Sean Taylor,2015-06 When a hippopotamus comes round to your house don t be worried or scared by his size just hug him and open the door really wide because that s what makes a hippopotamus come inside What do you do when a hippopotamus comes to visit Play splashy sploshy games of course to make him happy Share silly toys in a big warm bath to make him laugh Give him a great big crunchy salad treat as that is what a hippo likes to eat And when he is ready to go home do a little dance and say goodbye in style because that is what makes a hippopotamus smile And now that you are his new best friend he will be sure to want to come round again maybe not on his own next time
