Life on the Edge Brother John of Taize,2017-10-26 Is the Christian faith something that can peacefully exist alongside all the other aspects of an ordinary human life or does it by its very nature turn that life into something else The author of this book a member of a monastic community for over forty years obviously has a vested interest in the answer But even for believers caught up in the day to day life of society work and family the question is an important one at least if they are seeking a measure of consistency in the life they are living And does not the very fact that the question of the importance and urgency of faith needs to be asked witness to the eclipse of an eschatological outlook among Christians at any rate in the mainstream Churches Could this oversight not explain why an eschatological understanding of faith one which sees it as a radical world changing reality has been forced to take refuge often deformed to the point of being unrecognizable in small fanatical groups on the margins of the Christian world **Cosmic Warrior** Quinton Brodt,2018-03-02 Quinton Brodt is no pastor or theologian just a regular person like you who is seeking something much greater than himself After hitting rock bottom Brodt went on a journey to discover himself and what his purpose was in life This discovery led him to the Christian Bible and the everlasting love and desire that God has for His people The Bible is a very large book with an abundance of information that can be very overwhelming to some Cosmic Warrior breaks down each book of the Bible in a simple and concise manner to easily understand the fundamentals of what is being conveyed by God In addition to providing supplemental information to the Bible Brodt equips the reader with knowledge that is instrumental in understanding what it means to be a true Christian and follower of God Cosmic Warrior is not a book that claims to be a source of hidden

knowledge that can only be obtained for a price Not at all Quinton believes in Not wanting to profit off of the prophets
Cosmic Warrior presents knowledge and wisdom about the Bible and God that should be freely available to everyone Thus
