TRUTHS GODSWORD GODSWILL ONU, **Uncovering the Devil's Hiding-Places** Ron Craig, 2019-06-17 Many erroneous concepts and practices inhabit this old world and even the church world This book exposes a lot of them And of course if it is erroneous then the devil is behind it for he is a liar and the father of lies and liars Which makes this book a very timely work God is the same as He has always been so is the devil so is lost mankind so is religion The outward appearances may be different in these modern times but underneath the devil lost man and even religion are basically the same as they have been in every generation The main truth this book emphasizes is that Satan is a diabolical character but a shrewd one requiring that he hide behind people institutions ideas and concepts that come across as genuine and on the up and up Why would Satan have to hide his actions and purposes if they were the right kind of actions and purposes The reader may be surprised and perhaps even shocked at some of the places the devil hides behind Read and find out **Arcana Cœlestia.**
