around this topic the end of the world *Leaves of Healing* ,1927 **The New Statesman** ,1915 **America in Tribulation** Cameron MacLeod Esq.,2023-01-15 Where is America in biblical prophecy This is the single most commonly asked question among Christians today and this book finally answers the question MacLeod starts by showing how the Bible clearly tells us that the Christian church will have to endure the first half of the coming 7 year tribulation until a MID tribulation Rapture and return of Jesus During this 3 5 years will be the death of 1 4 of the world 2 billion people from war anarchy famine disease wild animals and martyrdom of Christians However the Bible also tells us that there will be a place of refuge where God will protect some Christians from the hand of Satan and death during this time and this refuge is the

United States of America MacLeod then expands on the implications of this for the individual Christian America and the world and also delves into the evidence concerning the timing of the tribulation and Rapture with the conclusion that it is coming very soon It is an extremely compelling read that will shake the foundations of what you thought you knew about biblical prophecy **Hints and Guesses** Christopher J. Knight,1997 The author of four truly important novels The Recognitions in 1955 J R in 1975 Carpenter s Gothic in 1985 and A Frolic of His Own in 1995 William Gaddis is considered by many literary scholars to be one of the outstanding novelists of the twentieth century to be spoken of in the same breath as James Joyce Robert Musil and Thomas Pynchon Rapture's Roadway Virginia Jealous,2019-02-01 After the death of her father Lonely Planet writer Virginia Jealous travels across the world to document the life of his obsession the scandalous 20th century poet Laurence Hope in a unique blend of memoir and travelogue John Jealous was sixty and poet Laurence Hope had already been dead for eighty years when he became incomprehensibly obsessed with her After his death his daughter Virginia finds herself drawn into the extraordinary life and work of Laurence Hope aka Violet Nicolson who killed herself in Madras in 1904 Laurence Hope s poetry with its sexually adventurous themes thrilled and scandalised the Empire in India and beyond In the first years of the twentieth century she was the most famous poet in the world by World War II she was forgotten Following in the footsteps of her father Virginia travels across Australia India England Spain and China tracking Laurence Hope s life and finding answers to and further mysteries in her father s unfinished business A unique blend of poetry memoir and travelogue Rapture s Roadway untangles truth and lies and where that s not possible celebrates the enigma of not knowing Hope for the World Roland Chia,2012-08-14 Hope is essential to human life Without hope humanity plunges into despair and life can lose all purpose and meaning Hope energizes people and communities and also produces forbearance and patience In this clear and accessible survey which incorporates Asian perspectives Roland Chia shows how Christian hope presses beyond the limits of both secular and religious world views and confronts the reality of pain suffering and death in the light of the crucifixion and resurrection of Jesus Christ It is hope for God and in God

Bringing the Church Back to Christ Idemudia Guobadia, 2020-08-20 Bringing the Church Back to Christ is an 11th hour cry to a fragmented Church urgently in need of healing before she can truly be an instrument of healing to the nations As end time prophetic global events continue to unfold the Church must be re positioned in Christ to fulfill her mission of discipling the nations and reflecting the light and love of Christ to a hurting world This book argues for the need for the Church to re configure and transform herself in order to remain relevant in a fast changing world **Rapture's Gold** Rosanne

Revelation Revealed Nick Peros, 2022-03-22 Revelation Revealed is a study of the book of Revelation It is not an end times book in that it does not seek to identify current events in the light of Bible prophecy rather Revelation Revealed examines the book of Revelation itself what are its key imagery and symbols What do they mean What are the timelines of the book What is the sequence of events What are the Days of Noah Who is the Beast and how do we understand him What is the mark of the Beast How do we understand Babylon the Great the Mother of Prostitutes Is there a rapture All of these questions and many more are addressed with all questions being approached exclusively from the standpoint of Scripture itself it is Scripture which answers these questions for us and clear conclusions are reached The events outlined in the book of Revelation are the most prophesied events in the Bible and Revelation Revealed shows that the book of Revelation is understandable for God has given us all that we need in order to understand it *Questions to All Your Answers* Roger E.

Olson, 2009-05-26 Many Christians faith exists as a loose collection of unexamined clichés and slogans borrowed from songs devotional books sermon illustrations and even the internet Too often this belief system if it can be called a system lacks coherence and intelligibility it can hardly be expressed let alone defended to others The problem with folk religion is that it too easily withers under the onslaughts of secularism or seemingly reasonable answers provided by cults and new religions Christianity has a long tradition of intellectual examination of other faiths and its own beliefs Socrates said that the unexamined life is not worth living great Christian minds of all the ages have believed the unexamined faith is not worth believing Reflective Christianity is Christian faith that has subjected itself to the rigorous questioning of Scripture tradition

reason and experience It is mature Christian faith that goes on believing even as it questions what it believes The goal of this book is not to destroy anyone's faith but to build it up by placing it on a firmer foundation of critical examination Ten popular Christian clichés are subjected to critical inquiry and interrogated to discover whether they contain truth or are in error In most cases the conclusion is both The aim is not to tear down straw men but to demonstrate a path toward stronger more mature Christian belief

Prophecy and the Church Oswald T. Allis, 2001-08-02 For a number of years it was the difficult yet delightful task of the author to interpret the Prophetic Books of the Old Testament to successive classes of theological students This made it necessary for him to make a decision of the utmost importance Should he in accordance with the time tested belief of the Church instruct his students that the kingdom prophecies of the Old Testament Church have their fulfillment in large measure in the New Testament Church Or should he follow the relatively new and decidedly revolutionary teaching commonly called Dispensationalism and declare that these prophecies skip over the Church age and will be literally fulfilled in a Jewish kingdom age which will follow it These were the alternatives between which he found himself obliged to choose His decision and the reason for it are set forth in this volume
