## His Brothers Wife:

**Heartsease Or The Brothers Wife** Charlotte Mary Yonge,1855      His Brother's Wife Mary Ellen Boyd,2014-02-20 By law she must face her worst nightmare and wed a total stranger      Seth's Brother's Wife ,      *The Mishnah* Herbert Danby,2022-04-26 The Mishnah or the Mishna is the first major written collection of the Jewish oral traditions which is known as the Oral Torah It is also the first major work of rabbinic literature The Mishnah was redacted by Judah ha Nasi at the beginning of the 3rd century CE in a time when according to the Talmud the persecution of the Jews and the passage of time raised the possibility that the details of the oral traditions of the Pharisees from the Second Temple period would be forgotten Most of the Mishnah is written in Mishnaic Hebrew but some parts are in Aramaic      *A History of the Mishnaic Law of Women, Part 1* Jacob Neusner,2007-04-01 The history of Jews from the period of the Second Temple to the rise of Islam From A History of the Mishnaic Law of Appointed Times Part 1 This volume introduces the sources of Judaism in late antiquity to scholars in adjacent fields such as the study of the Old and New Testaments Ancient History the ancient Near East and the history of religion In two volumes leading American Israeli and European specialists in the history literature theology and archaeology of Judaism offer factual answers to the two questions that the study of any religion in ancient times must raise The first is what are the sources written and in material culture that inform us about that religion The second is how have we to understand those sources in reconstructing the history of various Judaic systems in antiquity The chapters set forth in simple statements intelligible to non specialists the facts which the sources provide Because of the nature of the subject and acute interest in it the specialists also raise some questions particular to the study of Judaism dealing with its historical relationship with nascent Christianity in New Testament times The work forms the starting point for the study of all the principal questions concerning Judaism in late antiquity and sets forth the most current critical results of scholarship

**The Workes of J. Weemse ... Containing ... Nine Bookes** John WEEMES,1636      *The Holy Bible* ,1761      **Tribal Women** K. Mann,1996 The contents of this book map numerous dimensions of women in tribal India In this framework the traditionality and change intending to integration have equally been emphasized There are two special features of this work Firstly the tribal women of the Himalayas have appeared with mounting force at the level of explanations Secondly the formation of status scales is a novel attempt which no one thought of designing earlier Where do the tribal women stand in contemporary perspective and what kind of treatment is meted out to them are the other areas illuminated      **Synopsis Papismi, that is, A generall view of papistrie: wherein the whole mysterie of iniquitie, and summe of antichristian doctrine is set downe, which is maintained ... by the synagogue of Rome ... *Rome Against the Church of Christ* ,1614      **Comparative Hermeneutics of Rabbinic Judaism, The, Volume Two** Jacob Neusner,2000 Systematic account of the hermeneutics of comparison and contrast of Rabbinic Judaism      **The Holy Bible, Containing the Old and New Testaments: ...** ,1760      **Brothers from Afar** Ephraim Kanarfogel,2020-12-01 Revisionist approach to a status of apostates in medieval European rabbinic thought In *Brothers from Afar* Rabbinic Approaches to Apostasy and Reversion in Medieval Europe Ephraim Kanarfogel challenges a long held view that those who had apostatized and later returned to the Jewish community in northern medieval Europe were encouraged to resume their places without the need for special ceremony or act that verified their reversion Kanarfogel's evidence suggests that from the late twelfth century onward leading rabbinic authorities held that returning apostates had to undergo ritual immersion and other rites of contrition He also argues that the shift in rabbinic positions during the twelfth and thirteenth centuries was fundamentally a response to changing Christian perceptions of Jews and was not simply an internal halakhic or rabbinic development *Brothers from Afar* is divided into seven chapters Kanarfogel begins the book with Rashi 1040-1105 the pre eminent European rabbinic authority who favored an approach which sought to smooth the return of penitent apostates He then goes on to explain that although Jacob Katz a leading Jewish social historian maintains that this more lenient approach held sway in Ashkenazic society a series of manuscript passages indicate that Rashi's view was challenged in several significant ways by northern French Tosafists in the mid twelfth century German Tosafists mandated immersion for a returning apostate as a means of atonement akin to the procedure required of a new convert In addition several prominent tosafists sought to downgrade the status of apostates from Judaism who did not return in both marital and economic issues well beyond the place assigned to them by Rashi and others who supported his approach Although these mandates were formulated along textual and juridical lines considerations of how to protect the Jewish communities from the inroads of increased anti Judaism and the outright hatred expressed for the Jews as unrivaled enemies of Christianity played a large role Indeed medieval Christian sources that describe how Jews dealt with those who relapsed from Christianity to Judaism are based not only on popular practices and culture but also reflect concepts and practices that had the approbation of the rabbinic elite in northern Europe *Brothers from Afar* belongs in the library of every scholar of Jewish and medieval studies      **The Genealogies Recorded in the Sacred Scriptures, According to Every Family and Tribe** John Speed,1612
